 Up to 8 Hours on
One 2 Hour Charge

Peace of mind for Guests ...

HIGH VOLUME DISINFECTING GATES

Guest Sanitizing in 3 Quick Steps ..

Enter Station: Motion activated. Automated infrared thermal camera senses guest body temperature. Hand Sanitizer conveniently located for guest convenience.

Sanitizing: Super-fine mist with ultrasonic, atomized solution for immediate protection in seconds. This light translucent mist will not disturb cosmetics or hair and is gentle to even the most sensitive skin.

Exit: The Sanitizing Station provides individuals with a translucent, protective veil while leaving no chemical residue on clothes. The sanitizing mist breaks down to a saline solution and is effective in eliminating biofilm and controlling its regrowth.
