### Thrift Store

**Shopping:** Tuesday – Friday 10am – 5pm

Saturday 10am – 3pm

**Donations:** Monday – Friday 8am – 4pm

Saturday 8am – 3pm

Sunday 11:30 – 2pm

Halloween and fall are out in full force at the thrift store. Stop in today for all your home and yard decorating needs. Halloween costumes will be out soon – we will have a great selection for whatever form trick or treating takes this year – or maybe just for dress up. Christmas will follow quickly as rumor has it that we have a great selection of trees...and maybe ornaments...and possibly dishes... Oh my ...

### Golf balls galore!!

This summer Ed Jacobson – with help from Sandy – has gathered and packaged 2,796 golf balls to sell at the thrift store! That is a lot of time and energy (and lost balls!). So, the next time you are at the local course, and your shot doesn't go straight and true, don't think of it as a lost ball – think of it as a donation to Countryside! Thank you, Ed and Sandy.

### Thank you...

Thank you to Dan Rice and Doug Kuiper for the donation and delivery of a storage shed for St Benedict's.

Thank you to Jamie Hillmer from the Helmsley Center for speaking with the Breast Cancer Survivors Group on August 5<sup>th</sup>. Jamie detailed the latest in diagnostic and treatment plans for patients with breast cancer and led a great discussion on immunotherapy and genetic testing.

### Filling the freezer...

Fall is coming and the freezer at St Benedict's is almost empty – small containers (one or two servings) of soups, chili and casseroles would be greatly appreciated by our guests. Thanks for helping out.

## Just a thought ...

If you watch HGTV too long, you'll become dissatisfied with your home.  
If you stay on social media too long, you'll become dissatisfied with your life.  
If you watch the news too long, you'll become dissatisfied with the world.

Unplug.

Pray.

Read any book.

Spend time with loved ones.

Take a walk.

Our minds are easily influenced, but we control what the influences are. Choose wisely.

## New in the library

We have the following books by Alan D. Wolfelt available for loan – actually if you borrow one of these books, and it is helpful, we want you to keep it as long as you need it and then pass it along to someone else. It doesn't help anyone to have books on a shelf, they should be on your coffee table, your bedside stand or maybe even in your purse or pickup.

The books are small – about 100 pages and each chapter is one page – each topic gives you something to think about or suggestions about how to handle certain emotions and situations. They also help you make a plan of action so you are prepared for things such as “grief bursts” and help you understand the importance of “linking objects”. They give you permission to say no, to cry and to look ahead without forgetting the past.

## *Walk for Hope*

Saturday, September 18 - 9 am - Capitol Lake Visitors Center

This year, we need your support more than ever. You can make a difference by joining us on Saturday, September 18 at the Capitol Lake Visitors Center for the 10th **Walk of Hope**, an annual event that brings people together to prevent suicide.

With your participation, we can reach more people than ever before. Join in person or virtually to be part of a strong community united to fight suicide. Walk of Hope is sponsored by the Foundation of Hope – Central SD - follow them on Facebook or contact Julie Moore at [Julie.Moore@avera.org](mailto:Julie.Moore@avera.org) or 605.224.3451 for more information. Money raised will be used for education, awareness and prevention activities.
