PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Heidi Health — *AI Clinical Documentation & Workflow Automation Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams to evaluate software/AI-driven acquisition targets for a prospective PE client and deliver a live investment recommendation on 6/8
 - Sized Heidi Health's market opportunity using ~\$730–820B TAM, ~\$429B SaaS SAM and ~\$222B U.S. SOM, synthesizing 4+ sources to evaluate growth across generative AI, cloud infrastructure and cybersecurity, grounding the team's investment thesis
 - Assessed Heidi Health's positioning against 4+ competitors including Abridge, Nabla and Suki AI, analyzing differentiation, cost structure and scalability risks while developing mitigation strategies around pricing and conversion that defended our thesis

Washington University in St. Louis | Student Investment Fund

Junior Analyst

St. Louis, MO

Jan 2026 – Present

- Conducted in-depth fundamental research on 10+ publicly traded 'TMT' companies, analyzing business models, competitive positioning and financial statements to generate actionable investment insights that strengthened stock selection across the fund
- Delivered 3+ equity research pitches to student analysts and portfolio managers, synthesizing valuation work, catalysts and risks into concise investment theses that guided discussions and supported higher-conviction investment recommendations during meetings
- Monitored 20+ macroeconomic trends, sector news items and earnings releases across semiconductors, SaaS and digital media, identifying opportunities and assessing portfolio positioning that improved market awareness and coverage across TMT sub-sectors

Manor Country Club

Lifeguard

Rockville, MD

Aug 2022 – Aug 2025

- Monitored aquatic facilities and enforced safety protocols for a private member pool serving 200+ daily guests, maintaining a secure environment that supported positive member experiences and reliable day-to-day pool operations throughout each season from '22-25
- Responded to 5+ emergency situations including swimmer distress and minor injuries, administering CPR and first aid while coordinating with management to ensure rapid, effective resolution, clear communication and strong guest confidence under pressure
- Conducted daily pool inspections and 3+ chemical tests per shift, verifying water quality and equipment compliance with Maryland health standards while documenting findings and escalating issues that improved facility readiness and operational accountability

LEADERSHIP & COMMUNITY DEVELOPMENT

Washington University in St. Louis | Swimming & Diving Team

NCAA Student-Athlete

St. Louis, MO

Aug 2025 – Present

- Built on prior success as a 3-time USA Swimming Scholastic All-American by competing in multiple NCAA swim meets each season across freestyle, distance, backstroke and IM events, posting 4 personal bests at the Phoenix Fall Classic and supporting team success
- Dedicate 20+ hours weekly to team practices, strength training and meetings, sustaining consistent performance, accountability and reliability as a contributing member within a high-performance collegiate swim environment throughout the academic year

Washington University in St. Louis | Social Committee

Swim & Dive Social Committee Member

St. Louis, MO

Aug 2025 – Present

- Planned and executed 5+ team social events including dinners, service outings and bonding activities, managing end-to-end logistics that strengthened team culture, engagement and relationships across multiple class years (c/o 2026-29) throughout the academic year
- Distributed communications to a 30+ member team while coordinating with 3+ athletic department staff and tracking 10+ budget expenditures, ensuring organized execution, financial accountability and high-quality programming for student-athletes across WashU

Richard Montgomery High School

Varsity Swim & Dive Team Captain

Rockville, MD

Aug 2024 – Jun 2025

- Directed daily practices for a 40+ athlete varsity roster while establishing standards of discipline and competitive excellence across training sessions & championship meet preparation cycles, elevating consistency, accountability + overall swim/dive team performance
- Mentored 15+ underclassmen in stroke technique, race strategy and mental conditioning while designing pre-meet warm-up protocols across 10+ events, contributing to stronger split times, personal bests, relay performances and improved scoring at major competitions

Baltimore, MD

Johns Hopkins University Fellow

Oct 2025 – Present

- Selected for a competitive finance preparation program providing technical training, industry immersion, and mentorship, strengthening understanding of financial markets, internship recruiting processes & core Wall Street career pathways + opportunities
- Participated in the Fall 2025 NYC Wall Street Trek, visiting 5+ major financial institutions and engaging with alumni professionals to learn about investment banking, markets & buy-side career trajectories across structured firm presentations + networking discussions

Bank of America

Remote

MAP Investment Banking Fellow

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- Omada Health — *Digital Chronic Care Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led Planning Phase market framing for Omada, synthesizing 3 macro healthcare trends including \$5.3T U.S. healthcare spend, ~8.5% projected 2026 medical cost trend & 102 health-tech M&A deals in 1H25 to strengthen the deal team's investment thesis
 - Built banker-style planning snapshot evaluating Omada's ~20M covered lives against a ~154M commercially insured TAM and ~27% projected 3-year revenue CAGR, clarifying market runway, growth profile, and key expansion opportunities across GLP-1
 - Identified 2 core vulnerabilities including unproven GLP-1 partnership monetization and low current penetration while grounding projections in 2026E revenue & EBITDA benchmarks, strengthening the foundation for all future downstream work

CCRM Fertility Clinic

New York, NY

Intern

May 2025 – Jun 2025

- Shadowed a board-certified endocrinologist across 10+ patient consultations and procedures, observing egg retrievals and embryo implantations to deepen understanding of clinical workflows and reproductive endocrinology treatment protocols at a fertility clinic
- Participated in follow-up consultations reviewing 3+ hormone therapy pathways and patient care plans, strengthening knowledge of fertility treatment approaches & the multidisciplinary coordination required across physician, lab & top-performing patient care teams

University of Minnesota

Minneapolis, MN

Colorectal Data Analysis Intern

Jun 2024 – Mar 2025

- Extracted and synthesized data from 75+ peer-reviewed scientific papers, building study-characteristic tables and literature summaries that supported structured analysis for colorectal surgery research publications and evidence synthesis for UM's clinical research review
- Co-authored "Perioperative Nutrition Therapy to Optimize Colorectal Patient Outcomes" (publication pending, 2025), contributing research synthesis and data organization to strengthen evidence supporting improved perioperative care strategies in colorectal surgery

LEADERSHIP & COMMUNITY DEVELOPMENT

The Child Mind Institute

New York, NY

Youth Council Member

Jun 2023 – Jun 2025

- Selected as 1 of 20 youth advisors nationwide, contributing to the development of college readiness toolkits and mental health resources designed to support teens navigating academic pressure, wellbeing & transition planning across national advocacy initiatives
- Moderated 3 high-profile youth mental health panels featuring national leaders including U.S. Surgeon General Vivek Murthy, Second Gentleman Douglas Emhoff, and Olympian Maia Shibutani, facilitating discussions on student wellbeing & youth advocacy initiatives

The Chapin School

New York, NY

Health & Wellness President, Varsity Soccer Captain & Editor-in-Chief

Sep 2021 – Jun 2025

- Served in 3 major leadership roles including Editor-in-Chief of *Wheel Magazine*, Health & Wellness President, and Varsity Soccer Captain, leading a 6-member editorial team, publishing a 100+ page issue & building mental-health initiatives that helped student body
- Elected 4x student representative and 2x varsity captain, restructuring student government through a new cross-school leadership council while guiding the soccer team to the NAIS semifinals & earning All-Star and Coach's Choice honors through strong leadership

Stanford Stan-X Fly-Lab Program

New York, NY

Student Researcher

Sep 2023 – Jun 2024

- Engineered a novel *Drosophila* strain using Stanford's SX4 P-element, applying 6+ molecular biology techniques including DNA extraction, iPCR, gel electrophoresis, and sequencing to map enhancer control regions within a structured genetics research framework
- Authored and presented a genetics research paper detailing enhancer mapping methodologies after conducting larval dissections and antibody staining with GFP reporter lines, identifying gene regulation patterns and validating enhancer-driven expression across stages

EDUCATION

Amherst College

Bachelor of Arts in Economics & English

Amherst, MA

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **SAT:** 1470
- **Relevant Courses:** Intro to Economics, Calculus I, Macroeconomics, Calculus 2, Wall Street Prep Accounting Crash Course
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Vanta — Security Compliance Automation Platform (Tech M&A / Strategic Advisory Simulation)
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams to evaluate software/AI-driven acquisition targets for a prospective PE client and deliver a live investment recommendation on 6/8
 - Evaluated Vanta's positioning across 3 key trends (cybersecurity, SaaS, AI automation) and 3 risks (competition, enterprise expansion, pricing pressure), developing structured insights + mitigation strategies that improved team's overall decision-making
 - Sized market opportunity using top-down analysis of ~\$6T TAM, ~\$80–100B SAM and ~\$15–25B SOM, benchmarking 4+ peers to assess growth drivers, competitive intensity and pricing dynamics, strengthening strategic clarity/investment conviction

Daily Moments

Founder

Austin, TX

Jan 2024 – Present

- Designed and distributed 4,000+ psychology-based journals for children across hospitals, shelters and schools in 20 states and 4 countries, applying behavioral-science principles to build confidence, coping skills & emotional strength for underserved youth at scale
- Built partnerships with clinics, nonprofits and educators while managing budgets, production timelines and fulfillment logistics, expanding multi-state distribution capacity and creating a repeatable operating model that increased reach and program sustainability

Private Tennis Coaching Business

Founder & Head Coach

Austin, TX

Jun 2022 – Jul 2025

- Built and operated a private coaching business serving 20+ youth tennis players, creating individualized development plans, tracking weekly progress and delivering technical instruction that improved match performance, retention and long-term client satisfaction
- Implemented pricing, scheduling and resource-allocation systems across 15+ recurring lessons, court usage and client demand, optimizing profitability and weekly capacity while maintaining consistent service quality and managing a scalable business operation

Teens Take Initiative

Vice President

Austin, TX

Nov 2022 – May 2025

- Coordinated monthly service initiatives by sourcing 5+ nonprofit partnerships, organizing volunteer teams and executing mission-aligned events, expanding outreach capacity and increasing student participation across recurring community impact programs
- Managed donation logistics, stakeholder communication and delivery workflows for funds and essential goods across multiple drives, improving execution reliability and creating consistent opportunities for students to contribute to high-impact local service efforts

LEADERSHIP & COMMUNITY DEVELOPMENT

Amherst DEI Team

Representative for Women's Tennis

Amherst, MA

Aug 2025 – Present

- Represent Amherst's tennis team by leading 5+ workshops and facilitating team discussions on identity, equity and belonging, improving communication, trust and mutual respect among student-athletes while strengthening culture and day-to-day collaboration
- Partner with the NCAA and 3+ campus stakeholders as team liaison to support department-wide programming and inclusion initiatives, increasing engagement + ensuring Amherst athletes feel represented, supported + connected within the broader community

Bank of America

Investment Banking Fellow

Remote

Jan 2026 – Feb 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Bank of America-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance
- Competed against 654 fellows through 3 mock interviews, delivering structured responses across leadership, teamwork and conflict scenarios while improving executive presence, composure and communication in fast-paced/high pressure interview environments

Westwood Highschool Varsity Tennis

Captain & 4-Year Starter

Austin, TX

Jul 2021 – Nov 2024

- Ranked #10 in Texas and top-120 nationally in the Class of 2025, earning Division I-III recruiting interest while leading 30+ teammates through training, match preparation and daily accountability routines that elevated overall team performance standards
- Produced 15+ technical highlight reels analyzing tennis match patterns, strengths and improvement areas for several teammates, translating performance data into actionable coaching insights that enhanced preparation, confidence & performance for entire team

NON-TECHNICAL SKILLS & INTERESTS

Skills and Language(s): English (Native/Fluent), Telugu (Proficient), Guitar, Tennis, Pickleball, Cooking, Art, Design

Software Programs: Microsoft Excel, Canva, all Google Applications | **Early ID Programs:** 2026 Goldman Sachs Possibilities Summit

Interests: Spongebob, Elliot Smith, Poetry, Hunger Games, Justin Bieber

EDUCATION

Stanford University

Bachelor of Arts in International Relations, Bachelor of Science in Economics | Minor in German Studies

Stanford, CA

Expected Graduation: May 2029

- **Cumulative GPA:** 3.85/4.0
- **Awards/Accomplishments:** Stanford Women's Varsity Squash Team, First American Junior Ranked #1 Overall European Squash Federation, Former U.S. Junior ranked #1 Squash Player and U.S. Junior National Team Member
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (*to be completed by June 2026*)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Marvell Technology — *AI Infrastructure Semiconductor Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams to evaluate software/AI-driven acquisition targets for a prospective PE client and deliver a live investment recommendation on 6/8
 - Quantified Marvell's market opportunity using ~\$975B semiconductor TAM, ~\$477B data-center SAM and ~\$100B+ AI ASIC SOM, synthesizing 4+ sources to assess hyperscaler demand/custom silicon trends/infrastructure bottlenecks to frame thesis
 - Analyzed Marvell's positioning against 4+ peers including Broadcom, Nvidia and AMD, evaluating differentiation in design-win pipeline, customer concentration/growth drivers while identifying geopolitical/supply chain risks to improve thesis defensibility

Stanford Athletes in Finance

Analyst

Stanford, CA

Sep 2025 – Present

- Selected into a competitive finance program focused on valuation, accounting and financial modeling, completing 10+ weekly technical sessions that strengthened analytical rigor, transaction knowledge + preparation of the investment banking recruiting process
- Completed case-based training in cash flow modeling, comparable company analysis and financial statement review while participating in 5+ mock interviews & alumni networking sessions that improved technical fluency, communication skills and confidence in finance
- Engaged with alumni across investment banking, private equity and venture capital through recurring events, building industry perspective, expanding professional relationships and applying career insights to stronger recruiting preparation and long-term internship positioning strategies

Sidecut Ventures

Venture Capital Intern

Remote

Jun 2024 – Aug 2022

- Sourced 50+ early-stage startups across fintech, healthtech and edtech through market research, database screening and founder outreach, expanding the investment pipeline and increasing visibility into high-potential venture opportunities across multiple sectors
- Evaluated investment opportunities by analyzing business models, market size and competitive positioning across 20+ companies, helping prioritize stronger opportunities and improving screening quality for internal discussions and diligence workflows/processes
- Built a focused pipeline of women's health and operational-efficiency companies by organizing 15+ qualified prospects, creating a clearer sourcing funnel that improved thematic coverage, founder outreach and long-term investment tracking for future opportunities

LEADERSHIP & COMMUNITY DEVELOPMENT

Stanford Women's Varsity Squash

NCAA Student-Athlete

Stanford, CA

Aug 2025 – Present

- Contributed as a freshman to Stanford's undefeated 10-0 season and MASC Team Championship run, competing on courts 8-10 and delivering reliable depth performance that strengthened lineup flexibility, match consistency and overall team success at high-level
- Earned MASC All-Academic Team honors while going 3-0 at the MASC Championships, balancing rigorous academics with elite competition & building on prior success as the first American ranked No. 1 overall in the European Squash Federation girls standings

Make-A-Play Foundation

Professional Development Fellow

Remote

Mar 2026 – May 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Morgan Stanley-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance
- Competed against 376 fellows through 3 mock interviews, delivering structured responses across leadership, teamwork and conflict scenarios while improving executive presence, composure and communication in fast-paced/high pressure interview environments

Beyond the Diploma

Podcast Co-Founder and Co-Host

Baltimore, MD

Jun 2025 – Aug 2025

- Co-founded, produced and hosted a career-focused podcast featuring 10+ professionals across finance, sports, media and entrepreneurship, creating engaging conversations that expanded career awareness and professional exposure for student listeners
- Grew audience reach across Spotify and YouTube through consistent content production, guest sourcing and promotion strategies, increasing platform visibility, listener engagement and recurring viewership while building a recognizable brand across digital channels

NON-TECHNICAL SKILLS & INTERESTS

Skills: Python (Data structures, algorithmic problem solving)

Languages: German and French (Working proficiency)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Heidi Health — *AI Clinical Documentation & Workflow Automation Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Planning Phase for a Morgan Stanley-style case, analyzing 4+ financial data points to build a snapshot of Heidi Health's ~\$22M–\$50M revenue trajectory, margin profile and cost structure to guide analysis
 - Built 5+ exhibits evaluating revenue growth, margin expansion from ~-50% to ~-10% and key cost drivers including AI infrastructure/GTM spend, strengthening visibility into operating leverage/scalability/paths toward profitability across model
 - Assessed balance sheet strength using ~\$65M liquidity and minimal leverage assumptions while identifying 4+ KPIs including customer growth, retention and AI utilization, aligning the team around a clear, metrics-driven investment framework for MS

Clarus Capital

Investment Analyst

Swarthmore, PA

Oct 2025 – Present

- Selected as 1 of 4 freshmen from 30 applicants (13%) to join a \$40K AUM long-only fund, building 3+ stock pitches and conducting financial/qualitative analysis to support investment decisions/strengthen portfolio positioning across sectors throughout the semester
- Deliver 5+ market updates and portfolio reviews, evaluating performance drivers and monitoring existing positions to inform allocation decisions, improve analytical rigor and align the team around data-driven investment recommendations in weekly meetings

The Run House

Sales Associate

Needham, MA

Apr 2025 – Aug 2025

- Generated \$75K+ in summer sales by assisting 50+ customers daily, delivering tailored product recommendations that improved conversion rates, customer satisfaction & repeat business across a fast-paced retail environment during peak seasonal demand periods
- Managed inventory across 100+ SKUs and placed 10+ monthly restock orders, coordinating with team members across the store to maintain organized merchandising and consistent product availability throughout peak demand periods and high-volume sales cycles

Sugarbush Mountain

Ski Instructor

Warren, VT

Dec 2022 – Mar 2023

- Taught 20+ beginner and intermediate children across group ski lessons on Sugarbush Mountain, focusing on safety, technique and confidence to improve skill development & overall on-mountain experience throughout the season across varying weather conditions
- Organized 5+ group sessions per day with students, managing lesson flow, engagement and safety protocols to ensure structured instruction and positive experiences across diverse skill levels while adapting to changing group dynamics and conditions in real time

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Swarthmore Cross Country | Track and Field

Varsity Student-Athlete

Swarthmore, PA

Aug 2025 – Present

- Balance 25+ hours weekly of practices, training, travel & competition alongside academics, demonstrating discipline, time management and consistent performance within a highly competitive athletic environment across rigorous in-season and off-season schedules
- Collaborate with 20+ teammates and coaches to set daily/weekly/monthly goals, track progress and maintain accountability, strengthening team culture, communication/continuous improvement across training cycles/competitive meets throughout the season

TOPS Soccer and Basketball

President

Warren, VT

Sep 2023 – Jun 2025

- Led operations for a community sports program supporting 30+ students with intellectual disabilities, designing inclusive programs that improved engagement, accessibility and overall participant experience across weekly sessions throughout the academic year
- Recruited and managed 30+ volunteers while organizing 10+ practices and events, strengthening program consistency, leadership structure and community impact, leading to broad recognition through the Darrien Tan Scholarship for leadership and service

SKILLS & INTERESTS

Selected Transaction Experience

- Databricks — *Enterprise Data & AI Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1 of 75 NCAA athletes (~20%) to lead the full Execution Phase for a deal team of 5, directing valuation modeling, precedent transaction analysis and risk assessment across ~5 workstreams/week to recommend Databricks for an MS-style case
 - Analyzed 2 AI-focused precedent transactions valued at \$1.25T+ combined enterprise value, benchmarking 66x–175x EV/Revenue multiples and platform-scale acquisition rationale to strengthen Databricks valuation and long-term positioning
 - Built valuation and risk framework using 5+ institutional and industry sources, assessing AI monetization risk, GDPR exposure + competitive pressure across Databricks, Snowflake and Microsoft to support a more defensible final recommendation to MS

Ethereal Apparel LLC

Founder & CFO

Dublin, CA

May 2021 – Sep 2025

- Founded and scaled a custom apparel brand generating \$50K+ in revenue and achieving a six-figure valuation through strategic pricing, inventory forecasting and disciplined cost management that strengthened profitability and long-term operational sustainability
- Directed end-to-end operations across product design, overseas manufacturing and fulfillment logistics, coordinating 1,000+ unit production runs that optimized turnaround times, maintained quality standards and improved gross margin performance for company
- Built and managed a fully integrated e-commerce platform supporting multiple product launches, implementing digital marketing and customer acquisition strategies that increased conversion rates, expanded brand visibility for Ethereal + drove recurring revenue growth

