About this Reconnection

This is more than a journey through Ghana. **It is a structured return**—designed with purpose and anchored around **SavannahFest & Investment Expo 2026 (November 16–20)**.

Royal Diaspora Reconnect (RDR) serves as the official Diaspora link to SavannahFest and its convener, the Royal Savannah Forum (RSF). SavannahFest is the premier platform where culture, leadership, and opportunity converge in Northern Ghana.

Your Journey Unfolds in Stages

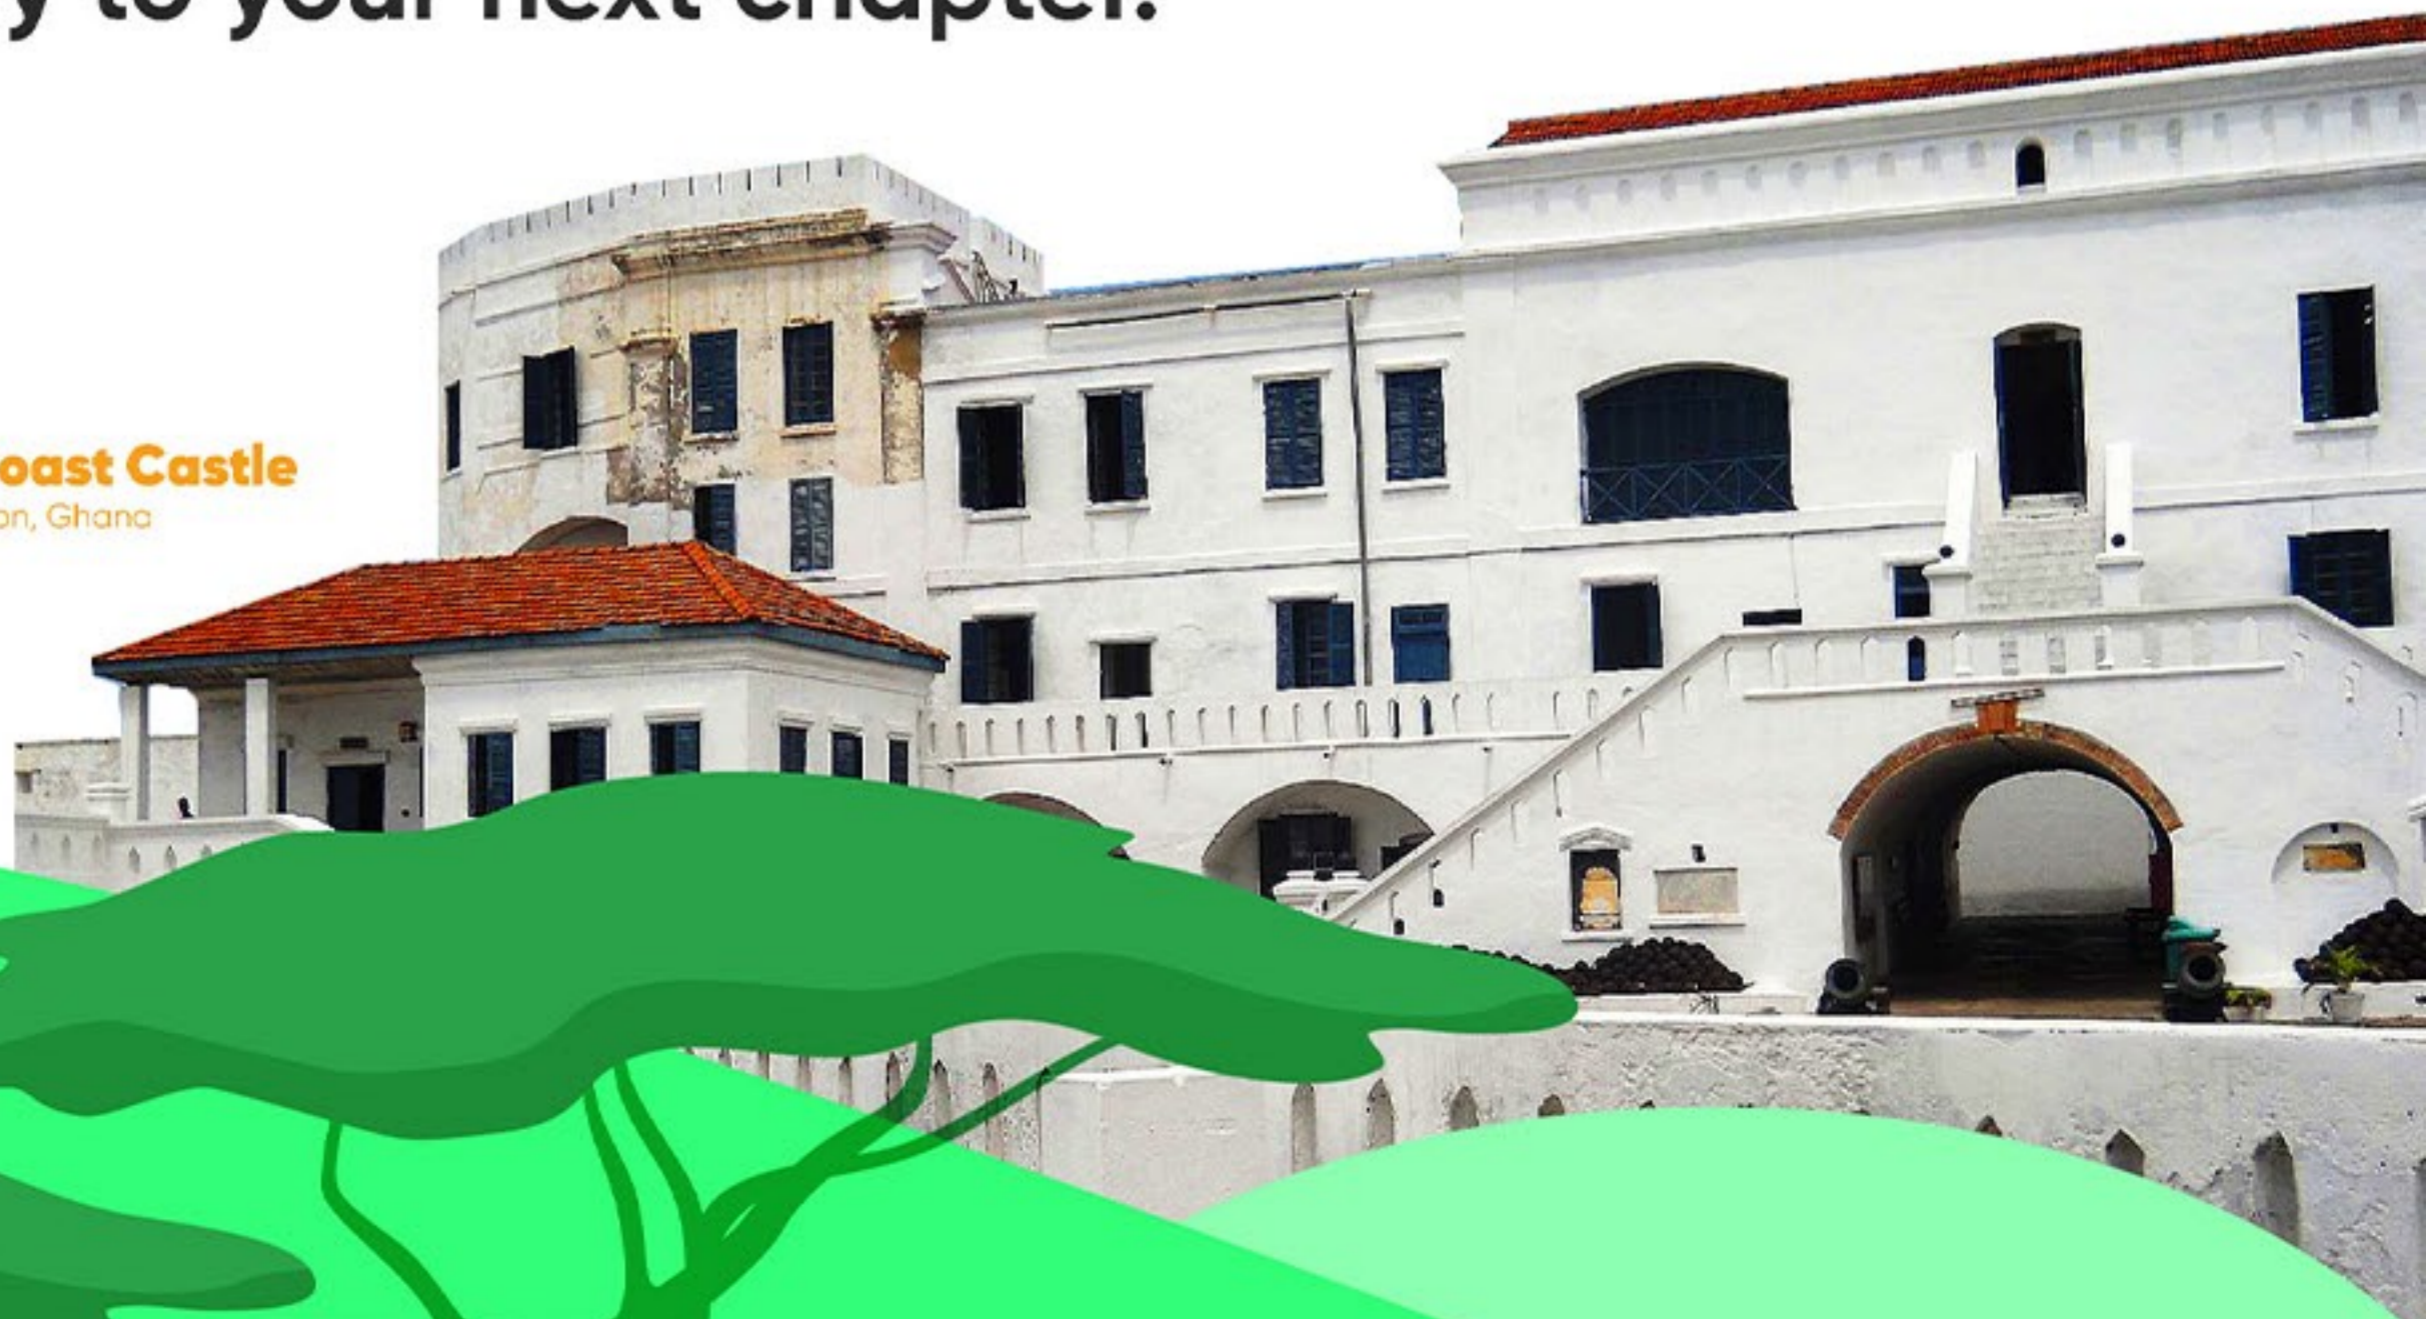

You will first:

- Walk the paths of history along Ghana's coast
- Engage with heritage, memory, and identity
- Experience the cultural foundations of the nation

Then, you will move north—into an ancient region rich in history, culture, land, and emerging opportunities— where SavannahFest becomes both the culmination of your journey and the **gateway to your next chapter.**
