To Whom It May Concern:

This letter is intended to serve as a recommendation of the skills and attributes of Matthew Bishop. Matt served as the captain of M/Y Sophisticated Lady from September 2006 until March 2008.

During this time the yacht traveled more than 9,000 nautical miles. Matt commanded the yacht down the East Coast of the United States, from south Florida to the Leeward Islands of the Caribbean, as well as an extensive Mediterranean cruise which encompassed three continents and seven countries.

I found Matt to be a confident captain who was fair and respectful with his crew, my guests and myself. It is my opinion that Matt is an honest person who can be trusted with the financial responsibilities of someone in his position. Lastly, I felt assured that Matt would make the right decisions to protect my yacht and the lives of those onboard the vessel.

I was sad to see Matt leave and wish him the best as he tries to further his career as a yacht captain.

Sincerely,

Barrett Linde

Owner M/Y Sophisticated Lady