LEADERSHIP & COMMUNITY DEVELOPMENT

Fordham University Men's Swimming (NCAA Division I)

NCAA Student-Athlete

Bronx, NY

Aug 2025 – Present

- Balance 20+ hours per week of Division I training and competition while maintaining a 4.0 GPA, demonstrating elite time management, discipline and performance consistency across demanding academic and athletic commitments at Fordham University
- Collaborate with 20+ coaches and teammates to analyze race splits, stroke efficiency and training performance data, implementing technical refinements that contribute to measurable competitive improvement and stronger scoring outcomes for the entire swim team
- Represent Fordham across collegiate competitions and team engagements throughout 5+ annual meet environments, strengthening leadership, communication and accountability skills within fast-paced and highly competitive Division I athletics settings/competitions

Knack | Private Tutoring Service

Tutor

Bronx, NY

Jan 2026 – Present

- Provide 1-on-1 tutoring in Microeconomics and Philosophy for Fordham students across ~3 hours/week of instruction, translating complex economic models and philosophical concepts into structured explanations that improve academic comprehension/retention
- Support students through targeted exam preparation, essay development and problem-solving strategies, contributing to multiple students improving course performance to A-level standing while strengthening analytical reasoning and written communication skills
- Track weekly student progress and identify recurring knowledge gaps through ongoing performance reviews and concept reinforcement, helping students build stronger study habits and achieve more consistent long-term academic improvement and success

Make-A-Play Foundation

Professional Development Fellow

Remote

Mar 2026 – May 2026

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Marvell Technology — *AI Infrastructure Semiconductor Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the full Control Phase for a 5-person deal team, validating Marvell's AI infrastructure thesis, stress-testing model assumptions & refining team's final recommendation to MS bankers live on 6/8/2026
 - Analyzed 3 growth drivers behind Marvell's AI upside, including the projected \$260B CapEx surge, \$670B+ cloud infrastructure spend and FY2027 revenue ramp to \$10.86B, strengthening conviction around hyperscaler demand and custom ASIC adoption
 - Evaluated supply-chain and competitive risks across Marvell's AI chip strategy, assessing 54% Taiwan/China exposure, Broadcom peer dynamics and 13.2x forward revenue valuation to support a 20% margin-of-safety investment case for the team

Ivy Athlete Recruiting

Advisor

Remote

Dec 2025 – Present

- Mentor 10+ younger athletes pursuing Division I Ivy League recruiting opportunities, sharing firsthand experience and strategic guidance while strengthening leadership, communication and relationship-building skills through individualized advising & mentorship
- Support prospective student-athletes through recruiting preparation and outreach strategy discussions, helping athletes understand Ivy League expectations, athletic positioning and long-term recruiting timelines through consistent mentorship and personalized guidance

Door-to-Door Shipping Center

Customer Service Representative

Rowland Heights, CA

Jun 2024 – Aug 2025

- Managed incoming/outgoing mail and organized packaging systems in a boutique retail environment, strengthening operational accuracy, attention to detail and workflow efficiency while communicating with 25+ customers weekly in both Mandarin and English
- Developed bilingual customer-service experience by assisting 20+ clients weekly across shipping and logistics requests, strengthening cross-cultural communication/client relationship management/problem-solving skills in a fast-paced retail operations environment

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Columbia Women's Golf

NCAA Varsity Student-Athlete

New York, NY

Aug 2025 – Present

- Contributed to Columbia's first team tournament victory in 10+ years while helping improve program rankings by 200%, strengthening competitive performance, accountability and teamwork within one of the most successful seasons in program history
- Balance rigorous academic coursework alongside 20+ hours/week of Division I golf training, travel and competition, strengthening discipline, independence and time-management skills within a nationally competitive collegiate student-athlete environment

Upper Deck Golf

Site Visit Director & Mentor

New York, NY

Sep 2025 – Nov 2025

- Assisted with front-entry check-in operations at Yankee Stadium, supporting participant engagement and event logistics while collaborating with major athletic brands to promote golf accessibility through an interactive sports entertainment experience
- Engaged with 100+ participants throughout Upper Deck Golf events, strengthening communication and customer-service skills while helping create an accessible, community-focused environment encouraging youth interest and participation in golf and athletics

Northwood High School

Challenge Success Athletics Leadership Member & Women's Golf Varsity Captain

Irvine, CA

Aug 2024 – Jun 2025

- Selected among the top 10% of student-athletes to collaborate with coaches, parents and faculty on schoolwide athletic initiatives, contributing recommendations tied to student-athlete balance, funding priorities and long-term program development efforts
- Qualified for the California State Championships as a freshman while helping establish 3 school golf records, demonstrating leadership, perseverance and teamwork skills that strengthened program culture and competitive performance across the varsity team

SKILLS & INTERESTS

- **Skills and Language(s):** Chinese Mandarin (Speaking/Listening), Problem Solving, Creativity, Public Speaking
- **Interests:** Reading, Gym, Drawing

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Databricks — *Enterprise Data & AI Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams, building the foundation for Databricks by defining its lakehouse architecture, AI capabilities & enterprise use cases for the bank
 - Sized Databricks' opportunity using ~\$1.44T software TAM, ~\$250B data/AI SAM and ~\$30–50B SOM, synthesizing 4+ sources to evaluate growth across data infrastructure/cloud software/agent AI, thereby grounding the team's investment thesis
 - Assessed Databricks' positioning against ~5 peers including Snowflake, MongoDB and Palantir, analyzing differentiation in unified architecture and multi-cloud strategy while identifying risks around hyperscaler competition & sales scalability for thesis

Fabric Health

Data Entry Contractor

Remote

May 2025 – Oct 2025

- Updated demographics, insurance and benefits information across 100+ member records, helping Pennsylvanians access eligible Medicaid and SNAP benefits through more accurate applications, faster processing timelines and stronger support for families in need
- Recorded medical data for members and their children across daily submissions, producing accurate reports for insurance companies that supported nonprofit reimbursement, funding, and reliable healthcare services for families depending on assistance programs
- Reviewed and corrected 50+ member profiles each week for accuracy and formatting, improving data quality, reducing processing errors and strengthening service delivery for families relying on healthcare access and public benefits support across Pennsylvania

Front Porch Communities & Services

Harvard SPARK Intern

Remote

Jun 2025 – Aug 2025

- Designed an anti-ageism workshop for Front Porch senior living communities, building 1 scalable program with discussion prompts and activities that encouraged positive aging beliefs, stronger resident engagement + healthier long-term outcomes for residents
- Synthesized research and insights from *Breaking the Age Code* into a 15+ slide PowerPoint featuring facts, reflection exercises and action steps that improved awareness of age bias and helped residents and staff build a more positive, inclusive community environment
- Applied the 3P framework (Problem, Person and Pathway) across 5+ case discussions, evaluating context, personal fit and execution options to strengthen structured problem-solving skills and long-term decision-making in mission-driven social impact settings

LEADERSHIP & COMMUNITY DEVELOPMENT

Harvard Women's Swimming and Diving

Varsity Diver

Cambridge, MA

Aug 2025 – Present

- Dedicate 20+ hours weekly to training, competition, meetings and team responsibilities while managing a full academic course load, sustaining disciplined performance, time management and reliability within a high-achieving D1 athletic environment each semester
- Compete in multiple collegiate meets each season, executing technical routines under pressure while contributing to team depth, consistent scoring opportunities and a culture of accountability, resilience and competitive excellence across the program

Harvard Financial Analysts Club

Member

Cambridge, MA

Sep 2025 – Present

- Completed technical training in quantitative research, trading strategies, valuation models and interview preparation through weekly sessions, building analytical fluency and practical finance skills applicable to investment research and competitive recruiting processes
- Learned to read financial statements and build DCF models to assess company quality and valuation, applying those skills to a research-driven short pitch on Pop Mart that strengthened investment judgment and thesis development abilities

Carlmont Key Club

Secretary (2024-2025), Webmaster (2023-2024)

Belmont, CA

Aug 2021 – Apr 2025

- Maintained and submitted monthly reporting spreadsheets tracking member hours, attendance, projects and meetings, using 100+ data points to recommend improvements that increased participation, accountability and progress toward annual club goals across the org.
- Tracked member progress toward recognition awards and developed personalized completion plans for peers, improving engagement, service-hour attainment and member retention while supporting stronger overall performance across a large volunteer program

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Vanta — Security Compliance Automation Platform (Tech M&A / Strategic Advisory Simulation)
 - Selected as 1 out of 75 NCAA athletes (~20%) to lead the full Control Phase for a deal team of 5, validating Vanta's compliance-automation investment thesis by organizing diligence findings into a final pitch book delivered live to MS on 6/8/26
 - Evaluated 3 market catalysts supporting Vanta's category leadership, analyzing \$300M+ ARR growth, 16,000+ global customers and increasing demand for AI-driven compliance automation as companies shift toward continuous monitoring infrastructure
 - Assessed competitive and scalability risks across the compliance software landscape, evaluating Vanta's product stickiness, AI-enabled automation capabilities & \$4.15B valuation while developing mitigants tied to customer integration depth/adoption

Evergreen Professional Investments, LLC

Intern

San Jose, CA

Dec 2025 – May 2026

- Extracted key project data from 15+ architectural and construction blueprints, building comprehensive data models that enabled leadership to conduct more accurate investment evaluations, portfolio planning & asset-management decisions across several projects
- Developed centralized spreadsheets tracking project components and deliverables across multiple investments, strengthening operational visibility, portfolio monitoring and long-term asset-management efficiency through organized reporting and data-analysis

PeakSpan Capital Growth Equity

Immersion Program Participant

New York, NY

Jan 2026 – Mar 2026

- Analyzed 25+ B2B SaaS growth strategies and operating metrics through an intensive growth-equity immersion program, strengthening foundational underwriting, market-analysis and go-to-market evaluation skills relevant to technology/software investing
- Evaluated emerging software companies by reviewing financial fundamentals and operational performance metrics, developing investment-screening capabilities and identifying high-potential opportunities across competitive technology and SaaS markets

Bay View Golf Club

Pro Shop Assistant and Golf Coach

Milpitas, CA

Aug 2020 – Aug 2025

- Generated ~\$8K in seasonal retail and membership revenue while managing daily pro-shop operations, organizing merchandise inventory and delivering customer-service support that strengthened operational efficiency and long-term member engagement
- Coached 10+ youth golfers through 3 weekly instructional camps, adapting drills across varying skill levels to improve technical fundamentals, player confidence and overall athletic development within a structured and competitive learning environment

LEADERSHIP & COMMUNITY DEVELOPMENT

Columbia College Varsity Women's Golf

NCAA Division I Student-Athlete & Starter

New York, NY

Sep 2025 – Present

- Balance 20+ hours/week of collegiate golf training, competition and travel alongside rigorous academic coursework, demonstrating discipline, resilience and time-management skills while maintaining high performance across athletic and scholastic responsibilities
- Competed as a varsity starter in 100% of collegiate golf tournaments, contributing to a record-setting single-round team performance while strengthening competitive consistency/accountability/teamwork within Columbia's nationally competitive athletic environment

Columbia College Women in Business

Active Member

New York, NY

Sep 2025 – Present

- Collaborated with committee members to coordinate Columbia's Annual Women's Leadership Conference, managing event logistics and professional-development initiatives supporting meaningful networking and career exploration opportunities for attendees

Los Altos High School | Varsity Girl's Golf

Starter

Los Altos, CA

Aug 2021 – Nov 2024

- Earned 4 consecutive MVP awards and a Player of the Year distinction, demonstrating competitive consistency, leadership and strong work ethic while contributing to one of the most successful periods in program history; Mentored 10+ new first-year players per year

Los Altos High School | Student Community Leadership

Marketing Director

Los Altos, CA

Aug 2022 – Jun 2025

- Organized 5 major fundraising and community-building events while utilizing weekly Toastmasters training to confidently present initiatives, strengthen public-speaking skills & drive participation from students/local residents; Designed 10+ social-media campaigns

NON-TECHNICAL SKILLS & INTERESTS

Skills and Language(s): Chinese | **Programs:** Microsoft Word, Excel, Google Spreadsheets, PowerPoint, Procreate, Canva, Google Slides, iMovie | **Interests:** Golf, Graphic Design, Traveling, Working Out

- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Mercury — *Digital Banking & AI-Enabled Financial Operations Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Control Phase for a deal team of 5, validating Mercury's investment thesis by pressure-testing fintech assumptions, aligning valuation logic and refining risk-monitoring priorities for final recommendation
 - Evaluated 3 core investment catalysts supporting Mercury's growth outlook, analyzing ~30% YoY revenue expansion from \$650M - \$845M, 600-bps EBITDA margin expansion, increasing AI-driven demand for vertical fintech infrastructure platforms
 - Assessed interest-rate and business-model risks tied to Mercury's fintech strategy, analyzing partner-bank dependence, deposit-yield exposure and SaaS revenue diversification while benchmarking profitability assumptions against peers Brex/Ramp

Manny Garcia Tennis Academy

Junior Tennis Coach

Piedmont, CA

Dec 2023 – Dec 2024

- Mentored 15+ youth tennis players through structured practices and individualized coaching strategies, strengthening technical fundamentals, engagement & development while managing equipment setup/drill stations/practice logistics across multiple skill levels
- Organized 3+ weekly training sessions for athletes across varying experience levels, adapting instructional approaches and maintaining player engagement while fostering teamwork/discipline/confidence within a productive & development-focused training environment
- Coordinated practice logistics and on-court instruction for players of different skill levels, reinforcing communication, adaptability and leadership skills while creating structured training environments focused on long-term athletic growth and performance consistency

Learn To Be

Volunteer Tutor

Danville, CA

Jun 2024 – Oct 2024

- Delivered 35+ hours of 1-on-1 virtual tutoring in reading and math for underserved elementary students, adapting instruction methods and developing 25+ customized lesson plans that strengthened foundational literacy, numeracy and long-term confidence
- Served underserved learners through individualized mentoring and progress tracking initiatives, adjusting instructional strategies based on ongoing evaluations while reinforcing core academic concepts through personalized activities tailored to each student's needs
- Developed 25+ customized learning exercises aligned with student progress and comprehension levels, strengthening instructional planning, communication and mentorship skills while supporting long-term academic engagement across mathematics concepts

LEADERSHIP & COMMUNITY DEVELOPMENT

Harvard University | Women's Varsity Tennis

NCAA Division I Student-Athlete

Cambridge, MA

Aug 2025 – Present

- Balance 20+ hours/week of Division I tennis training, travel and competition alongside Harvard's rigorous academic workload, demonstrating discipline, resilience and time-management skills while competing consistently in high-level athletic environments
- Compete within Harvard's nationally competitive Division I tennis program, collaborating with coaches and teammates through daily practices, match preparation & travel schedules while strengthening leadership, accountability and adaptability in high-pressure settings
- Contribute to a nationally competitive Division I tennis environment through daily practices, film review and match preparation, strengthening teamwork, communication and competitive consistency while balancing rigorous academics & elite athletic expectations

Make-A-Play Foundation

Professional Development Fellow

Remote

Mar 2026 – Apr 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Morgan Stanley-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance
- Competed against 376 fellows through 3 mock interviews, delivering structured responses across leadership, teamwork and conflict scenarios while improving executive presence, composure and communication in fast-paced/high pressure interview environments
- Advanced to a live M&A case simulation, analyzing valuation drivers, investment risks and strategic positioning to deliver a final recommendation live to MS while strengthening technical finance, collaboration and client-communication skills under tight deadlines

NON-TECHNICAL SKILLS & INTERESTS

Languages: English, Chinese

Interests: Hiking, crafting, baking

Connor J. Simkiss

Mobile: +1 (267) 576-3482 | Furlong, PA | Connor.Simkiss@tufts.edu | [Linkedin.com/in/connor-simkiss](https://www.linkedin.com/in/connor-simkiss)

EDUCATION

Tufts University

B.A. in Economics, Minors in Finance, Entrepreneurship

Medford, MA

Expected Graduation: May 2029

- **Cumulative GPA:** 3.81/4.0
- **Activities:** Varsity Football, Army ROTC, Economics Society, Career Development Club
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)
- **Honors & Awards:** Kyle Bernard Memorial Scholarship, Eric Knorr 3D award for Dedication, Desire and Devotion, Jumbo Pride Player of the Year, AP Scholar ('24-25), DECA Financial Literacy State Qualifier, Wall Street Prep Accounting Certification

PROFESSIONAL EXPERIENCE

Francisco's on the River

Server, Busser, Host (Seasonal)

Washington Crossing, PA

Nov 2022 – Present

- Orchestrate front-of-house operations during peak 150+ cover shifts, coordinating seating cadence, table turns, and service communication to optimize throughput, reduce wait times & sustain dining standards in a high-volume/revenue-sensitive environment
- Deliver consultative, menu-driven service across 40–60 guests per shift, translating product knowledge into upsell execution and repeat patronage, while maintaining service precision under time pressure to protect brand reputation and guest satisfaction

Bank of America

MAP Investment Banking Fellow

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#)

- Delcath Systems — *Oncology Drug-Delivery Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led Planning Phase for a 5-person deal team, structuring 4 healthcare macro drivers (aging demographics, VBC shift, digital health ~15–20% CAGR, capital selectivity) into an investor-ready industry thesis to frame growth durability + underwriting risk
 - Translated secular tailwinds (65+ population growth; \$4.9T U.S. spend; AI ~\$150B value pool) into a demand-backed oncology narrative, linking demographic expansion to procedural volume scaling and long-term revenue visibility for Delcath Systems
 - Integrated capital markets headwinds (VC pullback, higher cost of capital) into risk assessment, positioning Delcath's ~\$88.9M net cash balance and EBITDA inflection as differentiators supporting liquidity runway and commercialization scalability
 - Presented a 10-page investor deck, 1-page fact sheet, and DDQ live to BofA leadership (3/23/26); expected to defend underwriting assumptions across growth/margins/capital structure to strengthen deal credibility & go-forward investment thesis

Simkiss Services

Co-Owner & Operator

Furlong, PA

Nov 2020 – Aug 2025

- Founded and scaled a residential power washing and landscaping business, managing sales, pricing, scheduling, and service execution to acquire 100+ clients and generate \$40K+ in revenue through disciplined cost control and repeat-customer retention
- Designed targeted outreach and referral strategies to expand local market penetration, optimizing route density, job sequencing, and equipment utilization to improve margin per job and sustain steady year-over-year growth in a competitive services market

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Tufts Varsity Football

NCAA D-III Student-Athlete, Linebacker

Medford, MA

Sep 2025 – Present

- Commit 25+ hours weekly to film analysis, defensive scheme execution, practice, competition, and strength programming, translating coaching strategy into on-field adjustments while balancing rigorous academic responsibilities and team leadership standards
- Analyze opponent tendencies through structured film study and position-group review, reinforcing play recognition and defensive alignment while contributing to cohesive unit execution in a nationally competitive Division III football program

Big Brothers Big Sisters of Eastern Massachusetts

Big Brother & Youth Mentor, Somerville Neighborhood School

Somerville, MA

Sep 2025 – Present

- Provide weekly 1:1 mentorship to an elementary student, designing structured academic and social-emotional development sessions that reinforce confidence, goal setting, and classroom engagement while serving as a consistent collegiate role model
- Coordinate with BBBS program staff and school personnel to track progress, adapt activity plans, and address behavioral or academic needs, strengthening accountability across stakeholders and supporting measurable long-term youth development outcomes

United States Army ROTC

MS1 Cadet and Scholarship Recipient

Cambridge, MA

Aug 2025 – Present

- Selected for a competitive national Army ROTC scholarship and train within the MIT Paul Revere Battalion, developing foundational leadership and tactical decision-making skills through weekly military science instruction, physical readiness training, and field exercises
- Apply structured leadership frameworks during drills and team-based simulations, strengthening communication under pressure, situational awareness, and accountability while operating in high-performance environments that demand discipline and adaptability

ADDITIONAL SKILLS & INTERESTS

Skills: Microsoft Excel, Microsoft Power point, Microsoft Word, Leadership, Collaboration, Critical thinking

Interests: Philadelphia Sports Fan, Steak Connoisseur, Car Enthusiast, Brazilian Jui Jitsu, Golfing, Skiing

