

In partnership with the **Central Quebec School Board**, **LEARN Virtual Summer School** is an option available to the following students this year:

- Students who have already taken the course and who got a final mark over 49% (or prerequisite credits for bridge courses).
- Students must be approved by their school board.

**Where:**

- **All classes are offered online** using Zoom and Google Classroom. Students will be provided with Quick Start Guides to help them participate fully.

**Evaluation:**

- LEARN summer school teachers will provide instruction and assessment. Competency evaluation, where required, will be integrated into class time.
- CQSB students who register with LEARN in the Virtual Summer School will automatically be registered for MEQ exams, if applicable. **There is no need to contact CQSB.**
- Feedback and attendance information will be provided to families and school boards during the summer school period.
- **Final results will be sent directly to the School Board, not families, at the end of the summer school session.**
  - **Secondary 1, 2, and 3 courses:** CQSB will produce summer school report cards and will email them to parents at the beginning of August.
  - **Secondary 4 & 5 courses:** As of August 13<sup>th</sup>, Secondary 4 & 5 results will be published by the MEQ on their online platform, in the student's Academic Record (in June, your school provided you with the procedure for creating the student's account).

**Please note:**

- **Courses may be scheduled in the morning or afternoon, depending on demand and teacher availability. See the included schedule. Daily attendance is required.**
- Students may register for a maximum of two courses. Please fill in the registration form separately for each summer course.

**REGISTRATION OPENS ON JUNE 2.**

**How to register:**

Online registration and payment

<https://students.learnquebec.ca/summerschool26/>

- Once a student has registered, LEARN will communicate with the student's school board to verify registration.
- Approval from the school board is required for all students.
- **Courses will only be offered if there are sufficient numbers.** A complete refund will be issued if a course is cancelled or a registration is refused.
