

1 GHISLAINE MAXWELL: I mean, I don't --

2 TODD BLANCHE: Yeah, that's -- don't over  
3 think or under think the reason for my questions.

4 I don't -- I don't have any idea why you  
5 went on that trip, so I don't know an answer that I'm  
6 getting from you.

7 GHISLAINE MAXWELL: No, I'm just trying to  
8 be as accurate as possible and give you the  
9 information that you seek.

10 TODD BLANCHE: Why would you -- do you  
11 remember why you were invited to go? Like were you  
12 -- were you friends with somebody? What was your  
13 role going on that trip?

14 GHISLAINE MAXWELL: I didn't have a role.

15 TODD BLANCHE: So do you remember why --  
16 do you remember who invited you to go?

17 GHISLAINE MAXWELL: If -- probably  
18 Doug Band.

19 TODD BLANCHE: And how did you know Doug?

20 GHISLAINE MAXWELL: Because Doug and --  
21 again, back with Philip Levine.

22 TODD BLANCHE: Got it. And do you know  
23 whether he had a relationship with Mr. Epstein?

24 GHISLAINE MAXWELL: Who?

25 TODD BLANCHE: Doug.

1                   GHISLAINE MAXWELL: I -- I don't know. I  
2 mean, nothing. He -- I don't believe there was any  
3 relationship, other than I helped -- well, without  
4 me, I don't think there would've been those flights,  
5 because I was the one who asked Epstein to provide  
6 the plane for -- well, certainly I remember the one  
7 to Africa, of course, that big trip.

8                   And I thought it was an honor and a  
9 privilege to be part of something so amazing and to  
10 have an opportunity to spend time with a man that I  
11 found truly extraordinary.

12                  And please, I don't mean it in any other  
13 way, other than as a former fantastic ex-president.  
14 I don't --

15                  TODD BLANCHE: So I was asking around the  
16 question, but I'll just ask it: like, were you  
17 basically asked to go because you were kind of  
18 responsible for the plane?

19                  Responsible is the wrong word. They use  
20 you -- they were able to use you to make sure that  
21 they could -- you helped them get Mr. Epstein's plane  
22 for the trip?

23                  GHISLAINE MAXWELL: No, I don't even know  
24 if when I was on that -- in fact, I think -- I think,  
25 that trip, I'm not even sure that Epstein had met the

1 President.

2 TODD BLANCHE: Okay.

3 GHISLAINE MAXWELL: I think this is -- but  
4 if I'm right, and I think I am, I think that trip  
5 happened when Epstein and Clinton had never even --  
6 not that they'd never met, because Epstein had gone  
7 to the White House, but they had not met.

8 I'd never asked Epstein for the plane then  
9 because they'd never met and it would be weird. But  
10 they met because of me and the plane was because of  
11 me. But that trip was the first, I think, the first  
12 trip I took with the ex-president. And I don't  
13 believe Epstein and he had met.

14 And we're talking a time period when I was  
15 trying to --

16 TODD BLANCHE: Yeah.

17 GHISLAINE MAXWELL: -- leave. Not very  
18 successfully obviously, but I was branching out on my  
19 own and being more independent of Mr. Epstein and  
20 trying to -- all kinds of businesses that I was into.

21 I was trying to start the first telehealth  
22 medicine with the Cleveland Clinic. I mean, I'm not  
23 going to bore you, because I don't think that's what  
24 you guys are interested in, but those were the sorts  
25 of things that I was looking for him to finance, so

1 that I could stop being, you know, a general manager  
2 of a hotel.

3 TODD BLANCHE: Did you -- so did you take  
4 other trips with some or all of those individuals,  
5 kind of without Mr. Epstein in later years? Like,  
6 you said that was the first time that you had kind of  
7 been on something like that and it was an honor and  
8 you were spending time with former President Clinton  
9 and others.

10 Were there other -- over the years, did  
11 you do that more than once?

12 GHISLAINE MAXWELL: Yes.

13 TODD BLANCHE: We'll talk about those.  
14 Like multiple times, like too many to count or there  
15 three or four times. Like how many times?

16 GHISLAINE MAXWELL: A lot. A lot. I went  
17 on a lot of trips. Now I don't recall all of them.  
18 Not because I'm trying to be evasive or anything, but  
19 I just don't remember them all.