EDUCATION

Cornell University

Ithaca, NY

Bachelor of Science in Mechanical Engineering | Minor in Business for Engineers

Expected Graduation: May 2029

- **Honors/Awards:** NCAA Division 1 Student-Athlete (Track & Field), Dutch Track & Field National Champions
- **Additional Coursework:** Preparatory Courses in Science and Engineering at Delft University of Technology
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (*to be completed by June 2026*)

PROFESSIONAL EXPERIENCE

Morgan Stanley

Remote

MAP Investment Banking Fellow; Team Captain

Mar 2026 – Present

Selected Transaction Experience

- Mercury — *Digital Banking & AI-Enabled Financial Operations Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams, building the foundation for Mercury by defining its fintech platform/revenue model/customer base to guide downstream work
 - Sized Mercury's opportunity using ~\$758B AI TAM, ~\$174B software SAM and ~\$3–4B SOM, synthesizing 4+ sources to assess demand across AI automation, vertical SaaS + cloud data infrastructure, strengthening market framing + grounding thesis
 - Evaluated Mercury's positioning against 4+ peers including Brex, Ramp and Rho, analyzing differentiation in deposit-led banking, AI tooling and global founder access while identifying risks around rate sensitivity and regulation to improve strategy

Delft University of Technology | Pre University Program

Remote

Student

Nov 2023 – May 2024

- Completed a 3-module pre-university program in science and engineering covering wind energy, prosthetics and biological chip design, building technical foundations and problem-solving skills across interdisciplinary engineering topics and project-based coursework
- Created a working hand prosthesis model using CAD and was selected for on-site work sessions in Delft, Netherlands, demonstrating strong project performance, technical initiative and readiness for advanced collaborative engineering environments abroad

SNSM (French National Society of Sea Rescuers)

Brittany, France

Intern

Jun 2023 – Jul 2023

- Supported rescue base operations by helping install new launch rails for rescue boats, improving equipment readiness and strengthening understanding of maritime infrastructure, safety procedures and mission-critical operations in a fast-paced environment
- Assisted with design projects and participated in 1 mock rescue mission, gaining hands-on exposure to emergency response coordination, teamwork and problem-solving while contributing to preparedness efforts for active sea rescue operations

UPenn Social Innovators Program

Remote

Participant

Mar 2023 – Jun 2023

- Completed a 12-week entrepreneurship program led by Upenn, gaining hands-on experience in venture creation, customer discovery and social impact strategy while strengthening problem-solving skills and understanding of how to launch mission-driven businesses
- Designed and marketed 1 adaptive running spike sole for athletes with minor disabilities, conducting product research and user-focused validation that earned program certification and increased knowledge of early-stage product development skills

LEADERSHIP & COMMUNITY DEVELOPMENT

Cornell University Track & Field

Ithaca, NY

Varsity Athlete

Aug 2025 – Present

- Compete as an NCAA Division I mid-distance athlete for Cornell Track & Cross Country, performing in a high-level collegiate environment that builds resilience, competitive discipline and consistent execution across training and race settings each season
- Dedicate 25+ hours weekly to training, competition and recovery alongside rigorous academics, demonstrating strong time management, accountability and the ability to balance demanding athletic and academic responsibilities throughout the year

Bank of America

Remote

Investment Banking Fellow

Jan 2026 – Feb 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Bank of America-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance
- Competed against 654 fellows through 3 mock interviews, delivering structured responses across leadership, teamwork and conflict scenarios while improving executive presence, composure and communication in fast-paced/high pressure interview environments

Community Service Projects

Tuba City, AZ | Waco, TX

Vice President

Mar 2023 – Mar 2024

- Completed week-long service projects supporting rural communities on a Navajo ranch and Texas farm, contributing hands-on labor that strengthened local operations/community relationships/understanding of service in resource-constrained environments in 2 states
- Helped dig irrigation trenches, build field fencing and assist with planting initiatives, improving land functionality and daily productivity while developing teamwork, adaptability and a strong service mindset through physically demanding outdoor projects

NON-TECHNICAL SKILLS & INTERESTS

Skills and Languages: Fluent in Dutch, French and English. Intermediate proficiency in Spanish

Interests: Engineering (Automobile and Aerospace), Finance, Cycling, Rugby, Travelling (Grew up in Algeria, Malaysia, England, USA)

Providence, RI

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **ACT:** 34
- **Honors/Awards:** NCAA Division 1 Student-Athlete (Men's Crew), Eagle Scout, Recipient of Special Congressional Recognition for Eagle Scout Project, Youth National Champion (Crew), 2025, ISR NROTC-Scholarship (United States Navy, 1 of 100)
- **Relevant Courses:** Mgmt. of Industrial & Non-Profit Organizations, Multivariable Calculus, Equilibrium Rate and Structure
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (completed 05/2026)

PROFESSIONAL EXPERIENCE

Bank of America

MAP Investment Banking Fellow

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- Omada Health — *Digital Chronic Care Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Built team's financial model for Omada Health, including income statement, balance sheet, and cash flow projections with revenue growth scenarios benchmarked against digital health peers while applying a 12% WACC to strengthen financial visibility
 - Constructed valuation framework testing revenue growth deceleration from 51% to 20% and SG&A leverage from 38% to 25% of revenue, modeling sensitivity across operating assumptions to assess enterprise value impact & strengthen investment analysis
 - Evaluated 3 key risks including payer concentration, regulatory exposure, and digital health competition while proposing 5+ mitigation strategies (i.e., enterprise contracting, multi-condition bundling), strengthening strategic positioning for acquisition

RowAmerica Rye

Varsity Boys Rowing Coach

Rye, NY

Sep 2024 – Sep 2025

- Coached 125+ athletes across Varsity, Novice, and Middle School programs, leading strength training and on-water technical development while helping expand middle school enrollment by 40%, strengthening the long-term competitive pipeline for crew team
- Managed maintenance and safety oversight for 50+ rowing shells, 150+ oars, and 14 launches, optimizing storage systems and performing repairs to exceed US Rowing and Coast Guard safety standards, resulting in zero serious incidents during tenure

Gericke Group

Intern

Regensdorf, Switzerland

Aug 2024 – Sep 2024

- Completed material processing trials for 3 industrial clients, assembling machines to customer specifications and rigging systems to match factory layouts, contributing to successful customer adoption of Gericke powder processing solutions within complex systems
- Sourced and evaluated 8 new sheet-metal suppliers using AI-assisted research, strengthening Gericke USA's fabrication network and improving manufacturing cost efficiency while ensuring compliance with strict engineering standards across multiple requirements

Larchmont Manor Beach

Red Cross Certified Lifeguard (Seasonal)

Larchmont, NY

Jun 2022 – Sep 2023

- Supervised 250+ beach patrons per shift while maintaining continuous surveillance, leading 4 water rescues and administering first aid to ensure swimmer safety in high-risk aquatic environments during peak summer operations and crowded public beach conditions
- Assisted management in training 10+ new lifeguards on rescue procedures and safety compliance, reinforcing operational standards and being identified by leadership as a candidate for future Head Guard responsibilities during upcoming summer leadership rotations

LEADERSHIP & COMMUNITY DEVELOPMENT

Brown Men's Crew

NCAA Division 1 Student-Athlete

Providence, RI

Aug 2025 – Present

- Balance a full academic course load with 25+ weekly training hours across on-water sessions, strength conditioning, and travel, strengthening discipline & time management while maintaining strong academic and athletic performance throughout the crew season
- Develop leadership and teamwork through daily training and competition with 30+ teammates, applying coaching feedback and self-analysis to refine technique, communication, and collective execution during collegiate racing preparation for regatta competitions

Boy Scouts of America

Eagle Scout

Larchmont, NY

May 2024 – Present

- Led Eagle Scout service project restoring Monarch butterfly habitat by coordinating with 3+ government and environmental organizations, constructing pollinator planter infrastructure & contributing 150+ personal service hours within a 300+ hour project
- Served in troop leadership roles including Troop Guide, mentoring 10+ new scouts and tracking advancement progress through structured planning tools, helping achieve 100% advancement to Tenderfoot rank for new members, a troop first

RowAmerica Rye

Varsity Oarsman

Rye, NY

Sep 2022 – Jun 2025

- Committed 20+ hours weekly to rowing training while maintaining a 4.0 unweighted GPA, earning 30+ regatta medals, 1 Head of the Charles title, and contributing to 3 Youth National Championship victories while competing in elite national regatta circuits
- Led by example through 3+ additional weekly training hours focused on technique refinement and strength development, supporting teammates with technical adjustments and fostering a high-performance culture across multiple varsity boats

- **Cumulative GPA:** 4.0/4.0 | **ACT:** 35
- **Honors/Awards:** Head of School List, AP Scholar with Distinction, Sociedad Honoraria Hispánica, Duff Tyler Spirit Award
- **Relevant Courses:** Financial Accounting, Elements of Macroeconomics, Elements of Microeconomics, Business Foundations
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (completed 05/2026)

PROFESSIONAL EXPERIENCE

Searchlight Capital

Incoming Private Equity Summer Analyst

New York, NY

Jun 2026 – Aug 2026

- Joining a generalist team at a \$17B+ AUM middle-market PE firm investing across North America and Europe, preparing to support screening, diligence, and financial evaluations that strengthen clarity, structure, and analytical readiness for upcoming deal cycles
- Expected to contribute to cross-functional deal execution by assessing opportunities in telecom and media, coordinating with investment teams, and synthesizing research inputs, improving strategic insight and overall preparation for summer deal workflows

Bank of America

MAP Investment Banking Fellow; Team Captain

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#) | [Final Recommendation](#)

- HST Pathways — *ASC-Focused Healthcare SaaS Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led the Initiation Phase as 1/15 captains (~2%) from 654 fellows, directing a deal team of 5 through ~5 research sprints/week to evaluate HST Pathways' position as an emerging healthcare co., culminating in a live virtual presentation to BofA on 3/23/26
 - Sized Global Healthcare TAM at ~\$8.9T (2025) with 4.9% CAGR to 2030, U.S. Value-Based SAM at ~\$4.3T, and Specialty Care SOM at ~\$100B, prioritizing Healthcare Services, HealthTech, and Biomedical Tools to anchor growth durability and relevance
 - Built a company snapshot/investment thesis by modeling 97% retention, 75% gross margins, and tiered SaaS pricing (\$500–\$15K/month), benchmarking against ~5 peers (Surgical Information Systems, ModMed, and Nextech) to narrow focus

Vertical Bridge

Mergers and Acquisitions Summer Intern

Boca Raton, FL

Jun 2025 – Aug 2025

- Supported the M&A group at the largest private tower company in the U.S. (17,000+ sites) by analyzing leases, financials, and operational data across two live buy-side deals, strengthening diligence rigor and data reliability for ongoing transaction decisions
- Built financial models for GLBOs and tower acquisitions and presented deal insights during investment-committee sessions, improving analytical precision, communication flow, and overall contribution to an active tower-infrastructure pipeline

12AM Tutoring Services

Student Tutor

Boca Raton, FL

Jun 2023 – Aug 2025

- Coached 3–5 students weekly across multiple subjects by developing individualized learning plans and tracking progress through 1–2 structured sessions per week, strengthening academic confidence, consistency, and sustained study habits across diverse learning needs
- Scheduled 10+ client sessions/week, managed billing, and adapted instruction for varying abilities, improving reliability, communication & overall quality of personalized academic support across recurring tutoring engagements within the local community

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Johns Hopkins University Varsity Football

NCAA Division III Athlete, Defensive End

Baltimore, MD

Aug 2025 – Present

- Compete 20+ hrs/week in a Division III semifinalist program by balancing practice, film, lifts, and academics while refining technique across multi-phase training cycles, strengthening discipline, situational awareness & consistent execution in high-pressure environments

Johns Hopkins Institute for Applied Economics

Research Assistant, Economic Intelligence Group

Baltimore, MD

Aug 2025 – Present

- Conduct 15+ hrs/week of research under Professor Steve Hanke by drafting monthly macro and geopolitical memoranda and producing daily market-trend briefs for an audience of 800K+, strengthening analytical clarity, communication & public-facing insights

Johns Hopkins University Student-Athlete Advisory Committee

Team Representative

Baltimore, MD

Aug 2025 – Present

- Represent 700+ student-athletes across 24 varsity programs by voting on NCAA initiatives, communicating team needs, and participating in monthly meetings on mental-health resources, strengthening policy awareness, and long-term student-athlete advocacy

Blue Jays for Baltimore

Member

Baltimore, MD

Aug 2025 – Present

- Volunteer with a student-led nonprofit by coordinating mentorship and athletic-based programs for underserved youth and engaging partners and philanthropic supporters to secure funding, strengthening outreach reliability, community bonds, and program visibility

ADDITIONAL SKILLS & INTERESTS

Skills: Microsoft Office, Java (Intermediate), Spanish (Intermediate Conversational)

Certifications: Harvard College Data Science with a Focus on Visualization, Bloomberg Market Concepts

Interests: Arsenal Soccer, Biking, Coding, Poker, Hiking, Swimming, Traveling, Skiing, San Francisco Sports

Ethan L. Taylor

EDUCATION

University of Chicago

Bachelor of Arts in Economics and Psychology | Business Specialization

Chicago, IL

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **SAT:** 1530
- **Relevant Courses:** Mathematical Methods for Economic Analysis, Microeconomics, Macroeconomics (Q3), Investments (Q3)
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Marvell Technology — *AI Infrastructure Semiconductor Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Planning Phase for a Morgan Stanley-style case, analyzing Marvell's financial profile across 5+ inputs including revenue composition, capital structure & key KPIs to set direction for deal team of 5
 - Developed 4+ core exhibits highlighting \$8.2B FY2026 revenue, 40%+ growth and heavy data-center exposure, framing how AI infrastructure demand and custom silicon trends impact scalability, margins & overall financial performance across key segments
 - Established 5+ priority diligence areas including customer concentration, margin compression risk, leverage profile and sustainability of AI-driven growth, equipping the team to challenge assumptions & refine the investment narrative/overall thesis

Self-Employed | Private Swim Instruction

Private Swim Instructor

Lafayette, CA

May 2025 – Sep 2025

- Built and managed a recurring client base of 10+ swimmers through referrals, coordinating schedules and payments while delivering 3+ weekly customized lessons that balanced safety with measurable skill development and strengthened client retention across summer
- Designed individualized programs for 10+ up-and-coming athletes, improving water confidence, endurance and stroke mechanics, enabling consistent full-length pool swimming while tracking progress and adjusting instruction to optimize performance & safety

WiseBatch

Research & Marketing Intern

Walnut Creek, CA

May 2024 – Aug 2024

- Conducted outreach to 30+ colleges and sheriff offices, analyzing program structures, test strip adoption and data practices to identify gaps, strengthen targeting strategy and increase awareness of WiseBatch's harm-reduction solutions across underserved regions/areas
- Helped secure 15+ partnerships with community programs and advocacy groups by supporting research, outreach and messaging, driving adoption of fentanyl test strips and expanding access to evidence-based safety tools across multiple sites in Greater California

LEADERSHIP & COMMUNITY DEVELOPMENT

University of Chicago Swim Team

Varsity Student-Athlete

Chicago, IL

Aug 2025 – Present

- Train 20+ hours weekly alongside academics, demonstrating discipline, time management and collaboration while competing at a high level and contributing to team success across dual meets/championship events throughout the season against nationally ranked teams
- Achieved 3x UAA Conference Champion, 4x NCAA DIII National Finalist and 2x NCAA silver medalist honors, reflecting sustained elite performance, competitive consistency and execution under pressure at the national level across multiple championship meets

American Cancer Society (ACS)

Chapter Founder

Moraga, CA

Sep 2023 – Sep 2025

- Founded and led a 30+ member ACS chapter, organizing 5+ outreach events and initiatives to expand community engagement, increase awareness and strengthen participation in cancer-related advocacy and fundraising efforts across the school/local community
- Coordinated 5+ campus events and served in Cancer Action Network, supporting national health initiatives and policy advocacy while managing logistics, promotion and stakeholder communication to maximize local impact and drive sustained community involvement

Orinda Aquatics

Varsity Student-Athlete

Moraga, CA

Aug 2023 – Sep 2025

- Balanced 17+ hours weekly of training with academics while serving as dryland captain, mentoring 10+ younger athletes and strengthening team accountability, communication and performance across practices and competitions throughout demanding cycles
- Achieved 5+ elite honors including Speedo Summer Nationals Finalist, Toyota US Open qualifier and multiple championship titles, demonstrating consistent high-level performance across regional and national competitions against highly ranked swimmers statewide

East Bay Sea Serpents

Volunteer Coach

Walnut Creek, CA

Jun 2024 – Jun 2025

- Coached 15+ special needs athletes, adapting instruction to varying abilities while maintaining safety, improving engagement and supporting skill development across multiple training sessions through patient communication and personalized coaching approaches
- Helped manage weekly practices for 80+ athletes, coordinating with 5+ coaches to optimize session structure, improve operational efficiency & deliver consistent, high-quality programming across the team while maintaining organized practices + athlete engagement

NON-TECHNICAL SKILLS & INTERESTS

Skills and Language(s): Python Fundamentals, Excel, PowerPoint, Adaptability, Strategic Thinking, Client Communication

Programs: Quantum Business, Innovation, and Technology (QUBIT) | **Interests:** Piano, philosophy, astronomy, swimming, tea culture

- **Honors/Awards:** NCAA Division I Student-Athlete (Men's Varsity Soccer)
- **Relevant Courses:** Microeconomics, Mathematical Methods for Economists, Political Game Theory
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Thi Investments

Incoming Private Equity Intern

Stuttgart, Germany

Jun 2026 – Aug 2026

- Expected to analyze European mid-market investment opportunities across multiple sectors through financial modeling, acquisition evaluation and value-creation analysis supporting investment decisions, strategic initiatives and potential portfolio exits for Summer '26

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Chai Discovery — *AI-Driven Drug Discovery Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the full Execution Phase for a deal team of 5, developing valuation frameworks transaction benchmarking/downside-risk analysis across ~20 deliverables to recommend Chai Discovery as an acquisition target
 - Researched 5+ AI-biotech mergers, funding rounds and public market comparables, evaluating revenue ramp assumptions, cash-burn trajectories + commercialization timelines across Recursion, Schrödinger & Exscientia to reinforce investment thesis
 - Synthesized insights from 15+ biotech, capital markets and institutional research sources, analyzing competitive positioning, drug-development scalability/break-even sensitivity scenarios to strengthen conviction behind the team's final recommendation

Benten Capital

M&A Intern

Stuttgart, Germany

Dec 2025 – Jan 2026

- Supported 2 live sell-side M&A transactions across infrastructure and technology sectors, conducting domestic and international market research, investor analysis & competitive benchmarking that strengthened transaction positioning + buyer outreach preparation
- Built financial analyses and contributed to investor materials, management presentations and information memoranda across multiple client mandates, partnering directly with senior deal teams to improve workshop execution and overall transaction-readiness quality

Dr. Maier + Partner

Research & Consulting Intern

Stuttgart, Germany

Jun 2025 – Jul 2025

- Supported national and international executive search mandates through structured company research, candidate sourcing and target-list development across 20+ organizations, strengthening consultant outreach efficiency/executive talent identification processes
- Executed candidate screening, outreach and initial interview processes across multiple recruiting workstreams, preparing shortlists and structured documentation that improved communication transparency and supported higher-quality client recommendation decisions

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Princeton Varsity Men's Soccer

Varsity Student-Athlete

Princeton, NJ

Sep 2025 – Present

- Contributed to Princeton's 2025 Ivy League Regular Season and Tournament Championship teams, appearing in 16 of 19 NCAA D1 matches while strengthening consistency, accountability and execution within high-pressure competitive environments at Princeton
- Earned All-American Team of the Week honors in Oct. 2025 while balancing 25+ hours/week of Division I training, travel and competition alongside a full academic workload, demonstrating strong discipline/sustained high-performance throughout the season

Princeton University Real Estate Club

Active Member

Princeton, NJ

Sep 2025 – Present

- Participate in recurring member meetings and alumni presentations featuring professionals from 5+ real estate firms, strengthening industry knowledge, networking capabilities and exposure to investment, acquisitions and development-focused career pathways

Athletes in Action

Active Member

Princeton, NJ

Sep 2025 – Present

- Participate in weekly leadership and community-building meetings alongside 10+ Princeton varsity athletes, fostering accountability, collaboration and peer mentorship through shared discussions around athletics, academics and long-term personal development
- Contribute to team bonding activities and experience-sharing sessions across multiple athletic programs, strengthening interpersonal communication, relationship-building and leadership skills within Princeton's broader student-athlete and campus community

