**Letter of Recommendation**

Matthew Bishop  
Captain BV018 Checkmate

To whom it may concern,

I am writing this letter of recommendation for Matthew Bishop who has been employed as Captain on the Benetti BV018 Checkmate. Matt has shown us his keen ability to detail from the very beginning stages of Construction down to the hiring and managing of the Crew. As a new build, there were many technical problems that Matt handled in a calm and effective way. His professionalism is surpassed by none. We highly encourage anyone looking for a Captain to give Matthew Bishop the strongest consideration. He will not let you down. Please do not hesitate to contact us at any time to answer any questions.

Most Sincerely,

Deborah and Greg George- Checkmate Owners