20 And after a while, you know, in the  
21 incredible job that you have, all of you, that when  
22 you're so high pressured and you're spending so much  
23 time with extraordinary people like you do with  
24 President Trump, it -- it can blur. It just does.

25 And those few things that stand out,

1 because at the end it's all just extraordinary as  
2 cars and sirens and president. It's like, whoa,  
3 okay.

4 TODD BLANCHE: So, I understand, but  
5 talk -- so don't give me spec- --

6 GHISLAINE MAXWELL: Right.

7 TODD BLANCHE: -- I understand you can't  
8 give specific numbers. What -- describe more about  
9 kind of your, that part of your life and your  
10 relationship. I'm using "relationship." You don't  
11 like relationships.

12 GHISLAINE MAXWELL: Right, right.

13 TODD BLANCHE: And your -- sorry. And  
14 your --

15 GHISLAINE MAXWELL: My employer.

16 TODD BLANCHE: Yes. Just describe your --  
17 what you were doing with those individuals. So when  
18 I say "those individuals," I'm talking about former  
19 President Clinton, Doug, other folks that worked with  
20 him.

21 GHISLAINE MAXWELL: All of them. Yes.  
22 There were loads of them. And just all of them, you  
23 know the team, I don't need to give you all the  
24 names. You have them at your fingertips and I can  
25 confirm. If you give me names, I'll say yes, because

1 they're not all going to pop into my head, so.

2 TODD BLANCHE: Right.

3 GHISLAINE MAXWELL: Okay. So I started  
4 spending a lot of time. I don't want to characterize  
5 that, but I started spending time with the former  
6 President and with Doug and his team.

7 And then it -- I had no purpose, really,  
8 other than I had -- I obviously offered something, I  
9 don't know, ideas of -- I don't know.

10 Anyway. And he started to travel. I  
11 don't remember if the first trip was Africa or how it  
12 went, but at some point, I think there was actually  
13 two trips, but I'm not sure. So there was to Europe  
14 and then to Africa, I think maybe it was all one  
15 trip.

16 And at some point, Mr. Epstein said he  
17 didn't want to go on the trip and he was going  
18 somewhere else and he just left. And I was like,  
19 well, okay. And so I ended up doing the whole trip  
20 without Mr. Epstein or his plane.

21 TODD BLANCHE: And when you were traveling  
22 with them, what were the purposes of the trips? Like  
23 is this one --

24 GHISLAINE MAXWELL: I think these were  
25 all -- I think actually it was the AIDS, was one of

1 the primary ones, for his AIDS Foundation, when he  
2 was working to do that. And there were always a  
3 humanitarian side to the trips.

4 And we went to Egypt and to, there was --  
5 oh, yeah.

6 TODD BLANCHE: So there -- so it sounds  
7 like you're describing one -- right now, one trip  
8 with lots of stops.

9 GHISLAINE MAXWELL: It could be, but I  
10 have a feeling that I went on other trips, but I  
11 can't remember.

12 TODD BLANCHE: When you -- when you went  
13 on these --

14 GHISLAINE MAXWELL: I went to London.

15 TODD BLANCHE: Went to London. Okay.

16 GHISLAINE MAXWELL: I don't know if that's  
17 the same trip.

18 TODD BLANCHE: When you went on these  
19 trips, that -- were you always on Mr. Epstein's  
20 plane?

21 GHISLAINE MAXWELL: No.

22 TODD BLANCHE: -- Or did you sometimes  
23 accompany them on a different plane?

24 GHISLAINE MAXWELL: Correct. Yes.

25 TODD BLANCHE: How many were on

1 Mr. Epstein's plane? Again, I'm not holding you to  
2 exact, but --

3 GHISLAINE MAXWELL: That was a full, that  
4 was packed. Because it was a lot of secret service.  
5 It took all the Secret Service as well.

6 TODD BLANCHE: Okay.

7 GHISLAINE MAXWELL: So it was whatever the  
8 detail is for Secret Service, it's a lot.

9 TODD BLANCHE: And on how many occasions,  
10 besides the trip you just described, were there other  
11 times when they used -- when President Clinton and  
12 the folks he was with, used Mr. Epstein's plane?

13 GHISLAINE MAXWELL: I think it was --  
14 there was twice, maybe. There was that. But it will  
15 reflect on the logs. There won't be anything that's  
16 not on the logs that you have already.

17 TODD BLANCHE: Were you, by the way,  
18 responsible for the logs in any way? Like, you've  
19 seen the logs and they're public and you have them in  
20 discovery.