SKILLS & INTERESTS

- **Language(s):** German, English
- **Skills:** Microsoft Office, AI, Data Analysis

Mar 2026 – Present

Selected Transaction Experience

- Cursor — *AI-Native Developer Tools Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams to evaluate software/AI-driven acquisition targets for a prospective PE client and deliver a live investment recommendation on 6/8
 - Evaluated Cursor's competitive positioning against 4+ platforms including GitHub Copilot and Replit, assessing differentiation, execution risks & scalability challenges while developing mitigation strategies that improved team's long-term thesis defensibility
 - Sized market opportunity using ~\$1.76T TAM, ~\$393B–\$2T+ AI SAM and ~\$500M SOM, synthesizing 3+ sources to evaluate growth drivers, adoption trends and cost constraints, strengthening clarity + grounding the investment thesis in real assumptions

Charles R. Blyth Fund

Analyst

Stanford, CA

Jan 2026 – Present

- Perform stock research and financial analysis across the industrials and materials sectors for an investment fund managing ~\$270K AUM, generating actionable insights that strengthen security selection, portfolio positioning and long-term capital allocation decisions
- Participate in weekly pitch meetings to recommend increase, hold or exit decisions, including presenting AeroVironment with competitive and sector analysis that improved overall discussion quality and evidence-based decision-making across portfolio reviews

Nanoseed Foundation

Operations Associate

Remote | Hunan, China

Nov 2023 – Feb 2024

- Interviewed 30+ low-income individuals in Hunan, China to evaluate business experience, growth potential and repayment readiness, selecting 5 entrepreneurs for \$1K-\$2K microloans that advanced self-sufficiency & expanded access to small-business opportunities
- Structured business plans with timelines, budgeting and revenue forecasts while researching demand, vendor options and pricing strategies, protecting early-stage margins and increasing confidence in sustainable long-term loan repayment outcomes/opportunities

LEADERSHIP & COMMUNITY DEVELOPMENT

Stanford Varsity Fencing

NCAA Division I Student-Athlete; Starting Team Member

Stanford, CA

Sep 2025 – Present

- Dedicate 20+ hours weekly to rigorous training, competition and full-time academics, demonstrating elite time management, resilience and consistent performance under pressure within a high-achieving Division I environment across practices, travel and preparation
- Finished the regular season with the highest power ranking in the Western Region across 10+ matches, delivering reliable results in lineup competition that strengthened team seeding, dual-meet success and Stanford's overall competitive standing throughout the year

Stanford Athletes in Finance

Analyst

Stanford, CA

Sep 2025 – Present

- Built practice valuation models from 10-K and 10-Q filings across 5+ companies, comparing trading multiples and financial performance to strengthen technical fluency and overall level of preparation for competitive finance/banking recruiting opportunities
- Engage in weekly analyst sessions covering financial statement analysis, valuation methods and current market themes, applying lessons through case discussions that improved investment judgment, communication skills and confidence in technical interviews

Bank of America

Investment Banking Fellow

Remote

Jan 2026 – Feb 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Bank of America-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance

Berkeley Business Academy for Youth

Entrepreneurship Program Participant

Berkeley, CA

Jul 2023 – Aug 2023

- Developed a startup concept for an AI-gamified learning assistant targeting students ages 14-24, conducting market research and 10+ user interviews that validated demand, refined product positioning and strengthened entrepreneurial problem-solving skills
- Built a financial model featuring subscription and ad-based revenue streams with a \$1M valuation while designing core features like rewards, leaderboards and LMS integration, deepening understanding of startup economics, product strategy and investor expectations

NON-TECHNICAL SKILLS & INTERESTS

Skills/Language(s): Python, Customer Service, Communication, Project Planning, Fluent in Chinese

Interests: Creative Writing, Crochet, Golf, Food and Nutrition

[Selected Transaction Experience](#) | [Pitch Book](#) | [Client Presentation](#)

- HST Pathways — *ASC-Focused Healthcare SaaS Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Ranked in the top 12% (75/654) of a national IB fellowship for NCAA athletes, analyzing 5–7 emerging healthcare companies and synthesizing 10+ project deliverables into a BofAA-style pitch deck and 1-page fact sheet against a 5-week project deadline
 - Built Execution Phase financial model translating strategy into quantitative analysis, constructing 5-year operating projections & full 3-statement model (IS, BS, CFS) with sensitivity testing across key assumptions, creating the analytical foundation for team
 - Modeled HST Pathway's ASC software growth trajectory using penetration, pricing, and upsell drivers to test sustainability of ~28% projected revenue CAGR, linking industry structure, switching costs + expansion strategy to long-term revenue outcome
 - Evaluated 3 execution risks including duopoly disruption, TAM saturation, and healthcare regulatory exposure while outlining mitigation strategies such as module expansion, international ASC entry, and scalable SaaS compliance updates for final thesis

LEADERSHIP & COMMUNITY DEVELOPMENT

Stanford University, Division I Varsity Squash Team

NCAA Division 1 Student-Athlete

Stanford, CA

Aug 2025 – Present

- Compete on a Top-3 nationally ranked NCAA Division I squash team, balancing high-performance training and travel while contributing to team preparation, match execution & competitive results in collegiate tournament play against nationally ranked teams
- Maintain a 4.0 GPA while managing 20+ hours/week of training, conditioning, and competition, demonstrating discipline, time management, and resilience required to perform at an elite academic/athletic level within Stanford's demanding academic environment

People's Action Party

Interviewer and Writer at Meet the People Sessions

Singapore

Jan 2022 – Sep 2025

- Interviewed 100+ residents facing complex personal, financial, and legal challenges, synthesizing unstructured case information into clear written briefs supporting elected officials' case evaluation and constituent assistance efforts during weekly feedback sessions
- Drafted structured case summaries and follow-up documentation translating resident concerns into actionable requests, strengthening communication between constituents, government agencies, and policymakers during weekly public service sessions across Singapore

Singapore National Squash Association

Athlete, National Team Captain

Singapore

Aug 2016 – Aug 2025

- Represented Singapore in international squash competitions, achieving Top 25 globally at the U19 World Junior Individual Championships, 11th at the World Junior Team Championships, and 1st at the Singapore Professional Squash Satellite Open, et al.
- Sustained elite national performance as a 4× National Girls U19 Champion and 3× National Women's Open Runner-Up, demonstrating long-term competitive excellence while serving as national team captain + leading teammates through international play

Anglo-Chinese School (Independent), Student Council

Chairperson of 2024 ACSplash

Singapore

Mar 2023 – Jun 2024

- Led end-to-end planning and execution of ACSplash, a 2,500-attendee school-wide event, managing a \$6K operating budget, coordinating cross-functional student teams, and delivering a program recognized by school leadership as the most well-executed event
- Directed 20+ student volunteers across logistics, programming, and communications workstreams, building operational timelines and vendor coordination processes that ensured seamless event delivery and high participation across the school community

- Omada Health — *Digital Chronic Care Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led the Control Phase investment thesis on Omada Health, owning 10+ deliverables across 2.5 months while synthesizing healthcare spending trends (\$5.3T U.S. market/18% of GDP) & multi-condition platform strategy to evaluate future investment
 - Built valuation framework comparing Omada's 2.1x LTM revenue multiple against digital health peers trading near 3–4x, analyzing EBITDA expansion from 12.5% to 35% & projecting intrinsic value near \$1B EV, highlighting 50%+ upside potential
 - Identified 4 catalysts including profitability inflection in 2025–2026 and renewed healthtech M&A activity while evaluating payer concentration risk and proposing diversification through enterprise contracts, strengthening downside visibility for BofA

The I.D. Group, Inc.

Architectural Intern

Downers Grove, IL

Jun 2025 – Aug 2025

- Organized and digitized 200+ client files, vendor catalogs, and architectural drawings within the firm's materials library, improving document accessibility and workflow efficiency for project teams managing active design and construction engagements
- Supported administrative finance and procurement tasks by contacting 15+ vendors for pricing and order confirmations while assisting with basic bookkeeping and invoice tracking, strengthening cost visibility + coordination across ongoing architectural projects

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Harvard Men's XC / T&F

NCAA Division 1 Student-Athlete

Cambridge, MA

Aug 2025 – Present

- Compete as a varsity cross country and track athlete at Harvard while balancing a rigorous Economics curriculum (GPA 3.58), contributing as a top-7 freshman runner and competing in all regular-season meets and the NCAA National Championship meet
- Manage 20+ hours per week of training, travel, and competition alongside coursework in economics and statistics, translating data-driven performance analysis and race strategy into consistent team contributions and execution in high-pressure environments

DGN High School Investment Club

Member

Downers Grove, IL

Sep 2021 – Aug 2025

- Analyzed equity and fixed income markets across 10+ public companies and bond issuers, constructing balanced model portfolios that tracked sector exposure, risk diversification, and weekly return performance to strengthen investment analysis skills
- Monitored portfolio performance and macroeconomic trends through weekly return tracking and market discussions, synthesizing research into structured investment perspectives that improved decision making within the club's simulated portfolio

Christ Church of Oak Brook

Usher

Oak Brook, IL

Jun 2015 – Jun 2025

- Assisted Sunday service operations by supporting the ushering team during weekly services, guiding 100+ attendees to seating, distributing materials, and coordinating offering collection to ensure organized service flow + welcoming environment for congregants
- Provided guest support by assisting elderly attendees with seating and answering general questions while distributing church programs and brochures, strengthening hospitality standards and improving the overall service experience for parish members and visitors

Ukrainian Humanitarian Aid Fundraising Event

Co-Founder

Downers Grove, IL

Mar 2022 – Jun 2022

- Co-founded a community fundraising initiative supporting humanitarian relief for Ukraine, coordinating volunteers, event logistics, and outreach efforts to mobilize local participation and strengthen awareness of international humanitarian needs
- Organized donation drives and community engagement efforts by collaborating with volunteers and local supporters, facilitating fundraising activities that increased contributions and expanded community involvement in humanitarian support initiatives

SKILLS & INTERESTS

Languages: English, primary | Spanish, secondary

Interests: Travel: Deep desire to learn about other cultures and seeing different landscapes. Traveled to 15+ US States (and counting!), Paris 2024 Olympics, England, Canada, Mexico, & Greece. I hope to study in London in the summer of 2026.

EDUCATION

Johns Hopkins University

Bachelor of Science in Biomedical Engineering

Baltimore, MD

Expected Graduation: May 2029

- **Cumulative GPA:** 3.32/4.0 | **ACT:** 33
- **Honors/Awards:** Varsity Cross Country & Track + Field Athlete, Admitted to competitive Biomedical Engineering program
- **Relevant Courses:** Linear Algebra, Design Cornerstone, Gateway Computing; Python
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Stripe — *Global Payments & Financial Infrastructure Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1 of 75 NCAA athletes (~20%) to lead the Control Phase for a 5-person deal team, recommending Stripe as a potential acquisition for a simulated PE client while refining and delivering a final presentation live to MS bankers on 6/8/2026
 - Evaluated 2 major fintech growth drivers supporting Stripe's long-term positioning, analyzing ~\$1.9T in 2025 payment volume (+34% YoY), 5M+ platform businesses & expansion into higher-margin services including billing, tax + financial infrastructure
 - Assessed 3 enterprise competition and pricing-pressure risks across the payments landscape, evaluating Stripe's platform integration depth/merchant-retention dynamics/bundled-service strategy while developing ~5 mitigants tied to switching costs

Wildbait Devices LLC

Team Leader

Fort Collins, CO

May 2024 – Present

- Formed an LLC and developed a wildlife device dispensing rabies-vaccine bait to raccoons, collaborating with 2+ government agencies to test product performance across Indiana and Pennsylvania through field trials and trail-camera data collection initiatives
- Partner with government stakeholders and wildlife-testing teams to evaluate bait-dispensing device effectiveness, collecting operational data through trail-camera monitoring while supporting future commercialization efforts & maintaining relationships with future buyers

Dog Services

Self-Employed Trainer (Seasonal)

Fort Collins, CO

Apr 2020 – Present

- Provided training and behavioral support services for 15+ neighborhood dogs, strengthening communication, adaptability and client-service skills while tailoring care approaches to different breeds, temperaments and long-term developmental needs for each dog
- Managed all aspects of dog care for 2 months while owners were out of state or away, including grooming, feeding and daily supervision for hypoallergenic breeds requiring specialized maintenance and consistent attention to health/safety routine care practices

Dartmouth Joint Science Education Project

Research Assistant

Hanover, NH

Jun 2025 – Jul 2025

- Collaborated with graduate students across biology and Arctic-science disciplines during a 6-week Dartmouth research program, strengthening laboratory and field-research skills while contributing to ongoing environmental and ecological research initiatives
- Researched arthropod abundance across multiple moss species through hands-on ecological fieldwork, collecting observational data and supporting graduate-level projects focused on environmental analysis, biological systems, and Arctic ecosystem research methods

LEADERSHIP & COMMUNITY DEVELOPMENT

American Red Cross

Member

Baltimore, MD

Aug 2025 – Present

- Volunteered at 5+ blood drives supporting donor registration and participant comfort, strengthening communication and community-service skills while contributing to healthcare-focused outreach and operational support initiatives across local events
- Earned CPR certification through American Red Cross emergency-response training, strengthening preparedness, teamwork and crisis-management capabilities applicable to 10+ medical-support/community-service environments during volunteer/outreach efforts

Plast USA Ukrainian Scouting Organization

Scout, Scout Leader

Buffalo, NY

Feb 2014 – Present

- Completed a solo 72-hour wilderness survival assessment while progressing toward the Eagle Scout Award, strengthening resilience, leadership & outdoor problem-solving skills through long-term participation in Ukrainian scouting + cultural-development programs
- Planned and led large-scale scouting events including a camp Olympiad for 60 participants and cultural-history programming for 80 scouts, strengthening organizational leadership, event-management and communication skills within multilingual team environments

Civil Air Patrol (Junior Civilian Auxiliary of U.S. Air Force)

Cadet Leader

Fort Collins, CO

May 2021 – May 2025

- Advanced through 10 cadet ranks to the Chief Master Sergeant leadership position, supporting search-and-rescue missions and volunteering at major aviation events including USAFA graduation ceremonies and Wings of Wyoming community outreach initiatives
- Served as a Mission Radio Operator supporting search-and-rescue responses for lost hikers, medical transport and downed aircraft scenarios, strengthening communication, emergency-response/operational-coordination skills within high-pressure field environments

NON-TECHNICAL SKILLS & INTERESTS

Language(s): Spanish, Ukrainian | **Programs:** Microsoft Excel, Python | **Interests:** Skiing, trail running, environmental protection

- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Databricks — *Enterprise Data & AI Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Execution Phase for a 5-person deal team, structuring valuation analysis, precedent transactions and operational risk frameworks across ~5 weekly deliverables to recommend Databricks to MS bankers
 - Assessed 2 cloud and AI infrastructure acquisitions totaling \$43B in enterprise value, analyzing 10x–50x EV/Revenue multiples, strategic synergies & enterprise data-platform demand to strengthen Databricks' positioning + target acquisition-thesis support
 - Produced financial and regulatory analysis using 5+ institutional and capital markets sources, evaluating profitability timing, EU AI compliance risk and competitive pressure across Databricks/Snowflake/Palantir to strengthen team's final recommendation

Chiffles Chips

Intern

Miami, FL

Jun 2024 – Aug 2024

- Worked 8+ hours daily across production, marketing and sales operations, gaining hands-on exposure to product distribution workflows and brand-positioning strategy while strengthening understanding of consumer business operations + supply-chain process
- Assisted with inventory tracking and distribution planning for \$50K+ of product, supporting operational organization and logistics coordination efforts that improved visibility into inventory management and fulfillment decision-making processes company-wide
- Participated in weekly marketing strategy meetings focused on packaging design and social media campaigns, contributing creative ideas and customer-engagement insights that strengthened product imagery and broader consumer-facing brand-development efforts

Lil Abner Foundation

Volunteer Tutor

Miami, FL

Aug 2021 – Jun 2024

- Delivered 1-on-1 tutoring sessions across math, English and science for underserved students, adapting lesson plans and learning strategies that strengthened classroom engagement and long-term academic confidence across multiple subject areas and grade levels
- Tutored 10+ students weekly through personalized 1–2 hour sessions, tailoring teaching methods to different learning styles & approaches while improving subject comprehension/strengthening long-term academic performance across core academic disciplines
- Built strong relationships with students and families through consistent mentorship and academic support, contributing to the foundation's mission of expanding educational opportunities and improving long-term community engagement for underserved youth

LEADERSHIP & COMMUNITY DEVELOPMENT

Emory University | Short Term Investment Group

Founding Member

Atlanta, GA

Oct 2025 – Present

- Co-founded a student investment organization focused on trading strategies and market analysis, helping recruit 30+ members and supporting efforts toward official university recognition through targeted outreach efforts and organizational development initiatives
- Collaborate with founding members to structure long-term organizational goals, recruit professional speakers as guests and develop recurring investment discussions, strengthening leadership, teamwork & foundational exposure to trading/portfolio strategy concepts

Emory University | Varsity Track and Field

NCAA Student-Athlete

Atlanta, GA

Aug 2025 – Present

- Balance 15+ hours/week of Division III sprint training, weightlifting and team workouts alongside a full academic schedule, maintaining discipline, resilience and accountability while remaining actively involved with the team throughout injury recovery process
- Work with coaches and teammates to improve sprint mechanics, conditioning and practice execution through daily training sessions, supporting team operations and strengthening communication and collaboration within competitive collegiate athletics environments

Make-A-Play Foundation

Professional Development Fellow

Remote

Mar 2026 – May 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Morgan Stanley-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance
- Competed against 376 fellows through 3 mock interviews, delivering structured responses across leadership, teamwork and conflict scenarios while improving executive presence, composure and communication in fast-paced/high pressure interview environments

NON-TECHNICAL SKILLS & INTERESTS

Skills: PowerPoint, Excel, R | **Languages:** English (Native), Spanish (Conversational)

Interests: Soccer, Golf, Formula One, Football, Music, Traveling

Joachim R. Johnson

Mobile: +1 (302) 450-6464 | Philadelphia, PA | yajor421@gmail.com | [Linkedin.com/in/joachim-johnson-0b788338b/](https://www.linkedin.com/in/joachim-johnson-0b788338b/)

EDUCATION

Harvard University

Bachelor of Arts in Applied Mathematics & Economics

Cambridge, MA

Expected Graduation: May 2029

- **Cumulative GPA:** 3.56/4.0 | **SAT:** 1340
- **Honors/Awards:** Black Men's Forum, Harvard Men's Track & Field
- **Relevant Coursework:** Calculus I & II, Intro to Microeconomics, Wall Street Prep Accounting & Financial Statement Analysis

PROFESSIONAL EXPERIENCE

Harvard Athletics

Event Staff Member

Cambridge, MA

Sep 2025 – Present

- Support live rugby and basketball operations by managing ball retrieval, floor resets, and on-site logistics across 10+ weekly shifts, strengthening event flow, athlete safety, and the consistency needed to keep high-traffic competitions running smoothly and efficiently
- Coordinate game logistics with 5–8 staff members per event by monitoring sideline activity, resolving real-time issues, and ensuring equipment and machines remain clean, improving operational reliability and the overall quality of Harvard's athletic event experience

Bank of America

MAP Investment Banking Fellow; Team Captain

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#) | [Final Recommendation](#)

- Komodo Health — *Healthcare Data & Analytics Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led the Initiation Phase as 1/15 captains (~2%) from 654 fellows, directing a 5-person deal team through ~5 research sprints/week to recommend Komodo Health as a strategic acquisition, culminating in a final presentation to BofA on 3/23/26
 - Built Industry Snapshot sizing Global Healthcare TAM at ~\$11.0T (2024), U.S. SAM at ~\$3.56T, and U.S. Healthcare Analytics SOM at ~\$21.2B, prioritizing high-growth subsectors (Wearables ~20% CAGR, Retail Clinics ~\$12.5B) to anchor relevance
 - Developed a Company Snapshot modeling ~\$285M 2024 revenue, ~30% YoY growth, and margin expansion (68%→72%), benchmarking Veeva, Definitive Healthcare & HealthVerity while evaluating ~5 integration risks to strengthen recommendation

