

## **SUMMER SCHOOL**

## All are welcome!

Summer is right around the corner and we are excited to offer a fun alternative to beat the heat!!! Our summer school program will be held at our Benjamin Franklin location (22951 S. Power Road in Queen Creek). Please contact us for prices as well as start and end date. We will be in session Monday-Friday from 8am - 2pm. Your kiddo is welcome to stay full day (8-2) or half day (8-11). M-F, MWF or T/TH. Siblings may also join in the fun! Our program is perfect for kiddo's 3-7 years old and siblings will enjoy a 15% discount. The curriculum will consist of summer themed crafts, fun letter and number activities to keep kiddos on track and morning time activities outside at our amazing playground before it gets too hot.

Because we have limited spots and a lot of interest we are now enrolling into our summer school program. If you would like to secure your child's spot please contact us at 480-707-2056. We will need your child's name, your preferred schedule and a 20.00 non refundable fee. This 20.00 fee will be applied toward your summer tuition cost when we get started!