21 But over the years when you were working  
22 with or for Mr. Epstein, did you have access to the  
23 logs?

24 GHISLAINE MAXWELL: I was, not. No,  
25 never. The pilots -- the logbook was their personal

1 logbook.

2 I never even saw them have it. I never  
3 saw them fill it in. And then there was a second set  
4 of logs, the -- the flight manifests. And I never  
5 saw those either. I was never -- I was never  
6 allowed, I suppose. Because he didn't want me to  
7 see.

8 TODD BLANCHE: Do you know -- so do you  
9 know whether Mr. Epstein had a separate relationship  
10 with -- with President Clinton, different from the  
11 what you just described? So different than being  
12 with him, with respect to his foundation or something  
13 like this?

14 GHISLAINE MAXWELL: I would say no.

15 TODD BLANCHE: When's the last time that  
16 you went on a trip or saw President Clinton?

17 GHISLAINE MAXWELL: It was in -- was late  
18 2000 and, I don't know, '16, '17, '18, something  
19 in -- it was in Los Angeles.

20 TODD BLANCHE: And what was the purpose of  
21 that meeting?

22 GHISLAINE MAXWELL: I think he was hosting  
23 something or he was at an event and I was in L.A. and  
24 I had dinner with him.

25 TODD BLANCHE: Had -- did you ever meet

1 Secretary Clinton, Hillary Clinton?

2 GHISLAINE MAXWELL: Yes.

3 TODD BLANCHE: When did you meet her?

4 GHISLAINE MAXWELL: I want to say --  
5 again, please don't hold me to it, but I want to say  
6 that it was on a flight that came from the island  
7 from -- not from the island, from the Nantucket or --  
8 or Martha's Vineyard back to New York, is what I  
9 think. I might be wrong.

10 TODD BLANCHE: Okay. So some -- an East  
11 Coast island, like Nantucket --

12 GHISLAINE MAXWELL: Yes.

13 TODD BLANCHE: -- Or something like this?

14 GHISLAINE MAXWELL: Yes. No, -- the  
15 Clint- -- the ex-president never came to the island.

16 TODD BLANCHE: And did you -- is that the  
17 only time that you met Hillary Clinton?

18 GHISLAINE MAXWELL: No, I went to the  
19 house in Chappaqua a few times.

20 TODD BLANCHE: And why did you go to the  
21 house?

22 GHISLAINE MAXWELL: I was invited.

23 TODD BLANCHE: Just to see  
24 President Clinton or Hillary Clinton or both or --

25 GHISLAINE MAXWELL: Yeah, I mean, as a

1 friend, not for -- I don't -- there was no -- I don't  
2 remember any reason, either was somehow I  
3 communicated that was in coming, driving back past  
4 Chappaqua or if they were home and stop in.

5 And it's -- I know it sounds a little  
6 flippant, but it could -- it could have even  
7 something as --

8 TODD BLANCHE: And do you know whether  
9 Mr. Epstein had -- knew or had any sort of visit  
10 dealings or -- associated with Hillary Clinton?

11 GHISLAINE MAXWELL: I would say no.

12 TODD BLANCHE: Did -- did you ever see  
13 them together?

14 GHISLAINE MAXWELL: No.

15 TODD BLANCHE: Did -- do you know whether  
16 Mr. Epstein ever did any business transactions with  
17 the Clintons?

18 GHISLAINE MAXWELL: I would -- well, I'm  
19 not sure I can. I'm not sure how to quite -- I don't  
20 know the answer to that strictly, because, I was -- I  
21 was part of the beginning process of the Clinton  
22 Global Initiative.

23 And that was something that I helped with  
24 and that was me, and Epstein may have helped me help  
25 them. And in that context, he may well have involved

1 himself, but only in the context of something that I  
2 was trying to do.

3 TODD BLANCHE: So when you say "involved  
4 himself," meaning like, give money to the Clinton  
5 Global Initiative or something like this?

6 GHISLAINE MAXWELL: Well, so there's that.  
7 I think he did do that. And that, I believe, the  
8 money that he may have given could have been  
9 independent of me. But I think it's just easier if I  
10 just tell you how it happened, rather than --  
11 otherwise it sounds all odd and funky. I went to  
12 Davos with a former president and I -- have you been  
13 to Davos?