Excel at Episcopal Academy

Summer Camp Counselor

Newtown Square, PA

Jun 2024 – Aug 2025

- Supervised groups of 15–20 children during outdoor sports, rotations, and sign-in/out procedures while serving as a primary parent contact, strengthening safety, communication clarity & the execution of daily tasks/deliverables/programming across camp operations
- Led sports and recreational activities across 10+ weekly blocks by coordinating games, encouraging teamwork, and resolving interpersonal challenges, enhancing the group's overall engagement, confidence & the overall quality of each camper's daily experience

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Harvard Men's Track & Field

NCAA Division 1 Student-Athlete; High Jumper & Triple Jumper

Cambridge, MA

Sep 2025 – Present

- Compete year-round as a Division I high and triple jumper while ranking #5 on Harvard's all-time indoor list, balancing 20+ weekly training hours with academics to strengthen discipline, performance consistency & long-term athletic development on the track team
- Execute strength, plyometric, and technical sessions across multi-phase training cycles by tracking 5+ jump metrics and refining form with coaches, enhancing precision, competitive readiness, and the long-term sustainability of performance progression year over year

Harvard Black Men's Forum

Member

Cambridge, MA

Sep 2025 – Present

- Participate in weekly Black Men's Forum (BMF) programming focused on identity, leadership, and community development while contributing to 5+ dialogue-based events, strengthening cultural awareness, peer connection, and reflective personal growth at Harvard
- Mentor middle-school boys through the David Walker Scholars program by leading discussions on identity, confidence, and belonging across 10+ sessions, improving youth engagement and supporting consistent personal-development outcomes for younger students

Independent Study on Track & Field Biomechanics

Researcher & Content Creator

Newtown Square, PA

Sep 2024 – Present

- Conduct an independent biomechanics study by analyzing elite-coaching texts and lectures, translating technical concepts into applied training insights that strengthen athlete understanding, technique efficiency, and long-term performance execution for track & field
- Create educational video content for jumpers of all levels and provide individualized feedback to 50+ athletes via social media, improving technical clarity, injury-prevention awareness, and measurable gains in jump mechanics across a diverse set of users globally

Episcopal Academy Varsity Track & Field

Captain; High Jumper & Triple Jumper

Newtown Square, PA

Mar 2022 – Jun 2025

- Served as senior-year captain leading 30+ athletes through practices, meet preparation, and feedback sessions, strengthening team cohesion, competitive focus, and the overall reliability of a consistently high-performing varsity track & field program year-round
- Achieved elite competitive success with 3 All-American honors, 2 state championships, 6 conference titles, and county records while contributing across four seasons, elevating program visibility and sustaining high collective performance standards year after year

ADDITIONAL SKILLS & INTERESTS

Skills: Microsoft Excel, Microsoft Word, Google Workspace | Languages: English (Primary), Spanish (Intermediate)

Interests: Stock and Futures Trading, Mentorship/Youth Development, Formula 1, NFL, NBA, Track, Biomechanics

Programs: 2026 Goldman Sachs Possibilities Series, 2026 Guggenheim Freshman Day on the Job

EDUCATION

Emory University

B.B.A. in Finance | Minor in Artificial Intelligence

Atlanta, GA

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **ACT:** 35
- **Relevant Courses:** Macroeconomics, Microeconomics, Excel Wall Street Prep Accounting & Financial Statement Analysis
- **Supplemental Education:** Fall 2025 London Study-Abroad Program in Partnership with IES Abroad & UCL

PROFESSIONAL EXPERIENCE

Concordia Capital

Investment Banking Intern

New York, NY

Mar 2026 – Present

- Support 3+ software M&A advisory workstreams through buyer-list construction, marketing materials & IOI/LOI drafting execution

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Command Zero — *Agentic AI Security Operations Platform (Tech M&A / Strategic Advisory Simulation)*
 - Led the full Execution Phase modeling for a 5-person deal team recommending Command Zero as a target acquisition for MS
 - Assessed ~5 operational risks using CAC, GRR and pipeline metrics to strengthen final investment thesis delivered live on 6/8

Tatari Systems

Project Finance Intern

Dover, DE

Feb 2026 – Present

- Contribute to ~5 infrastructure project finance analyses involving CapEx/OpEx modeling and tariff/FX rate sensitivities forecasting

Integrus Partners

Investment Banking Intern

Dallas, TX

Aug 2025 – Nov 2025

- Led diligence analysis for a \$9.3M veterinary clinic sell-side mandate, supporting buyer positioning strategy efforts for sponsors
- Documented 6 client calls, synthesizing business highlights and sell-side positioning considerations for buyer outreach preparation
- Built and screened a 4,000+ company healthcare database, sourcing verified owner contacts for deal origination initiatives nationwide

Future Voices Academy

Founder & Head Instructor

Charlotte, NC

Jun 2024 – Jul 2025

- Coached speech and debate to 65 students across 240+ hours, generating ~\$8K in program revenue growth annually
- Managed a 3-person leadership team overseeing operations, curriculum strategy and student recruitment initiatives independently
- Tracked a ~\$2K budget and incorporated feedback from 10 interviews to improve curriculum delivery quality significantly

Duke University Center for Computational Evolutionary Intelligence Lab

Research Assistant

Durham, NC

Jun 2023 – Jul 2023

- Supported a 10-week research initiative at Duke's Computational Evolutionary Intelligence Lab program extensively
- Built 4 neural-network models achieving ~95% pedestrian-detection accuracy for autonomous driving applications research
- Researched deep-learning concepts to improve adaptive object-detection algorithms for real-time vehicle navigation systems

LEADERSHIP & COMMUNITY DEVELOPMENT

Goizueta Investment Management Group

Investment Analyst, TMT

Atlanta, GA

Feb 2026 – Present

- Analyzed and pitched 3 technology equities alongside weekly market updates to the investment committee during meetings
- Built financial models tracking revenue, costs and earnings across a \$400K long-only equity portfolio independently weekly

Recalc Academy

Private Equity Fellow

New York, NY

Dec 2025 – Present

- Collaborated with 4 other fellows to evaluate 6 LBO targets and identify investment theses, risks and priority diligence areas
- Leveraged AI to automate financial modeling within case studies to free capacity for deeper investment analysis and due diligence

Emory University | Men's Varsity Tennis

NCAA Collegiate Athlete

Atlanta, GA

Aug 2025 – Present

- Collaborated monthly with coaches over Zoom while abroad to review 10+ match films and refine singles/doubles tactics strategically
- Coached 4 beginner players through ~40 lessons, building individualized development plans outside team competition independently

Global Delta Securities

Investment Analyst, Technology & Innovation

New York, NY

Dec 2025 – Feb 2026

- Initiated coverage of 4 software technology companies & presented long/short investment theses to the investment committee weekly
- Leveraged Claude for Excel to extract financial data + automate translation of modeling logic into structured Excel analyses efficiently

NON-TECHNICAL SKILLS & INTERESTS

Languages: English, Mandarin Chinese | **Skills:** Claude for Excel, Pitchbook, Refinitiv/LSEG, Microsoft Office | **Programs:** Recalc Academy Finance Accelerator, Goldman Sachs Investment University: Private Equity Strategies, Private Credit Investing | **Additional Activities:** Concert Percussionist & Mentor, Church Worship Team, Atrium Health Volunteer, Speech & Debate | **Honors:** North Carolina All-State Percussionist, President's Volunteer Service Award (Gold), IB Diploma Recipient | **Interests:** NBA All-Time Starting Five, Europe Fall Break Trip (Lisbon, Barcelona, Florence, Venice, Milan, Como), Chess Opening Theory

EDUCATION

Swarthmore College

Bachelor of Arts in Economics | Minor in Mathematics and Computer Science

Swarthmore, PA

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **SAT:** 1470
- **Honors/Awards:** High School Diploma with Designation in Applied Mathematics, First in Merit in Mathematics, and 4.0 GPA
- **Organizations:** NCAA Division III Varsity Women's Soccer, Make-A-Play Foundation, Girls Into Venture Capital, Clarus Capital
- **Relevant Courses:** Intro. to Economics, Politics, Market, and Policy, Multivariable Calculus, Data Structures and Algorithms
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Clarus Capital

Analyst

Swarthmore, PA

Feb 2026 – Present

- Selected as an analyst for Swarthmore's student-run investment fund managing ~\$40K in long-only assets, evaluating macroeconomic trends, industry catalysts and company-specific developments to deliver weekly market updates + strengthen technical skills for finance
- Conducted qualitative industrials research and built football-field valuation analyses to support an investment pitch on NASDAQ: EME, synthesizing market dynamics, valuation methodologies and competitive positioning insights into structured recommendations

Morgan Stanley

MAP Investment Banking Fellow

Remote

Apr 2026 – Jun 2026

Selected Transaction Experience

- Alkami Technologies — Digital Banking SaaS Platform (Tech M&A / Strategic Advisory Simulation)
 - Selected as 1/75 NCAA athletes (~20%) to lead Control Phase for a 5-person deal team, validating Alkami's investment thesis by stress-testing market assumptions/competitive positioning/fintech modernization trends to strengthen final recommendation
 - Analyzed 3 structural fintech tailwinds shaping Alkami's growth outlook, including AI infrastructure monetization, vertical SaaS retention rates of 97–98% and digital banking modernization trends across ~10,000 U.S. community banks and credit unions
 - Evaluated competitive risks tied to the "Big Three" banking-core providers — FIS, Fiserv and Jack Henry — assessing Alkami's API-driven differentiation, frontend modularity & MANTL acquisition strategy using 5+ institutional/industry research sources

Blood Care United (Nonprofit Organization)

Student Visionary & Co-Leader

Rye Brook, NY

Jan 2023 – May 2023

- Participated in a 7-week philanthropic leadership development campaign supporting blood-cancer awareness and patient-care advocacy, coordinating local outreach, fundraising initiatives and community engagement efforts that contributed to \$43K+ raised
- Co-led a 10-person fundraising team that finished 2nd regionally during the Student Visionaries of the Year campaign, strengthening communication, teamwork and organizational leadership skills through event planning, business outreach and donor engagement

LEADERSHIP & COMMUNITY DEVELOPMENT

Swarthmore College | Women's Varsity Soccer

Division III Student-Athlete

Swarthmore, PA

Sep 2025 – Present

- Balance 20+ hours/week of Division III soccer training, travel, weightlifting and competition alongside a rigorous academic workload, demonstrating discipline, resilience and time-management skills while contributing 3 goals + 3 assists across 23 total appearances in Y1
- Competed in all 23 conference and postseason matches during freshman season, collaborating with teammates and coaching staff to execute tactical game plans while strengthening communication, accountability and adaptability in a highly competitive environment

Girls Into Venture Capital

Fellow

Swarthmore, PA

Sep 2025 – Present

- Attend bi-weekly venture capital workshops and industry panels focused on closing the gender gap in finance, developing technical knowledge across founder sourcing, SaaS investing and venture diligence while collaborating with emerging female investors/operators
- Developed a healthcare AI white paper and investment pitch recommending Elysium Labs to Alumni Ventures, analyzing sector trends, medical-device market dynamics and venture-scale opportunities while learning how to develop an investment thesis and present it live

Make-A-Play Foundation

Professional Development Fellow

Remote

Mar 2026 – May 2026

- Selected as 1 of 50 athletes nationwide from 500+ applicants (10% acceptance) for a Morgan Stanley-sponsored investment banking fellowship, completing a 3-week program with 20+ hours of targeted behavioral interview preparation for a career in high-finance
- Competed against 376 fellows through 3 mock interviews, delivering structured responses across leadership, teamwork and conflict scenarios while improving executive presence, composure and communication in fast-paced/high pressure interview environments

NON-TECHNICAL SKILLS & INTERESTS

Skills: Excel (Basic), Google Suite (Sheets, Docs, Slides)

Languages: English (Native), Spanish (Basic)

Interests: Soccer (Midfielder), Golf (10 handicap), Team Impact, Running (training for the Philly half-marathon)

Programs: Java, C, C++

Jan 2026 – May 2026

[Selected Transaction Experience](#) | [Pitch Book](#) | [Client Presentation](#) | [Final Recommendation](#)

- Omada Health — *Digital Chronic Care Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led the Initiation Phase as 1/15 captains (~2%) from 654 fellows, directing a 5-person deal team through ~5 research sprints/week to recommend Omada Health as a strategic acquisition, culminating in a final presentation to BofA on 3/23/26
 - Built an Industry Snapshot modeling Global Healthcare TAM at ~\$11.0T (2024) and estimating Omada's U.S. TAM at ~\$37.8B based on 130M clinically eligible insured lives at ~\$290/member, narrowing to a ~\$5.6B SAM across self-insured populations
 - Formulated a company profile projecting ~\$257M FY2025 revenue across 886K members and modeling pathway to ~\$650–700M revenue at 12% penetration, positioning Omada against industry peers such as Hinge Health, Virta, and Teladoc

SheSpeaks! (Non-Profit Organization) | [Website](#)

Co-founder & Manager

Remote

Jun 2020 – Aug 2025

- Co-founded a bilingual education platform connecting 2,000+ Brazilian girls with English-speaking mentors by evaluating capacity models across 3+ segments and optimizing student-teacher ratios, strengthening operational structure and enabling scalable growth
- Developed a 3-part business plan outlining financial needs, target demographics, and student-teacher ratios while assessing operational capacity across 2,000+ learners, strengthening the program's scalability/resource planning/long-term viability for continued expansion
- Built a bilingual website and led outreach through 2+ partner channels by analyzing engagement from early cohorts and refining messaging across 40+ posts, improving awareness, participation & visibility during the program's initial expansion/development phase

Ransom Everglades Annual Business Challenge

Competition Finalist

Miami, FL

Nov 2023 – Mar 2024

- Developed a business plan for CulturaSphere VR by evaluating 5+ market segments, analyzing 8–10 competitor offerings, and refining assumptions through multi-round judging, advancing to finals and strengthening structured strategic reasoning under pressure
- Presented CulturaSphere VR's operating and financial model at the 2024 SFERE Conference to 20+ judges and educators, synthesizing insights across 3 core value drivers to improve narrative structure, analytical clarity, and evaluator decision-readiness

Key Biscayne Island Volleyball

Paid Assistant Volleyball Coach

Key Biscayne, FL

Aug 2021 – Mar 2024

- Coached 20+ youth athletes by adapting 10–12 weekly drills to varying ability levels and tracking measurable progress across each training cycle, strengthening consistency, discipline, and performance trajectories for players at multiple development stages year-round
- Planned and executed structured practices across 3 full seasons by coordinating group drills, skill stations, and feedback loops for 15–20 players, improving cohesion, technique quality, and readiness throughout recurring competitive cycles each season consistently

LEADERSHIP & PROFESSIONAL DEVELOPMENT

University of Chicago Varsity Volleyball Team

Student-Athlete

Chicago, IL

Sep 2025 – Present

- Compete on an NCAA Division III roster by balancing 20+ weekly training hours, weekend matches, and full academic coursework while aligning with team strategy across multi-phase practice cycles, strengthening discipline & comfort in high-pressure environments

Ransom Everglades School Ambassador

Student Ambassador

Miami, FL

Aug 2022 – May 2025

- Represented the senior class by speaking on panels for 100+ families and leading 30+ campus tours during admissions events, synthesizing academic and student-life insights to strengthen prospective-family engagement, clarity of information, and connection

Ransom Everglades High School Varsity Volleyball

Team Captain & Student Athlete

Miami, FL

Jul 2021 – Nov 2024

- Led a varsity roster across 3+ competitive seasons by coordinating practice standards and match preparation while earning All-State, All-Academic, All-Star, and First-Team county honors, strengthening chemistry, competitive focus & sustained on-court performance

ADDITIONAL SKILLS & INTERESTS

Trilingual: English, Portuguese, and Spanish

Interests: Listening to podcasts, running, reading, traveling and visiting new places

MAP Investment Banking Fellow

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- HST Pathways — *ASC-Focused Healthcare SaaS Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led Planning Phase across 4+ parallel workstreams over 2.5 months, coordinating research synthesis, financial modeling, market analysis, and slide production to align deliverables and enforce timeline discipline ahead of client-facing presentation to BofA
 - Synthesized 4 secular healthcare drivers—aging population (22% 65+ by 2030), 7.5% U.S. spend growth to \$4.8T, 78% digital acceleration, and \$1.9T Healthcare IT by 2030—framing cost pressure dynamics to contextualize HST's ASC-focused growth
 - Modeled LTM revenue of ~\$57.1M and 2026E ~\$63.4M with ~75% gross margin and ~65% Adj. EBITDA, benchmarking SaaS healthcare comps to assess scalability, margin durability, and potential valuation positioning under strategic buyer scenarios

Lang Development Group

Commercial Real Estate Development Intern

Newark, DE

Dec 2025 – Jan 2026

- Analyzed vendor bids across 5+ subcontractor categories for multifamily developments, conducting pricing comparisons and cost variance assessments to support budgeting accuracy and strengthen capital allocation decisions during pre-construction planning
- Partnered with cross-functional construction, finance, and project management teams in 10+ planning sessions, synthesizing cost, timeline & operational inputs into structured tracking tools that improved visibility into development risk + project-level return drivers

Buffalo Wild Wings

Hospitality Assistant

Newark, DE

Feb 2025 – May 2025

- Managed high-volume takeout operations during peak service windows, coordinating 50+ orders per shift with accuracy checks and prioritization protocols to optimize turnaround time, reduce fulfillment errors & sustain revenue flow under time-sensitive conditions
- Supported front-of-house throughput by overseeing 50+ guest seatings, waitlist flow and cross-team communication, resolving service disruptions in real time to maintain operational efficiency and enhance overall customer experience during peak service hours

LEADERSHIP & COMMUNITY DEVELOPMENT

Lafayette College's Women's Varsity Field Hockey

NCAA Division 1 Student-Athlete

Easton, PA

Aug 2025 – Present

- Commit 25+ hours weekly to Division I training, competition, and film review while maintaining full academic load, demonstrating execution discipline, resilience under pressure, and sustained performance consistency in a high-accountability environment
- Contribute to strategic game planning and in-season performance reviews, translating 10+ weekly coaching directives into tactical execution and reinforcing accountability standards across a 25+ athlete roster within a nationally competitive Division I program

B+ (Be Positive) Foundation (Student Chapter)

President

Newark, DE

Sep 2024 – Jun 2025

- Directed a 12-month fundraising strategy as chapter president, leading 10+ executive meetings and coordinating 30+ volunteers to raise \$48K+ through structured event execution and budget oversight, strengthening support for families impacted by pediatric cancer
- Managed end-to-end event P&L across 5+ initiatives, overseeing budgeting, vendor coordination and post-event ROI analysis to optimize capital deployment and improve engagement yield across 100+ student and community stakeholders throughout the year

Newark Charter High School & Delaware Sharks Club

Captain, Varsity Field Hockey Team

Newark, DE

Sep 2024 – Jun 2025

- Led 20+ teammates as elected captain, setting performance benchmarks and reinforcing accountability frameworks that strengthened communication efficiency, team cohesion & competitive execution across dual academic-athletic commitments throughout the season
- Supported chapter leadership in planning 4+ cultural and academic initiatives, coordinating logistics, tracking participation metrics, and assisting with budget oversight to improve event execution efficiency and strengthen member engagement across 40+ student-run org.

