## Turkey and Biscuit Supper

Thursday, April 4 4:30 -7pm

First United Methodist Church – Trinity Hall

Adults - \$10 Children 12 and under - \$5.00 Carry outs available

Mark your calendar for this all you can eat event. Hot turkey and veggies served with homemade biscuits and a variety of salads and desserts. The perfect way to end a busy day – a good meal and a chance to visit with friends and neighbors.

Turkey sponsors are needed as well as volunteers to make pies and salads. We will also need a crew to debone the cooked turkeys, set the tables, make gravy and do a million other things on the day of the supper. If you can help please call Laurie 945-0827.

Proceeds will help fund *Pennies for Robert* – providing travel funds for cancer patients that need to leave our community for care and those coming from surrounding communities to the Helmsley Center for treatment.

*Pennies for Robert* - \$13,995 distributed in January 2019

A record month for Pennies for Robert is not something to celebrate. It means that many trips were made for cancer care, days were lost at work and families were separated. That's the bad news. The good news is that because of you the trips cost a little less and when patients walked out of our office with their travel funds they also felt your support and encouragement. A check in hand and an unspoken prayer for a safe trip and successful treatment. You do good work...

### Avera @ Home Hospice

As you know, Countryside has not provided Hospice care since 2003 when we moved into the community. Since that time St Mary's staff and currently Avera @ Home Hospice staff has been providing end of life care for patients and their families.

Hospice is still at the heart of Countryside's mission and each month with your help we provide funding to Avera @ Home Hospice to help supplement the care covered by Medicare and insurance. This gift allows staff to provide additional nursing and home health aide visits and special services such as massage therapy. In addition, the funds help offset some of the expenses that families would normally have such as non-emergency ambulance transport for patients, nutritional supplements, personal care items and special equipment. Extra funding also allowed a home health aide to be present in the nursing home setting at noon to assist a hospice patient with their lunch. The team has used the extra funds wisely.

You gave the gift – we passed it on – they made it happen - Thank you!

Happy  
Birthday!

In honor of Enid Hyde