14 TODD BLANCHE: In what?

15 GHISLAINE MAXWELL: Have you been to  
16 Davos?

17 TODD BLANCHE: I have not.

18 GHISLAINE MAXWELL: Okay. Well, you know,  
19 it's a -- you know what it is, right? Okay. So --  
20 and I was -- I thought the former president should  
21 have his own Davos, because it would be -- and they  
22 had -- it turned out, that they had been thinking  
23 about it anyway.

24 And so we were talking about it and, you  
25 know, it's a very heavy lift to get something like

1 that to go. And I was friendly with one of the  
2 people who had -- I don't know if he was at the  
3 beginning of Davos or -- but he was running Davos.

4 It was just -- I don't know, hard to  
5 describe his actual role at Davos and had  
6 conversations with him about what did he think, you  
7 know? Oh, just because I was having dinner with him  
8 about if Clinton could get something like that to go,  
9 what was his thoughts?

10 And he was very, very enthusiastic. I  
11 mean, he was like, that's just an incredible idea.  
12 So I put them together.

13 TODD BLANCHE: Who -- what's that person's  
14 name? Do you remember?

15 GHISLAINE MAXWELL: I knew you were going  
16 to ask me.

17 TODD BLANCHE: Okay.

18 GHISLAINE MAXWELL: I can -- I can --

19 TODD BLANCHE: Just -- you said -- I  
20 didn't know if you knew his -- if you remember his  
21 name.

22 GHISLAINE MAXWELL: I do know. I do, but  
23 I just --

24 TODD BLANCHE: Can't remember his name.  
25 Okay.

1                   GHISLAINE MAXWELL: It will come to me.  
2   It may come to me tomorrow, but eventually these  
3   things, like, surface from -- like in the middle of  
4   the night, I was scribbling names --

5                   TODD BLANCHE: Yeah.

6                   GHISLAINE MAXWELL: -- that I couldn't  
7   remember from yesterday.

8                   TODD BLANCHE: Okay.

9                   GHISLAINE MAXWELL: But his name will come  
10  to me, and if not, we can find it.

11                  TODD BLANCHE: Okay. So you -- when  
12  the -- just still stay -- staying on your  
13  relationship with -- sorry, the -- your association  
14  with the Clintons.

15                  You were part of the ramp up or the  
16  startup of the Clinton Global Initiative --

17                  GHISLAINE MAXWELL: I was.

18                  TODD BLANCHE: -- and helping them in  
19  supporting that effort.

20                  GHISLAINE MAXWELL: I -- I would say very  
21  central to that, yes.

22                  TODD BLANCHE: And Mr. Epstein, was he  
23  part of the work around that or just in support of  
24  you?

25                  GHISLAINE MAXWELL: He supported me to

1 help them, but then I think he may have tried to use  
2 that to insert himself in some way, that would not  
3 have surprised me at all.

4 And I know that he was annoying, in terms  
5 that I could catch him on the phone and he wouldn't  
6 always agree with what I wanted to do. And I was  
7 like, it's not your idea. I don't really care what  
8 you think, but that didn't go over so well.

9 TODD BLANCHE: And --

10 GHISLAINE MAXWELL: Oh, I just want to  
11 say, it wasn't my idea for his CGI.

12 TODD BLANCHE: Wasn't your -- say it  
13 again.

14 GHISLAINE MAXWELL: It's not my idea.  
15 They had had that idea before. I just helped bring  
16 key personnel to --

17 TODD BLANCHE: You're saying the idea of  
18 President Clinton kind of having his own Davos  
19 like --

20 GHISLAINE MAXWELL: I'm not -- I'm not  
21 owning. I didn't -- that's not --

22 TODD BLANCHE: Understood.

23 GHISLAINE MAXWELL: I don't want anyone --  
24 I don't try to elevate myself in any form of  
25 importance here.

1 TODD BLANCHE: No, I understand.

2 GHISLAINE MAXWELL: Okay.

3 TODD BLANCHE: Did you go to Davos with  
4 President Clinton more than once or just once?

5 GHISLAINE MAXWELL: I can't remember.  
6 Once for sure. And I think maybe twice, but I don't  
7 remember.

8 TODD BLANCHE: Did -- and you're not, I  
9 think you said, you don't -- you're not aware of  
10 President Clinton ever going to the island?