National French Honors Society, Newark Charter School

Leader/Secretary

Newark, DE

Sep 2024 – May 2025

- Coordinated bi-monthly executive communications and agenda planning for 40+ members, structuring information flow between students and faculty advisors to improve organizational efficiency and ensure timely execution of chapter initiatives across the semester

NON-TECHNICAL SKILLS & INTERESTS

Programs: Microsoft Word, PowerPoint, Canva

Skills and Language(s): English (native), French (basic proficiency), Public Speaking, Presentation Design

EDUCATION

Princeton University

Bachelor of Science in Operations, Research, Financial Engineering | Minor in Statistics and Machine Learning

Princeton, NJ

Expected Graduation: May 2029

- **Cumulative GPA:** 3.85/4.0 | **SAT:** 1590
- **Accomplishments:** Academic and All Round Scholar (Brighton College), British Education Award Winner (2022-2023)
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Cursor — *AI-Native Developer Tools Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Planning Phase for an MS-case, analyzing Cursor by structuring 5+ financial inputs across revenue model/cost drivers/KPIs for a prospective PE client and deliver a live recommendation on 6/8
 - Built 4+ exhibits outlining revenue scaling assumptions, AI-driven cost structure and unit economics, defining guardrails for growth, margin trajectory and capital efficiency to align the team on consistent modeling standards and decision-making criteria
 - Defined 5+ core KPIs including user growth, retention, monetization and AI usage efficiency while framing key risks around compute costs & competition, enabling team to track performance, stress-test assumptions & evaluate long-term value creation

Genomics PLC

Apprentice to the CEO

Cambridge, UK

Jun 2025 – Aug 2025

- Shadowed executive leadership at a venture-backed genomics firm, observing 5+ strategic discussions on product development, partnerships and scaling, gaining exposure to decision-making across precision medicine and commercial strategy in real time scenarios
- Analyzed interactions across 3+ technical and business teams, identifying how research, product and operations align to drive innovation, improve execution and support long-term growth in a complex healthcare technology environment and scaling operations

WellChild National Children's Charity

Research Volunteer

London, UK

Jun 2024 – Aug 2024

- Conducted 3+ research initiatives supporting care for seriously ill children, synthesizing findings into structured reports that informed outreach strategy and program development across a mission-driven healthcare environment with clear, actionable recommendations
- Collaborated with 5+ team members to analyze datasets and present insights, strengthening communication, independent research skills & data interpretation to support decision-making + improve organizational impact across multiple ongoing initiatives/programs

LEADERSHIP & COMMUNITY DEVELOPMENT

Princeton University | Varsity Fencing Team

NCAA Division I Student-Athlete

Stanford, CA

Sep 2025 – Present

- Compete at the NCAA level while balancing 25+ hours of training, travel and academics, demonstrating discipline, time management and consistent performance within a high-intensity collegiate athletic environment across the season against top-ranked competition
- Contribute to a 15+ member roster in training and competition, fostering collaboration, accountability and competitive execution to strengthen team culture and performance outcomes across dual meets and tournament play throughout the season with high-pressure

Great Britain | National Fencing Team

Women's Sabre Athlete

International

Jan 2022 – Present

- Ranked top 3 nationally and previously #1 (U17), competing in 10+ international events including World and European Championships, demonstrating sustained elite performance against top global competition in multiple high-pressure stages & seasons
- Achieved 7th place at the U17 World Championships and secured 3+ national titles, reflecting consistent results, competitive resilience and high-level execution across multi-year international competition cycles against elite global peers/fencers on the international stage

Brighton College

School Prefect

Brighton, UK

Sep 2023 – May 2025

- Selected as 1 of 20+ prefects to represent the student body, acting as a liaison between 1,000+ students and faculty to communicate feedback, improve policies and strengthen community alignment across the school through regular meetings and structured feedback
- Mentored 15+ younger students while leading 5+ initiatives and events, contributing to school culture, leadership development and student engagement through consistent involvement and ongoing peer support across academic, social and extracurricular settings

Morgan Stanley

Women In Banking Insight Program Participant

London, UK

Jun 2024 – Jun 2024

- Selected for a competitive insight program across 3+ investment banking divisions, gaining exposure to financial modeling, markets and corporate finance strategy to build foundational technical knowledge & strengthen interest in finance in a fast-paced environment
- Participated in 5+ workshops and case discussions on deal structuring, while networking with 15+ professionals and peers to develop commercial awareness, industry insight and a deeper understanding of investment banking workflows and client advisory processes

NON-TECHNICAL SKILLS & INTERESTS

Skills and Language(s): Strong analytical and problem solving skills; fluent in English; working knowledge of French

Programs: Java, IntelliJ, Excel, some Python | **Interests:** Fencing, applied mathematics, finance, computer science.

- **Honors/Awards:** NCAA Division 1 Student-Athlete (Varsity Track & Field); National Honors Society (New Canaan Chapter)
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (*to be completed by June 2026*)

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Databricks — *Enterprise Data & AI Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams to evaluate software/AI-driven acquisition targets for a prospective PE client and deliver a live investment recommendation on 6/8
 - Sized Databricks' opportunity using ~\$758B AI TAM, ~\$75.6B enterprise AI SAM and \$5.4B revenue run-rate, synthesizing 5+ sources to assess AI buildout, platform consolidation and ROI pressure, strengthening market framing & investment conviction
 - Assessed Databricks' risks around AI compute costs, cloud competition and IPO readiness, developing 3+ diligence questions on revenue quality, customer expansion and valuation timing to sharpen thesis defensibility + guide team's later transaction work

Child Study Center - Yale School of Medicine

Intern at the Cha Lab

New Haven, CT

Apr 2025 – May 2025

- Supported faculty and research teams at Yale by reviewing 25+ grant submissions for accuracy, completeness and compliance, strengthening administrative efficiency & helping advance youth mental health research initiatives through higher-quality submissions
- Coordinated community outreach and created 10+ YouthNAVIGATE interviews, blogs and infographics by engaging organizations, researchers and study participants, translating findings into accessible teen mental health resources that increased research participation

Gelatissimo Artisan Gelato

Employee

New Canaan, CT

Sep 2023 – Nov 2024

- Delivered high-quality customer service to several guests per day while managing 50+ daily transactions, maintaining an efficient front-of-house environment that improved guest satisfaction, repeat visits and store operations during peak service periods each shift
- Independently handled 10+ store opening, closing and cleaning shifts, overseeing cash procedures, inventory readiness and sanitation standards that strengthened overall accountability, operational consistency and day-to-day business reliability across all assigned shifts

LEADERSHIP & COMMUNITY DEVELOPMENT

Cornell Women's Track and Field

NCAA Division I Student-Athlete; Throws

Ithaca, NY

Sep 2025 – Present

- Dedicate 30+ hours weekly to practice, strength training, team meetings and competition across multiple seasons while maintaining open communication with 20+ teammates & coaches, sustaining disciplined performance + strengthening team culture/accountability

New Canaan High School | Girls Track and Field

Varsity Outdoor Captain

New Canaan, CT

Mar 2025 – Jun 2025

- Voted team captain after earning 4x State Champion honors in javelin, titles in shot put, 2024 All-American recognition and 4 years of High Honors, while mentoring teammates and leading initiatives that strengthened overall team culture and competitive performance

New Canaan High School | Chapter of the American Red Cross

Secretary

New Canaan, CT

Sep 2022 – Jun 2025

- Collaborated with local organizations and volunteers to coordinate 5+ donation drives and fundraising campaigns for disaster relief, strengthening community engagement and increasing critical resources delivered to families impacted by emergencies locally

New Canaan High School | Peer Mentorship Program

Peer Mentor

New Canaan, CT

Sep 2024 – Jun 2025

- Selected by teaching staff to lead 10+ school tours for freshmen and international students while advising counselors on inclusion efforts, helping create a more welcoming, informed and supportive campus environment for new students during each academic year

New Canaan High School | Buddies Club

Co-President

New Canaan, CT

Sep 2023 – May 2025

- Provided leadership in planning 5+ inclusive student-led programs for peers with special needs, launching a school-wide Lunch Club that expanded community connection, peer relationships and meaningful student engagement across the broader campus community

New Canaan High School | Irish Cultural Club

Founder & President

New Canaan, CT

Nov 2023 – Jun 2024

- Founded and led the Irish Cultural Club at New Canaan, advocating for cultural preservation by drafting 10+ letters to state legislators that supported awareness efforts to prevent the closure of a nearby Irish museum serving the broader local community for students

NON-TECHNICAL SKILLS & INTERESTS

Skills: Interpersonal, Interactive, Tenacious, Time-Management, proficient in Adobe Rush Premiere

Interests: The corporate finance lifecycle, beginning with investment banking's role in advising companies on transactions/capital raising

Bachelor of Arts in Economics

Washington, DC

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **ACT:** 35
- **Honors/Awards:** Student-Athlete (Sailing), National Merit Commended Student, IL State Scholar, AP Scholar with Distinction
- **Relevant Coursework:** Linear Algebra, Multi-Variable Calculus, Microeconomics, Macroeconomics
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (completed 05/2026)

PROFESSIONAL EXPERIENCE

Rem and Company

Junior Strategist

Washington, DC

Sep 2025 – Present

- Advise 4 minority-owned businesses across the broader DMV area by analyzing customer acquisition, pricing & near-term expansion needs while assessing 10+ retail corridors for a high-end client, strengthening clarity around revenue levers and path-to-scale decisions
- Coordinate with clients, architects, and brokers to benchmark rents, vacancy levels, and space availability across multiple sites, translating cross-functional inputs into financially viable recommendations that improve planning accuracy and expansion readiness

Bank of America

MAP Investment Banking Fellow; Team Captain

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#) | [Final Recommendation](#)

- Option Care Health — *Home Infusion Therapy Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led the Initiation Phase as 1/15 captains (~2%) from 654 fellows, directing a 5-person deal team through ~5 research sprints/week to recommend a fast-growth healthcare company, culminating in a live virtual presentation to BofA on 3/23/26
 - Sized U.S. Medicare TAM at ~\$1.03T and Medicare Advantage SAM at ~\$450–500B, then prioritized 3 subsectors (Pharma ~\$600B U.S., Services ~30% of spend, MedTech ~\$800B global) to anchor growth drivers/deal relevance for industry snapshot
 - Built an Option Care Health screening package by defining SOM as ~33M MA members with <1% penetration, benchmarking 4 peers (ChenMed, CenterWell, One Medical + OSH) and drafting 2 key risks with mitigants, sharpening due diligence priorities

Lock Chicago Escape Rooms

Game Master

Evanston, IL

Jul 2023 – Apr 2024

- Led 100+ timed escape-room sessions by guiding teams through rapid problem-solving & safety protocols, improving group dynamic/coordination under pressure and strengthening overall guest experience across diverse customer types and dynamic real-time scenarios
- Supervised multiple groups per shift while maintaining operational standards and addressing real-time issues, contributing to a 4.8-star average review rating and enhancing service reliability across sustained high-volume weekend traffic periods and peak demand shifts

University of Illinois Chicago Biotechnology Summer Research

Biotechnology Research Volunteer

Chicago, IL

May 2023 – Aug 2023

- Supported PhD-level research by executing 20+ cell-culture experiments and analyzing outputs through Western blots, PCR and gel electrophoresis, strengthening data quality & contributing to reproducible, well-documented experimental workflows in multiple labs
- Assisted lab transitions and organized 50+ datasets during PhD preliminary review preparation by cataloging samples and protocols across multiple experiments, improving documentation continuity during complex high-stakes review cycles across research teams

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Georgetown University Sailing Team

NCAA Division 1 Student-Athlete

Washington, DC

Aug 2025 – Present

- Train 20+ hrs/week while balancing full academic responsibilities, strengthening discipline, focus, and execution needed to perform consistently across competitive fleet-racing condition; implement race strategies with team under dynamic on-water environments

Loyola Academy

Drum Major, First Chair Flute, Section Leader; Varsity Sailing Captain

Wilmette, IL

Aug 2022 – May 2025

- Coordinated rehearsals and mentor 6 musicians as Drum Major while leading a 14-member sailing team through 20+ performances, regatta prep, and 10+ planning cycles, enhancing communication flow, cohesion, and leadership impact across artistic/athletic settings

Community Service Projects

Volunteer

Evanston, IL

Aug 2021 – May 2025

- Tutored refugee students across 3 community sites, prepare youth meal packs, support dementia-care programming, and restore local trails, collaborating weekly with volunteers to strengthen empathy and service-driven execution across evolving community needs

SKILLS & INTERESTS

- **Skills and Language(s):** French, Excel, Python, Microsoft 365, Financial Modeling, Statistical Analysis
- **Programs:** Wall Street Prep Financial and Valuation Modeling, Excel Essential Training (Microsoft 365)
- **Interests:** Scuba Diving, Sky Diving, Hockey, Golf, Movies, Baking, Hiking, Traveling

- **Cumulative GPA:** 3.90/4.0 | **ACT:** 35
- **Honors/Awards:** Division 1 Student-Athlete (Field Hockey), H. Scott Caven III Memorial Scholarship Award, Cum Laude
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (completed 05/2026)

PROFESSIONAL EXPERIENCE

Bank of America

MAP Investment Banking Fellow

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- Komodo Health — *Healthcare Data & Analytics Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Placed in the top 12% (75/654) of an IB fellowship for NCAA athletes to advance to the BofA case competition & analyze 5–7 emerging healthcare businesses while building fictional 3-statement projections & strengthening valuation clarity for deal work
 - Evaluated scalability of Komodo's healthcare analytics platform using 16M+ daily clinical encounters and AWS Marketplace distribution to assess expansion and third-party AI applications, strengthening long-term market positioning and strategic value
 - Evaluated competitive and regulatory risks including rivalry with IQVIA and potential data governance changes while outlining 2 diligence questions on partnership traction and compliance readiness, strengthening downside visibility for Bank of America

ARA Partners

Intern

Houston, TX

Jun 2025 – Aug 2025

- Produced 5+ case studies and supporting PowerPoints evaluating sustainability-focused investment opportunities by analyzing operating drivers, competitive dynamics & financial indicators, strengthening screening rigor + decision-readiness for ARA's deal team
- Reviewed multiple CIMs and conducted external research across 8–10 market sources to assess strategic fit with ARA's investment mandate, improving clarity on company positioning, risk considerations, and priority opportunities for downstream diligence
- Collaborated with a 4–6 intern team to scope sustainability-focused projects, consolidate findings into 3–4 presentation outputs, and align research threads across workflows, strengthening cross-team coordination, teamwork, and readiness for live-deal environments

Texas Pride Field Hockey Club

Coach

Houston, TX

Feb 2024 – May 2024

- Coached 50+ elementary-aged athletes by structuring weekly development sessions and tracking progress across 3–4 core skill areas, strengthening discipline, teamwork, and the consistency needed to perform effectively in a demanding multi-level training environment
- Executed a weekly coaching program and coordinated age-group competitions by managing drills, rotations, and skill benchmarks for 4+ cohorts, improving group engagement, technical development & the reliability of training workflows across diverse athlete groups
- Supported weekly program operations by preparing equipment, coordinating field setups, and assisting 3–5 age groups during drills and scrimmages, improving session flow, athlete focus & overall reliability of training environments across varied developmental levels

LEADERSHIP & COMMUNITY DEVELOPMENT

Yale University Varsity Field Hockey Team

NCAA Division 1 Student-Athlete

New Haven, CT

Aug 2025 – Present

- Commit 25+ hrs/week to Division I training, film, meetings, and travel while aligning with multi-phase game plans across 20+ seasonal competitions, strengthening execution discipline, communication, and performance consistency in high-pressure environment
- Contributed to the team's first Ivy League and NCAA Tournament appearance by adapting to strategic adjustments across weekly cycles and supporting teammates during 10+ high-stakes matchups, improving cohesion, resilience & collective competitive readiness

St. John's School Black Girl's Coalition

President

Houston, TX

Aug 2024 – May 2025

- Led mentorship programming for 10+ Black middle-school girls by structuring monthly discussions across 5+ sensitive topics and applying training from counselor-led courses, strengthening communication clarity, trust-building, and support for student well-being
- Coordinated 10+ recurring meetings and guided mentees through topics like identity, relationships, and school challenges, strengthening consistency, accessibility, and the overall quality of peer support across a PWI and broader campus community

Houston Museum of Natural Science

Teen Intern

Houston, TX

Jun 2023 – Jul 2023

- Supported 20+ simultaneous summer programs by coordinating materials, managing classroom flow and assisting instructors in STEM-focused camps, strengthening operational efficiency & the overall experience for elementary-age students across daily sessions
- Helped deliver daily robotics and science lessons by distributing worksheets, guiding 15–20 students per session, and maintaining classroom organization, improving learning engagement, instructional clarity and workflow reliability for camp staff across all sessions

ADDITIONAL SKILLS & INTERESTS

Skills and Language(s): Spanish, Adobe Photoshop

Interests: Baking, fitness classes, soccer(Arsenal fan), nail art, 3D printing, film photography

- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Aristeia Capital

Incoming Hedge Fund Summer Analyst

Greenwich, CT

Jun 2026 – Aug 2026

- Joining Aristeia Capital, a \$13B AUM hedge fund, as a Summer Analyst after completing a competitive multi-round interview process focused on investment judgment, market awareness and analytical problem-solving across credit and equity investing environments

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Databricks — *Enterprise Data & AI Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1 of 75 NCAA athletes (~20%) to lead the full Control Phase for a 5-person deal team, transforming complex Databricks diligence, market research & modeling outputs into a final investment recommendation presented live to MS on 6/8
 - Evaluated 3 enterprise AI catalysts supporting Databricks' long-term positioning, analyzing projected \$2.5T global AI spending, 40% enterprise AI-agent adoption rates & accelerating demand for unified cross-cloud orchestration/governance infrastructure
 - Assessed hyperscaler competition and pricing-compression risks across AWS, Azure and Google Cloud ecosystems, evaluating Databricks' lakehouse architecture, cross-cloud flexibility & 20,000+ enterprise customers to support ~2 mitigants for each risk

Avity Investment Management

Summer Intern

Greenwich, CT

Jun 2022 – Jul 2025

- Co-authored a published white paper on physical AI for a \$2B AUM investment firm, analyzing long-term economic and market implications while positioning the platform as an early thought leader for UHNW/institutional clients in emerging technology sectors
- Researched 15+ retail-sector companies through financial-statement analysis, sell-side research and valuation work, delivering investment recommendations while gaining exposure to client meetings and portfolio reviews with firm principals & senior investors

Luke & Luca Football Camp

Cofounder

Greenwich, CT

Nov 2022 – May 2025

- Cofounded and scaled a youth flag-football camp to 25+ participants and ~\$10K in revenue per 2-week session, creating structured mentorship and athletic-development programming that strengthened leadership and entrepreneurship skills through direct experience

LEADERSHIP & COMMUNITY DEVELOPMENT

Johns Hopkins Global Macro Lab

Research Assistant

Baltimore, MD

Feb 2026 – Present

- Work directly with economist Domenico Giannone as part of Johns Hopkins' Global Macro Lab, researching 25 years of economic events and central-bank communications to analyze impacts on FX markets, asset prices & macroeconomic indicators during first year
- Analyzed historical monetary-policy announcements and geopolitical developments across 25+ years of market activity, strengthening macroeconomic research and data-analysis capabilities tied to inflation trends, financial markets and global economic performance

Johns Hopkins Institute for Applied Economics

Research Assistant

Baltimore, MD

Jan 2026 – Present

- Work directly with former White House economist Steve H. Hanke on the Troubled Currencies Project, monitoring black-market FX rates and inflation trends across 10+ unstable economies using purchasing-power-parity analysis and real-time macroeconomic data
- Create daily inflation and currency-depreciation content for Professor Hanke's X account reaching 830K+ followers, analyzing & synthesizing geopolitical/economic developments into concise macroeconomic commentary & data-driven visual reporting initiatives

Johns Hopkins University Varsity Football

NCAA Division III Student-Athlete

Baltimore, MD

Aug 2025 – Present

- Dedicate 25+ hours/week during football season to practices, film study, weight training and team activities while balancing rigorous academics within Johns Hopkins' nationally competitive Division III athletic environment and high-performance team culture daily
- Contributed to Johns Hopkins Football's NCAA Division III Semifinal appearance during first season with the program, helping achieve a milestone reached only 2 times previously in team history through disciplined preparation and competitive execution

Operation Snow Shovel

Founding Member & President

Greenwich, CT

Sep 2021 – Jun 2025

- Founded and led a community snow-removal initiative supporting 25+ senior citizens during winter storms, coordinating volunteer operations and earning recognition from local news outlets for meaningful community impact and neighborhood outreach initiatives

NON-TECHNICAL SKILLS & INTERESTS

Languages: English, Italian (Native Speaker)

Interests/Student Involvement: JHU Scholars in Finance, Weight Training, Community Service, Travel

- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Generational Group

Incoming Valuation Intern

Dallas, TX

May 2026 – Aug 2026

- Expected to support 5+ live sell-side M&A engagements for founder-owned middle-market businesses in Dallas, TX by building DCF models, trading comparables and sensitivity analyses to evaluate enterprise value ranges and support transaction positioning efforts
- Expected to assist in drafting 3+ Confidential Information Memoranda (CIMs) & analyzing valuation gaps between client expectations and buyer pricing frameworks, translating financial performance and growth drivers into actionable deal insights for senior bankers

