To Whom it may concern :

It is with pleasure that I can recommend Captain Mathew Bishop for employment as Captain of a luxury motor yacht .

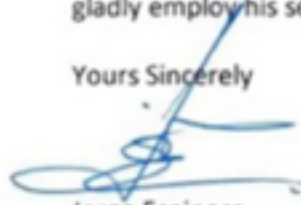

Captain Bishop has worked for us for the past 22 months on M/Y DREAM WEAVER , an 120 ft motor yacht built at the Christensen Shipyard .

During the first few months of employment Captain Bishop dealt with the various issues related with the commissioning of a new boat , dealing with the shipyard , the enforcement of warranties , Class and MCA , and getting the boat in proper shipshape and seaworthy condition .

We cruised with the boat extensively in the Bahamas , Caribbean and New England. Captain Bishop is sober and hard working , he always showed good judgment and a wealth of experience in the navigation , engineering and the management of the crew and the yacht in general .

I have no hesitation in recommending Captain Matt for any future position on any size yacht and would gladly employ his services in the next available opportunity .

Yours Sincerely

Jorge Espinosa