11 GHISLAINE MAXWELL: He never. Absolutely  
12 never went. And I can be sure of that because  
13 there's no way he would've gone -- I don't believe  
14 there's any way that he would've gone to the island,  
15 had I not been there. Because I don't believe he had  
16 an independent friendship, if you will, with Epstein.

17 Did they speak? Did he go? Yes, but  
18 that's very different from going to spend time on an  
19 island.

20 And plus, the story as told is so patently  
21 absurd that I flew him in the helicopter. I am a  
22 helicopter pilot, that is true. But the notion of me  
23 flying an ex-president in a machine. That would  
24 terrify me. I would never even take that  
25 responsibility. Can you imagine? Yeah, no. I'm not

1 -- I'm -- no.

2 TODD BLANCHE: Did -- did you ever go with  
3 President Clinton to any of Epstein -- Mr. Epstein's  
4 properties?

5 GHISLAINE MAXWELL: I --

6 TODD BLANCHE: -- so like New Mexico,  
7 Palm Beach, or in New York?

8 GHISLAINE MAXWELL: I have no memory of  
9 him in any of those places.

10 TODD BLANCHE: When you were in London  
11 with President Clinton, did you -- did you ever go to  
12 your -- to your flat with him?

13 GHISLAINE MAXWELL: I don't think he did.  
14 I don't -- I don't think so, because this, like, it's  
15 like -- he wouldn't even -- he wouldn't even be able  
16 to carry all his Secret Service with him. I don't  
17 think so, no.

18 TODD BLANCHE: Okay. Do you know -- we  
19 talked a little about the Duchess of York, about  
20 Sarah Ferguson yesterday.

21 Did -- when's the -- when the last time  
22 you, like -- when's the last time you, you saw her?  
23 Like, were you -- were you -- do you have a -- were  
24 you with her or hang out with her, socializing with  
25 her, in the '90s, 2000s? Both?

1                   GHISLAINE MAXWELL: She's -- well, I had  
2 a -- I don't know if she liked me very much. I think  
3 my friendship with her ex-husband -- well, sometimes  
4 she really did like me and sometimes she didn't. So  
5 maybe a frenemy, I don't know.

6                   TODD BLANCHE: Okay.

7                   GHISLAINE MAXWELL: I -- it was always  
8 friendly when we were together, but I think that  
9 there was some latent hostility. And I --

10                  TODD BLANCHE: Is that something you've  
11 heard since everything came out or along the way you  
12 felt that way?

13                  GHISLAINE MAXWELL: No, that's how I felt.  
14 That -- that is a characterization of myself. That's  
15 how I felt about her. I would never -- I was always  
16 friendly with her. I mean, she's -- I mean, I've  
17 seen her many, many times and she's also super, super  
18 close with other people I'm very good friends with in  
19 England. I think that -- I think that she liked  
20 Mr. Epstein.

21                  TODD BLANCHE: Why do you think that?

22                  GHISLAINE MAXWELL: My female intuition.

23                  TODD BLANCHE: Okay.

24                  LEAH SAFFIAN: Discovery.

25                  GHISLAINE MAXWELL: Oh.

1 LEAH SUFFIAN: The letter.

2 GHISLAINE MAXWELL: I don't remember it.

3 TODD BLANCHE: It's okay.

4 GHISLAINE MAXWELL: Okay. I don't -- it's  
5 possible that there's things -- well, I know -- it's  
6 not possible. I know that there is discovery, but I  
7 don't recall. But I think she had a thing for him.

8 TODD BLANCHE: Did -- there's some actors  
9 or some folks from Hollywood that I want to ask you  
10 about, just to understand whether you knew them or  
11 Mr. Epstein knew them. Chris Tucker?

12 GHISLAINE MAXWELL: Yes.

13 TODD BLANCHE: How did you know  
14 Mr. Tucker?

15 GHISLAINE MAXWELL: I think only from that  
16 flight to Africa. But I do think that they met --

17 TODD BLANCHE: You say that flight to  
18 Africa, the one we were just talking about with --

19 GHISLAINE MAXWELL: Yes.

20 TODD BLANCHE: -- President Clinton?

21 GHISLAINE MAXWELL: Yes. Sorry.

22 TODD BLANCHE: Sorry, go ahead. Yep.

23 GHISLAINE MAXWELL: But I also think that  
24 they kept a little bit in touch and I think we met,  
25 or I have a memory of him maybe in L.A., I don't

1 know. I think they sort of loosely stayed in touch.  
2 I wouldn't -- I don't think it -- I don't know. I  
3 don't know how to say that.