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Databricks — *Enterprise Data & AI Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Planning Phase for a Morgan Stanley-style case, analyzing Databricks by structuring 5+ financial assumptions tied to enterprise AI adoption, cloud infrastructure demand, and long-term software trends
 - Built 4+ banker-style exhibits evaluating AI-native positioning, recurring enterprise revenue and multi-cloud expansion strategy, establishing frameworks around margin trajectory, pricing power and long-term value creation across data infrastructure markets
 - Defined 5+ diligence priorities for a 5-person deal team, including hyperscaler competition, semiconductor supply constraints and monetization of AI workloads, enabling downstream workstreams to stress-test assumptions & refine the investment thesis

AfterQuery (YC-Backed AI Research Startup)

Business Intern | Project Red

Remote

Feb 2026 – Present

- Reviewed 25+ AI-generated financial deliverables for analytical rigor, structural accuracy and formatting consistency, identifying errors in reasoning and prompting to improve output quality across financial research workflows used in training and evaluation processes
- Executed structured QA processes using manual review and cross-model validation, providing detailed written feedback that strengthened dataset integrity, improved reliability and supported scalable AI-driven financial analysis initiatives across the platform

Palagic Value Management LP

Investment Intern

Dallas, TX

Jun 2025 – Aug 2025

- Analyzed 10+ SEC filings, earnings transcripts and investor presentations to develop investment briefs supporting portfolio allocation decisions across a ~\$300M AUM small-cap long/short fund focused on fundamental equity research + small-cap market opportunities
- Engaged with 5+ sell-side equity analysts to challenge assumptions, refine variant views and validate industry outlooks, strengthening financial analysis, investment judgment & understanding of public market positioning across sectors + evolving economic conditions

PGA Frisco Fields Ranch

Caddie

Frisco, TX

Jun 2025 – Aug 2025

- Delivered high-touch client service to executives and professional athletes across 55+ rounds at PGA headquarters, maintaining professionalism, precision and strong interpersonal communication in a fast-paced hospitality environment during high-profile events

LEADERSHIP & COMMUNITY DEVELOPMENT

Big Brother Big Sister

Mentor

Philadelphia, PA

Jan 2026 – Present

- Provide weekly one-on-one mentorship to 1 local student through academic, recreational and community-based activities, building trust, confidence and communication skills while supporting personal and social development over time through consistent guidance
- Coordinate 3+ monthly activities both inside and outside school settings, fostering consistency, positive engagement and relationship-building with mentee through dependable mentorship & individualized support tailored to the student's interests + goals

Wharton Business & Investment Organizations

Investment & Commodities Analyst (Wharton Investment & Trading Group – TMT & Wharton Undergraduate Hedge Fund Club)

Philadelphia, PA

Aug 2025 – Present

- Selected as 1/4 freshmen from 100+ applicants for a competitive TMT investment team, building valuation models, developing sector coverage and presenting stock pitches while publishing weekly market updates on semiconductor and AI infrastructure companies
- Analyze commodity supply-demand dynamics and macroeconomic catalysts impacting pricing, collaborating with long/short analysts to evaluate investment opportunities and support future portfolio positioning across public markets and commodities sectors

NON-TECHNICAL SKILLS & INTERESTS

Interests: Football | Basketball | Baseball | Golf | Running | Music | Half Marathons | Saxophone | Skiing | Water-sports | Swimming

Organizations: Plexus Saxophone Quartet Member (Performed at New York City's Lincoln Center and on NPR's From The Top); Winner of prestigious Fischhoff International Chamber Music Competition; awarded top honors in international competitions

- Marvell Technology — *AI Infrastructure Semiconductor Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to direct the Execution Phase for a 5-person deal team, building valuation models, precedent transaction analysis and AI infrastructure risk frameworks to recommend Marvell as a strategic acquisition live to MS
 - Analyzed 2 semiconductor precedent transactions totaling \$11B+ in enterprise value, benchmarking 7.8x–21.7x EV/Revenue and 47.1x–59.4x EV/EBITDA multiples to strengthen Marvell's AI connectivity and chip-infrastructure investment positioning
 - Synthesized financial and operational analysis using 5+ institutional and capital markets sources, evaluating AI demand concentration, foundry dependence and U.S.–China export restrictions to support a more defensible final investment thesis

Yale Undergraduate Capital Partners

Analyst

New Haven, CT

Feb 2026 – Present

- Selected through a competitive interview process to join Yale Undergraduate Capital Partners, supporting partner venture firms with \$33B+ aggregate AUM through 6–8 hours/week of startup sourcing, industry research and investor-focused diligence analysis
- Collaborate on specialized analyst teams evaluating early-stage startups across multiple sectors, synthesizing market research and company findings into investor-ready deliverables that strengthen diligence workflows and venture investment decision-making

MakeInspires Makerspace

Intern

Mammaroneck, NY

May 2025 – Jun 2025

- Operated and maintained 3D printers and CNC machines across multiple fabrication projects, diagnosing tooling and production issues that minimized downtime and improved operational efficiency within a fast-paced collaborative makerspace environment/space
- Supported prototyping and workshop initiatives by troubleshooting fabrication constraints and explaining technical processes to students and visitors, strengthening collaboration, equipment readiness and safe execution across 10+ active multidisciplinary projects

Rye Golf Club

Lifeguard

Rye, NY

Jun 2023 – Sep 2024

- Monitored pool and deck operations during high-traffic summer periods, enforcing safety procedures and maintaining constant vigilance that increased safety for all members + reduced preventable incidents across a busy private club environment on a daily basis
- Earned CPR/AED and First Aid certifications while coordinating with supervisors and staff across 2 peak summer seasons/periods, supporting rapid emergency response readiness and reinforcing a safe environment for private members & visiting families year-round

LEADERSHIP & COMMUNITY DEVELOPMENT

Yale University | Men's D1 Varsity Lightweight Crew

Student-Athlete

New Haven, CT

Aug 2025 – Present

- Commit 40+ hours/week to rowing training, travel, competitions and team responsibilities while balancing a rigorous academic workload at Yale University, strengthening time management, resilience and accountability within an elite student-athlete environment
- Represent Yale University in high-level collegiate rowing competitions and year-round team events, collaborating closely with coaches and teammates to execute shared performance goals while strengthening leadership, communication and teamwork in strict conditions

Rye Neck High School

Independent Researcher, Saxophonist, Teacher's Assistant

Rye, NY

Sep 2021 – Jun 2025

- Conducted independent research on drone deployment in crisis-response environments, evaluating scalability, cost efficiency and operational constraints to develop technology-driven emergency-response recommendations integrating economics/engineering rules
- Performed in school music ensembles for 10+ years while serving as a 2-year Tri-M Music Honor Society member, earning 3 departmental awards + strengthening peer leadership within the school's music and arts community through mentorship/collaboration

RowAmerica Rye

Varsity Rower

Rye, NY

Jul 2020 – Jun 2025

- Dedicated 25+ hours/week year-round to rowing training, travel and competition, strengthening team accountability and daily practice intensity while balancing rigorous academics across 5 years of elite youth athletics participation at nationally competitive regattas

NON-TECHNICAL SKILLS & INTERESTS

Skills: Personal Investment Portfolio Management, Java (limited), Spanish (limited), Research/Data Analysis, Independent Research Design
Interests: Artificial Intelligence, Cryptocurrency, Skiing, 3D-Printing, Poker, Rowing, Hiking

EDUCATION

Brown University

Bachelor of Arts in Business Economics

Providence, NJ

Expected Graduation: May 2029

- **Cumulative GPA:** 4.0/4.0 | **ACT:** 34
- **Honors/Awards:** NCAA Division 1 Student-Athlete (Brown Sailing Team); New York State Seal of Biliteracy in Spanish, 2025; 2023 i420 World Championship Bronze Medalist; 4th at 2024 i420 Youth World Championship
- **Relevant Courses:** Managerial Decision Making; Management of Industrial and Nonprofit Organizations; Introduction to Comparative Politics; Intermediate Microeconomics; Principles of Economics; Cybersecurity and International Relations

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Chai Discovery — *AI-Driven Drug Discovery Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/10 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams, building the foundation for Chai by defining its AI research model & role in drug development to guide all downstream analysis
 - Sized Chai Discovery's opportunity using ~\$391B–\$3.5T AI TAM, ~\$133.7B software SAM and ~\$4–6.7B SOM, synthesizing 4+ sources to evaluate adoption across healthcare, fintech + automotive, strengthening market framing & grounding team thesis
 - Assessed Chai Discovery's positioning against 4+ peers including Isomorphic Labs and Recursion, evaluating differentiation in foundation models & partnerships while identifying execution/regulatory risks, developing mitigation strategies to defend work

American Yacht Club

Sailing Instructor

Rye, NY

Jun 2025 – Aug 2025

- Designed and administered structured lesson plans for sailors ages 7-17, organizing drills and on-water instruction that strengthened leadership, communication and student development while creating a safe and well-run learning environment throughout the summer
- Taught advanced strategy and boat-handling techniques to 20+ youth sailors, emphasizing safety, teamwork and technical execution that improved confidence, race readiness and on-water decision-making across practices, competitions and daily instructional sessions

Houlihan Lawrence

Real Estate Intern

Larchmont, NY

May 2025 – Jun 2025

- Conducted comparative analysis on 5+ properties by evaluating home features, neighborhood trends and recent sales data, helping brokers refine pricing strategies, strengthen client recommendations and position listings more competitively in local real estate market
- Liaised with clients during multiple property showings by answering buyer questions, presenting key home details and maintaining professional communication throughout the sales process, improving client experience + trust from first visit through follow-up stages

LEADERSHIP & COMMUNITY DEVELOPMENT

Brown University Sailing Team

NCAA Division 1 Student-Athlete; Freshman Captain

Providence, RI

Aug 2025 – Present

- Coordinate current freshman members of the Brown Sailing Team, supporting onboarding, communication and team integration with upperclassmen for 10+ athletes while strengthening class cohesion, accountability & a smooth transition into D1 college athletics

ACE Tutoring Club

President

Larchmont, NY

Jul 2021 – Jun 2025

- Led and coordinated a team of 30-50 high school volunteers providing tutoring support to 50+ local middle school students, expanding academic assistance capacity and improving learning access for students across the surrounding community each year
- Managed club logistics by collaborating with staff across multiple institutions and implementing in-person and virtual tutoring formats, streamlining scheduling, increasing accessibility and strengthening program consistency for students, families and volunteer tutors alike

Fuller Center Club

Founder and President

Mamaroneck, NY

Nov 2022 – Jun 2025

- Founded a service club partnered with the Fuller Center for Housing of Greater New York City, advancing 5+ housing and disaster relief initiatives that expanded local community support, volunteer impact and increased student participation across service events
- Managed a team of 25+ high school volunteers attending fundraising events and hands-on service projects, improving event execution, volunteer engagement and community impact while building leadership experience across a growing student organization

Brown Business & Investment Organizations

Active Member (Women in Business, Derivative Investment Group & Socially Responsible Investment Fund)

Remote

Nov 2025 – Present

- Participate in weekly meetings, lectures and stock pitch sessions across multiple student organizations, building a high-level understanding of industries, markets and investing while strengthening technical training through hands-on learning experiences
- Develop skills in Excel, networking, professional communication and ESG-integrated financial research, combining traditional investment analysis with values-based frameworks that improved technical readiness & preparation for finance recruiting opportunities

NON-TECHNICAL SKILLS & INTERESTS

Skills: Wall Street Prep Accounting Crash Course Certification, Conflict Resolution, Communication, Basic Network & System Admin.

Organizations: Brown Women In Business; Brown Derivative Investment Group; Brown Socially Responsible Investment Fund

Interests: Sailing, Skiing, Formula 1, Jazz

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow; Team Captain

Remote

Mar 2026 – Present

Selected Transaction Experience

- Command Zero — *Agentic AI Security Operations Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/9 captains from 376 NCAA athletes (top 2%) to lead a 5-person deal team through 6 weekly workstreams to evaluate software/AI-driven acquisition targets for a prospective PE client and deliver a live investment recommendation on 6/8
 - Sized Command Zero's opportunity using ~\$6.31T IT TAM, ~\$1.15T AI/software SAM and ~\$45B SOM, synthesizing 4+ sources to evaluate demand across agentic AI/cybersecurity/vertical SaaS, grounding the investment thesis in scalable adoption
 - Assessed Command Zero's positioning against 4+ competitors including Palo Alto, Prophet Security and Dropzone AI, analyzing differentiation in autonomous investigation/multi-cloud compatibility/reasoning traceability to lead downstream work

Junova, Inc.

Marketing & Operations Intern

Remote

Sep 2025 – Present

- Lead marketing initiatives for a travel AI startup by managing an affiliate network that drove acquisition of 400+ users, expanding customer reach, improving channel performance and strengthening hands-on experience in early-stage growth execution and strategy
- Leveraged online databases and published surveys to size a 600M-passenger market while contributing insights in weekly strategy meetings, helping inform product and brand decisions that supported 600+ customer savings cases and \$9.5K in net revenue growth

Into Prep

Teaching Assistant

Paoli, PA

Jun 2025 – Aug 2025

- Proctored practice SAT exams, graded assignments and tracked performance data for 200+ students, creating organized feedback loops that supported measurable improvement, stronger accountability and more efficient classroom operations across the summer
- Cultivated a positive learning environment through collaboration with 5+ staff members and tailored student guidance, helping learners build confidence, improve test readiness and stay engaged across fast-paced academic sessions with diverse skill levels

Harvard Business School

Research Assistant

Remote

Oct 2024 – Jun 2025

- Conducted in-depth research on Tesla's corporate timeline, financial performance, controversies and strategy under faculty mentorship, synthesizing findings from 20+ sources that strengthened understanding of corporate governance in dynamic industries
- Performed financial and accounting analysis using SEC filings, 10-Q reports and industry articles, co-authoring an unpublished case study on Tesla's vehicle service accounting treatment that improved technical fluency/business writing skills through applied research

LEADERSHIP & COMMUNITY DEVELOPMENT

Harvard University Varsity Women's Squash Team

NCAA Division 1 Student-Athlete

Amherst, MA

Sep 2025 – Present

- Earned a walk-on spot through Harvard's rigorous Division I tryout process for its top-ranked Varsity Women's Squash team, demonstrating resilience, competitive skill and composure that secured a place within an elite collegiate program environment
- Balance elite-level training, academics and extracurricular commitments while organizing team dinners and supporting teammates through practices and matches, strengthening trust, morale and culture within a high-performing squad across the academic year

Harvard Undergraduate Venture Capital Group (HUVCG)

Analyst

Austin, TX

Sep 2025 – Present

- Identify investment opportunities through cold outreach, founder meetings and due diligence across pitch decks and industry trends, presenting findings to an internal committee that supports formal investment memos shared with partner venture capital firms
- Serve on the Annual VCG Entrepreneurship Summit Committee, driving attendee engagement through ticket outreach, sponsorship coordination and panel logistics that improved event execution, participation & professional visibility at a flagship campus conference

Kevin Love Fund Youth Advisory Council

Council Member

Remote

Jan 2023 – Aug 2025

- Chosen from a nationwide applicant pool to design engaging educational materials that reduced mental health stigma among students, expanding awareness, peer engagement and access to supportive resources through youth-centered advocacy initiatives

NON-TECHNICAL SKILLS & INTERESTS

Skills: Market Research & Competitive Analysis, Marketing Campaign Development, Team Culture Development, Collaboration

Languages: Proficient Spanish, Conversational Korean

Interests: Running, culinary exploration, driving, crime podcasts

PROFESSIONAL EXPERIENCE

Intel **Santa Clara, CA**
Incoming Sales Operations Undergraduate Intern *Jun 2026 – Aug 2026*

- Joining Intel's Sales Operations team this summer to support its data-driven sales strategy and cross-functional planning initiatives

Bank of America **Remote**
MAP Investment Banking Fellow *Jan 2026 – May 2026*

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- Delcath Systems — *Oncology Drug-Delivery Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Constructed team's financial model for Delcath Systems, building revenue projections assuming 35% CAGR through 2028 and transition to positive EBITDA by 2026 while analyzing 87% gross margins to build an investment thesis for a fictional PE client
 - Built valuation framework benchmarking Delcath against oncology peers including TriSalus and Novocure while referencing strategic healthcare transactions such as Stryker–Inari (\$5B) and Boston Scientific–Penumbra (\$14.5B) to contextualize growth
 - Performed sensitivity analysis around 3 key risks including reimbursement coverage, physician training bottlenecks, and potential capital dilution while incorporating \$91M cash runway assumptions to evaluate downside scenarios/strengthen recommendation

MIT Department of Political Science **Cambridge, MA**
Undergraduate Research Assistant *Jan 2026 – Feb 2026*

- Compiled and standardized parcel-level GIS datasets across 100+ Boston-area municipalities, applying spatial analysis techniques to examine zoning and economic development patterns, strengthening the reliability of geospatial data used for housing policy research
- Developed Python-based predictive algorithms analyzing 1,000+ parcel-level observations to model redevelopment likelihood and housing transformation drivers, producing spatial visualizations that informed research on zoning policy and urban housing dynamics

Collins Permian **Dallas, TX**
Summer Intern *May 2025 – Aug 2025*

- Designed an OCR + LLM-powered workflow extracting historical return data from investment decks, automating data ingestion and accelerating processing speed by 80%, improving efficiency of internal analytics workflows used for investment evaluation
- Evaluated 13 AI automation platforms for potential deployment, analyzing cost, integration feasibility, and operational impact before presenting implementation recommendations to the executive team and securing buy-in for future AI-driven workflow integration

Dallas Environmental Education Initiative (EEI), City of Dallas, University of North Texas **Dallas, TX**
Research Intern *Jun 2024 – Aug 2024*

- Selected as 1 of 10 interns from 100+ applicants to conduct research on Dallas water systems, performing spatial and statistical analysis using ArcGIS and R before presenting findings/recommendations to Dallas City Council members for potential integration

LEADERSHIP & COMMUNITY DEVELOPMENT

MIT Varsity Women's Tennis **Cambridge, MA**
NCAA Division III Student-Athlete *Sep 2025 – Present*

- Compete as a varsity tennis student-athlete while managing 15+ hours of weekly training alongside a rigorous academic schedule; previously ranked Top 20 U.S. high school tennis player by UTR and recipient of the 2025 USTA Outstanding Sportsmanship Award

MIT Society of Women Engineers (SWE) **Cambridge, MA**
Campus Representative *Sep 2025 – Present*

- Coordinate logistics and front-end execution for monthly SWE events serving 500+ members, collaborating with committee leadership to reserve spaces, manage online coordination & promote programming that strengthens academic/community engagement

MIT Asian American Association **Cambridge, MA**
Internal Social Chair *Sep 2025 – Present*

- Plan and execute 3–5 internal events per semester, coordinating logistics, scheduling, and communications across executive leadership to strengthen team cohesion & collaboration through structured social programming /consistent member engagement across the org.

ACEing Autism **McKinney, TX**
Court Lead & Social Media Director *Jan 2019 – Aug 2025*

- Led weekly tennis clinics for athletes with autism while managing outreach through 8 social media platforms, distributing reminders and marketing materials that expanded participation and strengthened community engagement across multiple program locations

EDUCATION

Brown University

Bachelor of Arts in Applied Math-Economics | Minor in Computer Science

Providence, RI

Expected Graduation: June 2029

- **Cumulative GPA:** 4.0/4.0 | **SAT:** 1540
- **Honors/Awards:** NCAA Division 1 Student-Athlete (Women's Lacrosse), Brown Healthcare Investment Group Portfolio Implementation/Quant Analyst, Bruno Finance Society Freshman Cohort, Brown Derivatives Investment Group Associate
- **Relevant Coursework:** Linear Algebra, Integrated Intro to Computer Science, Multivariable Calculus, WSP Accounting Course

PROFESSIONAL EXPERIENCE

Bank of America

MAP Investment Banking Fellow

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- Komodo Health — *Healthcare Data & Analytics Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led the Planning Phase for a 5-person deal team, structuring 3 secular drivers (aging-population demand, accelerating AI adoption, clinician shortages) into a macro investment thesis that positioned Komodo Health as a valuable PE acquisition target
 - Sized demographic & labor trends shaping sector fundamentals (i.e., 65+ population expansion, AI deployment across 70%+ of provider systems & 200K+ projected nurse gaps), translating these into durable demand signals that strengthened its positioning
 - Benchmarked 5+ implications across the healthcare stack, clarifying how aging-driven utilization, AI productivity lift, and workforce scarcity create structural tailwinds for Komodo, sharpening our 10-page deck and 3-page DDQ submission to BofA

Hope Street Capital

Search Fund Intern

Providence, RI

Sep 2025 – Dec 2025

- Mapped 8–10 industries and screened 150+ companies through market sizing and competitive scans, producing a prioritized acquisition pipeline that guided weekly founder reviews and sharpened next-step sourcing focus across the full search cycle
- Synthesized financial, customer, and operational data across 40–60 target profiles into structured screening briefs, enabling founders to quickly evaluate fit and refine outreach strategy across multiple subsectors during the 12-week search cycle and diligence phase

State National Companies (Markel Inc.)

