

Job Description – Water Technician

About Stutters

Stutters Restorations is a full-service restoration contractor specializing in insurance repair. Stutters was started as a small family business over 40 years ago and has grown to 6 offices throughout the south-central Interior of BC. Stutters has successfully completed every kind of restoration work imaginable; hospitals, schools, stores, restaurants, factories, libraries, laboratories, barns, apartment complexes, and private homes. We provide the highest standards of integrity, workmanship, and service by using the latest equipment and technology, and the most skilled individuals. At Stutters, we place an emphasis on our employees' happiness, job satisfaction and success, and pride ourselves on our collaborative company culture.