4 TODD BLANCHE: Do you know Mr. Tucker  
5 besides that flight?

6 GHISLAINE MAXWELL: No.

7 TODD BLANCHE: And do you know whether --  
8 when you say you think that they kept in touch, you  
9 mean you think that Mr. Epstein and Mr. Tucker --

10 GHISLAINE MAXWELL: They may have. I  
11 didn't, but he might have. I'm not sure.

12 TODD BLANCHE: Kevin Spacey?

13 GHISLAINE MAXWELL: I know him also from  
14 that same flight.

15 TODD BLANCHE: Aside from that flight, do  
16 you know him from any other thing?

17 GHISLAINE MAXWELL: No.

18 TODD BLANCHE: Naomi Campbell?

19 GHISLAINE MAXWELL: Yes, I do know Naomi,  
20 and I knew her before I met Mr. Epstein and Mr. --  
21 former President Clinton.

22 TODD BLANCHE: Do you know whether  
23 Mr. Epstein separately knew Ms. Campbell?

24 GHISLAINE MAXWELL: I think she -- he  
25 probably met her through me, that I imagine.

1                   TODD BLANCHE: And so for those three,  
2 Mr. Tucker, Mr. Spacey, and Ms. Campbell, did they  
3 ever travel to any of Mr. Epstein's properties; the  
4 island or New Mexico?

5                   GHISLAINE MAXWELL: Not Mr. Tucker --  
6 well, not to my knowledge Mr. Tucker or Mr. Spacey.  
7 Naomi Campbell may have.

8                   TODD BLANCHE: To where?

9                   GHISLAINE MAXWELL: She may have gone --  
10 well, she certainly -- well, I believe she visited  
11 him in Palm Beach, and I believe she may have gone to  
12 the island and she may have gone to see his house in  
13 New York. Whether she went to New Mexico or Paris as  
14 well, maybe. They were friends or friendly.

15                  TODD BLANCHE: Were you -- what you just  
16 said "she may have," were you on those trips?

17                  GHISLAINE MAXWELL: I don't have any  
18 independent memory of that, so I'm not sure. I don't  
19 think so.

20                  TODD BLANCHE: Do you know --

21                  GHISLAINE MAXWELL: Her relationship, her  
22 friendship, her -- I think you're making me use your  
23 word. Her -- her friendship, whatever, with  
24 Mr. Epstein was independent of me.

25                  TODD BLANCHE: Okay. But you also had a

1 separate friendship with her before you met  
2 Mr. Epstein?

3 GHISLAINE MAXWELL: I did.

4 TODD BLANCHE: Okay. Larry Summers, the  
5 former Secretary of the Treasury.

6 Do you know that person?

7 GHISLAINE MAXWELL: I did, yes.

8 TODD BLANCHE: How?

9 GHISLAINE MAXWELL: I met Mr. Summers  
10 through Mr. Epstein.

11 TODD BLANCHE: And the same question, just  
12 generally time period, are you talking about early  
13 2000s, '90s, a little after that?

14 GHISLAINE MAXWELL: I honestly really  
15 don't know.

16 TODD BLANCHE: Okay.

17 GHISLAINE MAXWELL: I did want to say  
18 something. I forgot that there was -- yesterday.  
19 You asked me about Mr. Epstein's properties. He had  
20 a rental in Boston as well, but it -- not for very  
21 long, but it was another place that I had to put  
22 together. And I only went with him once and he would  
23 go there independently of me. No, I would not go  
24 with him.

25 TODD BLANCHE: Was that in the '90s?

1 GHISLAINE MAXWELL: I think it was, yes.

2 TODD BLANCHE: Mr. Summers, do you know  
3 why -- do you know what his relationship was with  
4 Mr. Epstein; business, personal, both, or don't you  
5 know?

6 GHISLAINE MAXWELL: I think he spoke to  
7 Mr. Epstein about business a lot, but I think they  
8 were friends. They were friendly.

9 TODD BLANCHE: Do you know whether  
10 Mr. Summers ever traveled on Mr. Epstein's planes to  
11 any of the properties that Mr. Epstein owned?

12 GHISLAINE MAXWELL: He may have, but I  
13 don't think, if he did, I was on any of the flights.  
14 I mean, those are another issues. I mean, I went --  
15 I traveled so, so much that I really -- the flights  
16 just blur.