Business Development Intern

Dallas, TX

Jun 2025 – Aug 2025

- Developed an AI-powered contract-extraction prototype using Python, OCR, and a Llama-3.2 RAG pipeline to vectorize 1,000+ clauses and surface variable commission terms, aligning model outputs with priorities discussed in 5+ executive briefings
- Built financial models assessing premium flows, loss ratios, and capital exposure across 10+ fronting and basic insurance programs, translating findings into actionable insights that informed business development decisions across the 8-week internship

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Brown Women's Lacrosse

NCAA Division 1 Student-Athlete

Providence, RI

Aug 2025 – Present

- Compete as a Division I lacrosse athlete balancing 20+ weekly training hours with a full academic course load, building discipline, resilience, and game-day execution while contributing to team strategy in a high-pressure, performance-driven environment
- Collaborate with 25+ teammates and coaching staff to execute scouting, film, and practice plans, strengthening communication and leadership skills while developing the consistency and competitive mindset required for sustained collegiate success

DearPiggy | [Youtube Channel](#)

Founder

Dallas, TX

Mar 2020 – Aug 2025

- Built and scaled a custom educational YouTube channel with 130+ coding tutorials across five languages, generating 25,200+ views and 750+ watch hours by designing, scripting, and editing content for beginner and intermediate programmers worldwide
- Translated complex Java, JavaScript, Python, HTML/CSS, and DSA topics into clear, accessible lessons for a global learner base, developing a repeatable content pipeline and sharpening technical communication skills through consistent production

Hockaday Upper School Student Council

Executive President & Executive Financial Officer/Parliamentarian

Dallas, TX

Aug 2021 – May 2025

- Led weekly Executive and Council meetings across four elected roles, coordinating initiatives with faculty and administrators while managing budgets, logistics, and school-wide programming that strengthened community engagement and student wellness
- Represented 1,000+ students in faculty and board forums, shaping policy updates and campus improvements while overseeing major events and long-standing traditions through coordinated cross-team planning, communication, and seamless execution

SKILLS & INTERESTS

- **Programs:** Python, Java, C++, JavaScript, GitHub CoPilot, HTML & CSS, Llama LLM, ReasonML
- **Awards:** Uber Global Hackathon Global Finalist, Harvard WECODE Ambassador - Distinguished Initiative Award
- **Interests:** Sports, Running, Baking, Pickleball, Reading

Mobile: +1 281.806.9534 | Houston, TX | TrentonCassens@gmail.com | [linkedin.com/in/TrentonCassens/](https://www.linkedin.com/in/TrentonCassens/)

EDUCATION

Emory University

Bachelor of Business Administration, Bachelor of Arts in Economics

Atlanta, GA

Expected Graduation: May 2029

- **Cumulative GPA:** 3.66/4.0
- **Honors/Awards:** NCAA DIII Student-Athlete (Men's Swimming & Diving Team), NISCA Academic All-American & Athletic All-American, USA Swimming Academic All American, FAA Remote Pilot Certification & QuickBooks Certification
- **Relevant Courses:** Financial Accounting, Data and Decision Analytics, Marketing, Wall Street Prep Accounting Certification

PROFESSIONAL EXPERIENCE

Eagle Swim Club (ESC)

Assistant Coach

Atlanta, GA

Aug 2025 – Present

- Coach and mentor 20+ swimmers ages 6–13, focusing on stroke mechanics, endurance training, and race strategy while reinforcing teamwork & discipline during structured swim practices across multiple seasonal youth training groups + competitive review sessions
- Design and lead warm-ups, drills, and individualized workouts across 4+ weekly training sessions, supporting athlete development and improving competitive readiness for youth swim meets through progressive conditioning and technique-focused instruction

Bank of America

MAP Investment Banking Fellow

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#)

- Option Care Health — *Home Infusion Therapy Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led Planning Phase financial summary for Option Care Health, structuring key demand drivers including a 40% projected increase in the US 65+ population (58M→82M by 2050), Medicare Advantage enrollment reaching 54% + rising chronic disease
 - Built banker-style snapshot evaluating revenue scale, margin structure, and healthcare KPIs using FY2025 preliminary financial results and Q3 balance sheet data, identifying cost drivers (i.e., labor shortages, specialty drug pricing) for final recommendation
 - Identified 3 key operating risks including reimbursement pressure, staffing shortages, and pharmaceutical cost volatility while outlining KPIs to monitor patient volume growth, margin stability, and payer mix shifts to guide the team's downstream work

Klein Coding Academy

Course Instructor

Houston, TX

Jun 2023 – Jul 2025

- Designed and delivered Python programming lessons for 40+ middle school students, introducing coding fundamentals through structured instruction and interactive exercises during weekly after-school education sessions focused on beginner-friendly CS learning
- Guided students through 5+ project-based coding modules, strengthening problem-solving skills and helping learners build functional programs using Python fundamentals across collaborative classroom programming activities and hands-on coding demonstrations

PACK Special Olympics

Assistant Coach

Houston, TX

Jun 2022 – Jul 2025

- Supported 35+ athletes with intellectual and developmental disabilities during swim practices and competitions, fostering an inclusive and encouraging training environment through individualized instruction and supportive coaching techniques during weekly practices
- Assisted with event logistics across 10+ swim meets, coordinating setup, timing operations, and athlete support to ensure smooth and accessible competition experiences for participants, coaches, and event organizers throughout the competitive swim season

LEADERSHIP & COMMUNITY DEVELOPMENT

Emory University Swimming & Diving

Varsity Swimmer

Atlanta, GA

Sep 2025 – Present

- Compete as a varsity swimmer for Emory's nationally ranked NCAA program, participating in 20+ weekly training hours across practices, lifts, and meets while contributing to team preparation and competitive performance in collegiate competition
- Balance a full academic course load with 20+ hours of weekly swim training, demonstrating time management, resilience, and discipline while collaborating with coaches and 30+ teammates to strengthen team culture and collective competitive performance

Emory Student Alumni Board

Board Relations Member

Atlanta, GA

Sep 2025 – Present

- Strengthen Emory's alumni network by coordinating 5+ student-alumni engagement initiatives, supporting professional development events and fostering meaningful connections between undergraduate students and the alumni community through targeted outreach
- Represent the undergraduate student body in board discussions and outreach programs, collaborating with 10+ board members and alumni leaders to expand participation in mentorship, networking & philanthropic initiatives supporting long-term alumni engagement

Matriculate

Advising Fellow

Atlanta, GA

Sep 2025 – Present

- Selected through a competitive application process to advise 4 high-achieving, low-income students, providing guidance on college applications, financial aid strategy, and academic goal setting through structured mentoring and college-access advising support
- Conduct weekly advising sessions with students to support essay development, school selection, and application planning, helping mentees navigate the college admissions process and strengthen readiness for selective universities through individualized mentorship

NON-TECHNICAL SKILLS & INTERESTS

PROFESSIONAL EXPERIENCE

Foothill Ventures

Incoming Early-Stage Venture Summer Analyst

Los Altos, CA

Jun 2026 – Aug 2026

- Joining Foothill Ventures as a Summer Analyst to support the team in making early-stage investments in infrastructure/AI applications

Bank of America

MAP Investment Banking Fellow; Team Captain

Remote

Jan 2026 – May 2026

Selected Transaction Experience | [Pitch Book](#) | [Client Presentation](#) | [Final Recommendation](#)

- Delcath Systems — *Oncology Drug-Delivery Platform (Healthcare Advisory / Capital Markets & Strategic Advisory Simulation)*
 - Led Initiation Phase as 1/15 captains (~2%) from 654 fellows, directing a 5-person deal team through ~5 research sprints/week to recommend Delcath Systems as a strategic acquisition, culminating in a live virtual presentation to BofA bankers on 3/23/26
 - Developed a macro healthcare landscape assessment referencing ~\$9.0T global TAM (2024–2025) and ~\$8.9T serviceable market, prioritizing Pharmaceuticals (7.4% share)/Medical Devices (2M+ device categories) to contextualize Delcath's promise
 - Constructed a company-level investment profile analyzing Delcath's HEPZATO KIT platform, 76-employee footprint, and competitive positioning against ~5 key industry peers (Keytruda, Opdivo/Yervoy, and Sorafenib) to inform diligence priorities

Lionsbridge Financial Fellowship

Columbia University Center for Career Education Fellow

New York, NY

Nov 2025 – Dec 2025

- Selected as 1 of 54 participants for a 3-day accounting, finance, and valuation bootcamp led by Chris McGowan, building a financial model and analyzing Peloton statements to strengthen fundamental skills required across IB deal and pitch processes
- Collaborated in multi-team workshops, site visits with 3 finance firms, and peer modeling sessions to interpret key drivers and KPIs, improving analytical fluency, communication, and readiness for analyst-level responsibilities in investment banking

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Columbia Women's Volleyball

NCAA Division 1 Student-Athlete

New York, NY

Aug 2025 – Present

- Dedicate 30+ hrs/week to practices, lifts, travel, film, and team meetings while maintaining Dean's List coursework, strengthening endurance, reliability, and execution under sustained pressure to support consistent performance across competitive cycles
- Started every match as a freshman by preparing through scouting, recovery routines, and 20+ weekly touchpoints with coaches and teammates, enhancing adaptability, situational awareness, and on-court decision-making in fast-changing environments

SIVBC/WVBA

Club Volleyball Captain

Bellevue, WA

Nov 2021 – Apr 2025

- Captained elite club teams for 6 years by directing weekly team sessions, coordinating strategy with coaches monthly, and supporting 10–14 athletes, contributing to two third-place national finishes and strengthening composure in high-performance settings
- Oversaw practice flow, communication standards, and performance expectations while meeting regularly with coaches to refine priorities, enhancing group cohesion, accountability, and the clarity needed to sustain competitive momentum

Hunger Intervention Program

Volunteer

Lake City, WA

Jan 2017 – Apr 2025

- Volunteered 3–9 hrs/week across 8 years preparing meals and youth food packs for two school districts, supporting thousands of distributions and strengthening reliability, attention to detail, and steady performance across shifting community needs & demands

Lakeside School

Varsity Volleyball Captain & Spirit Club Founder

Seattle, WA

Aug 2021 – Nov 2024

- Led a 14-player varsity team as a two-year captain and four-year starter while founding Spirit Club for a 600-student community, coordinating weekly meetings and coach touchpoints to strengthen cohesion, shared standards, and day-to-day performance culture
- Directed practices, leadership sessions, and school-wide engagement initiatives by collaborating with coaches, administrators, and student leaders across 10+ planning cycles, enhancing communication flow, participation, and the consistency of community impact

SKILLS & INTERESTS

- **Programs:** Microsoft Excel, PowerPoint
- **Skills and Language(s):** English (Fluent), Chinese - Mandarin (Fluent), Spanish (Intermediate; 8 years of study)
- **Early Insight Program(s):** 2026 Goldman Sachs Possibilities Series, 2026 Guggenheim Freshman Day on the Job
- **Interests:** Watching football, spending time with friends and family, traveling, trying new activities, meeting new people!

EDUCATION

Georgetown University

Bachelor of Arts in Business Administration

Washington, DC

Expected Graduation: May 2029

- **Cumulative GPA:** 3.54/4.0 | **ACT:** 34
- **Honors/Awards:** NCAA Student-Athlete (Men's Varsity Rowing), John Carroll Baran, Ignatian GU, Moran Family Rowing Scholar, Wings of Eagle, Barnard Family Memorial, Marine Corps Scholarship Foundation Semper Fidelis Leadership
- **Relevant Courses:** Financial Accounting, Economics, Calculus, Management, Operations and Analytics
- **Finance Certification(s):** Wall Street Prep Accounting & Financial Statement Analysis (ongoing)

PROFESSIONAL EXPERIENCE

Echo Health

Incoming Finance Intern

Westlake, OH

Jun 2026 – Aug 2026

- Selected for a finance internship supporting a healthcare payments network processing \$200B+ in annual transaction volume across 1.6M+ provider and vendor relationships, gaining exposure to large-scale financial operations and payment infrastructure systems
- Expected to analyze healthcare payment data using Excel and financial reporting tools to reconcile transaction flows, track KPIs and identify opportunities to improve operational efficiency and reduce processing inefficiencies across several payment workflows

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Stripe — *Global Payments & Financial Infrastructure Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Planning Phase for a Morgan Stanley-style case, analyzing Stripe by structuring 5+ financial assumptions tied to digital payments growth/AI-powered fraud prevention/long-term fintech scalability
 - Defined 5+ diligence priorities for a 5-person deal team, including pricing sensitivity, macro exposure, competitive fintech pressures and dependence on new product expansion, enabling downstream workstreams to pressure-test assumptions & thesis
 - Built 4+ banker-style exhibits evaluating Stripe's embedded AI capabilities, payments ecosystem and expansion into financial automation tools, establishing frameworks around margin trajectory, take-rate sustainability and durable competitive positioning

Georgetown University Alumni and Student Federal Credit Union

Director

Washington, DC

Aug 2025 – Present

- Manage a 40+ intern Auxiliary Department at the world's largest entirely student-run financial institution, supporting operations tied to \$20.1M in peak AUM while leading/directing workshops and partnerships across multiple Georgetown campus clubs/organizations
- Led 5+ financial literacy initiatives and completed a semester-long project launching metal debit and holiday cards for many high-value members, strengthening member engagement, operational strategy and product development in a student-run banking environment

York and Sprague, LLC

Office Administrator

North Royalton, OH

May 2022 – Aug 2025

- Oversaw spending accounts and financial operations for a \$1.1M service-industry business while reconciling 2,000+ transactions, maintaining budget alignment & balanced financial records that contributed to company's first-time audit approval + stronger accuracy

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Georgetown University | NCAA Division I Men's Rowing

Varsity Student-Athlete

Washington, DC

Aug 2025 – Present

- Commit 30+ hours weekly to Division I rowing through training, travel and competition across 13 annual races, earning an \$80K athletic scholarship while placing 8th internationally at 2025 Head of the Charles Regatta & earning invitation to U19 USRowing Camp

Marine Corps Scholarship Foundation

Member

Washington, DC

Jul 2025 – Present

- Selected as 1 of 4 students from ~20,000 eligible applicants for the Marine Corps Scholarship Foundation's premier leadership scholarship, recognizing academic achievement, leadership potential & sustained commitment to service initiatives + civic engagement
- Participated in 5+ networking and leadership events across Chicago and Washington, D.C., engaging with military officers and business leaders to strengthen professional communication, mentorship and leadership development skills in professional settings

NASA Engineering Institute

Researcher

Cleveland, OH

Aug 2023 – May 2025

- Designed and programmed solar power circuits in C++ for lunar modules, enabling automatic power rerouting under low-energy conditions to support NASA's Power Management and Distribution research initiatives for space systems applications and testing
- Collected and analyzed telemetry data from 10+ circuit prototypes while collaborating with NASA engineers during biweekly technical reviews, strengthening systems analysis/technical communication/iterative engineering problem-solving skills across engineering teams

SKILLS & INTERESTS

- **Skills and Language(s):** Proficient in Microsoft Office Suite, Java (AP Computer Science), C++
- **Interests:** Cleveland Sports Fan, Violinist, Social Media Brand Ambassador, Vinyl Collector, Wes Anderson Movies, Skiing

PROFESSIONAL EXPERIENCE

Morgan Stanley

MAP Investment Banking Fellow

Remote

Mar 2026 – Present

Selected Transaction Experience

- Vanta — *Security Compliance Automation Platform (Tech M&A / Strategic Advisory Simulation)*
 - Selected as 1/75 NCAA athletes (~20%) to lead the Planning Phase for an MS-case, analyzing Vanta by structuring 5+ financial assumptions tied to ARR growth, compliance automation demand & long-term scalability across cybersecurity software markets
 - Built 4+ banker-style exhibits evaluating Vanta's AI-driven compliance platform, recurring SaaS revenue model and competitive positioning, establishing frameworks around pricing power, margin durability, and long-term value creation within cloud security
 - Defined 5+ diligence priorities for a 5-person deal team, including regulatory risk, market saturation, private-company financial visibility & differentiation versus competitors, enabling downstream workstreams to stress-test assumptions/refine team's thesis

University Orthopedics and Brown Health | Hospital and Orthopedic Surgery Center

Assistant and Intern

Providence, RI

May 2024 – Jul 2025

- Shadowed an orthopedic surgeon across 7–10 daily patient visits, observing musculoskeletal evaluations, imaging review and treatment planning while strengthening understanding of post-surgical care, chronic injury management and clinical decision-making workflows
- Supported patient experience by assisting 10+ patients daily with mobility devices and helping patients communicate symptoms effectively, improving exposure to patient interaction, healthcare operations and multidisciplinary coordination in a fast-paced setting

Academy Physical Therapy | Sports Performance Physical Therapy Clinic

Assistant and Intern

Providence, RI

Aug 2022 – Jul 2025

- Guided 15+ patients weekly through therapist-prescribed rehabilitation programs, ensuring proper form and exercise execution across post-surgical & musculoskeletal recovery plans within a sports performance physical therapy environment serving athletes/individuals
- Reviewed 10+ patient histories alongside supervising therapists to identify recovery plateaus and recommend care-plan adjustments, strengthening analytical thinking, communication skills and understanding of rehabilitation progress monitoring processes across cases

LEADERSHIP & COMMUNITY DEVELOPMENT

Tufts University | Cross Country and Track | NCAA Athletics

Varsity Student-Athlete

Medford, MA

Aug 2025 – Present

- Contributed to a 2025 NESCAC Conference Championship while balancing 25+ hours weekly of training, travel and competition alongside a full academic course load within a high-performance collegiate athletic environment throughout year-round competition
- Earned 7-time Nationals Qualifier honors alongside multiple All-New England and All-State selections, demonstrating sustained elite performance, leadership and competitive consistency as a 3-time team captain and school record holder across regional/national stages

Gooseberry Beach | Operations and Management

Lifeguard Captain

Newport, RI

May 2020 – Aug 2025

- Managed a team of 5 lifeguards while collaborating with senior management to improve daily beach operations, strengthen safety protocols and maintain efficient coordination across high-traffic summer environments during peak seasonal attendance periods
- Maintained CPR, First Aid and Rhode Island State Surf Rescue certifications across 5 consecutive seasons, demonstrating reliability, emergency preparedness and composure while ensuring swimmer safety in dynamic coastal conditions + in unpredictable emergencies

Leadership Academy | School Operations and Developmental Projects

Senior Member

Warwick, RI

Aug 2022 – Jun 2024

- Managed a charity-centered snack bar operation generating \$5K+ annually for local nonprofits while leading civic engagement research projects and strengthening operational, leadership and project management skills across community initiatives and outreach
- Participated in 10+ leadership seminars and executive discussions with professionals from CVS, HealthCor and KLR, building commercial awareness, communication skills and exposure to organizational leadership and strategic decision-making processes

PROJECTS

AI Predictive Model Construction | Northfield Mount Hermon

Providence, RI

- Built linear regression and deep neural network models predicting heart disease development with 80%+ accuracy for the high school

Board Member and Advisor | Be Great For Nate Inc

Providence, RI

- Led fundraising initiatives generating \$300K+ for youth mental health programs while supporting advocacy efforts in Rhode Island

NON-TECHNICAL SKILLS & INTERESTS

Skills: Python, Microsoft Excel, PowerPoint, Wet Lab Techniques | **Interests:** Reading (Atomic Habits, The Ritual Effect, The Pharmacopoeia Guide); Skiing, Surfing, Sailing, Travel, Fitness. Technology
