To Whom It May Concern:

The intent of this letter is to attest to the skills and attributes of Matthew Von Bishop. I hired Matt as the captain of M/Y MAG III in early November 2015. During the last 22 months, I have come to know Matt very well.

To be sure, he is a very skilled driver and navigator. He has a good understanding of the mechanical systems on board. In addition, he has a through understanding of the service side of the industry. However, I would argue some of his best traits are related to who he is as person. Matt is loyal, honest, dependable, and completely transparent and trustworthy with our finances. He takes his responsibility for our safety, that of our guest, his crew, and our property extremely seriously.

In summary, Matt possesses the skills and character befitting of a mega-yacht captain. I wish him all the best and know that if he applies himself is capable of being the master of yacht of any size.

Yours Sincerely,