17 TODD BLANCHE: I understand.  
18 George Soros?

19 GHISLAINE MAXWELL: I don't think he knew  
20 him. I did, but I don't think he did. I don't  
21 think.

22 TODD BLANCHE: How did you know Mr. Soros?

23 GHISLAINE MAXWELL: I was friends with his  
24 kids.

25 TODD BLANCHE: What -- which kids?

1 GHISLAINE MAXWELL: Jon and -- I can't  
2 think of his other child. I can't think of -- I  
3 mean, I've lost his name.

4 LEAH SAFFIAN: Alexander.

5 GHISLAINE MAXWELL: Who?

6 LEAH SAFFIAN: Alexander.

7 GHISLAINE MAXWELL: I met him, but just  
8 socially. He may not remember even having met me. I  
9 was excited to meet him.

10 TODD BLANCHE: When are you thinking --  
11 when would you have met him?

12 GHISLAINE MAXWELL: If I met him it -- I  
13 think it was either at an event or at his kids -- it  
14 wouldn't have been at his house. An event, I  
15 think -- or I think actually, no, in the Hamptons I  
16 met him. He was staying at somebody's house. If --  
17 if my memory serves.

18 TODD BLANCHE: And what was your  
19 relationship? How did you know his kids?

20 GHISLAINE MAXWELL: I was out and about in  
21 New York a lot.

22 TODD BLANCHE: So just socially?

23 GHISLAINE MAXWELL: Just socially, yes.  
24 And -- yeah, just socially, I think.

25 TODD BLANCHE: Do you know -- do you know

1 whether Mr. Soros or his kids ever traveled on  
2 Mr. Epstein's planes?

3 GHISLAINE MAXWELL: I don't think so.

4 TODD BLANCHE: Ever visit either the  
5 island or New Mexico or --

6 GHISLAINE MAXWELL: No, I don't think so.

7 TODD BLANCHE: Paris? No?

8 Okay. So I -- we tried to -- to identify  
9 names that have come up, either publicly or in -- in  
10 other lawsuits. Are there any names that you -- that  
11 come to mind that we haven't, we've talked about a  
12 lot of names. A lot of names.

13 Are there some folks that you think we've  
14 forgotten to ask you about?

15 GHISLAINE MAXWELL: Well, you asked me  
16 about names and I have some names, and I just want to  
17 give you some context for the names as well.

18 TODD BLANCHE: Sure.

19 GHISLAINE MAXWELL: So we talked about  
20 Elizabeth Johnson yesterday.

21 TODD BLANCHE: Uh-huh.

22 GHISLAINE MAXWELL: She had a boyfriend  
23 and he was Frederic Fekkai, the hairdresser. And he  
24 and Epstein were friendly, very friendly.

25 TODD BLANCHE: And then what time period

1 are you talking about?

2 GHISLAINE MAXWELL: Well --

3 TODD BLANCHE: Like '90s, or 2000s, or  
4 both?

5 GHISLAINE MAXWELL: I think the 2000s,  
6 actually, for that. You can date that because it was  
7 from when he -- I think he probably knew Frederic  
8 before he dated Elizabeth. But --

9 TODD BLANCHE: And when you say they were  
10 very friendly, did they go -- did they travel  
11 together?

12 GHISLAINE MAXWELL: I don't know if they  
13 traveled together, I mean, Epstein didn't go out very  
14 much or -- I mean, he did go out, but not -- and  
15 sometimes if he did, I think he would go out and  
16 maybe see Fred- -- Frederic.

17 And then there was -- I mean, he had a  
18 bunch of guys that he would -- I would know that he  
19 would see or meet, but he really -- I guess now -- so  
20 he had new friends. I -- I don't know, but --

21 TODD BLANCHE: Okay. What other names?

22 GHISLAINE MAXWELL: Okay, so Henry  
23 Jarecki, who had an island near his. Henry was a  
24 financier who was the guy who cornered the silver  
25 market back in the day.

1                   TODD BLANCHE: He had an island in the  
2 Caribbean -- in the Caribbean near Mr. Epstein?

3                   GHISLAINE MAXWELL: Yeah. In the British  
4 Virgin Islands.

5                   TODD BLANCHE: Okay.

6                   GHISLAINE MAXWELL: And there was  
7 Branson's island there. Now I know that there's an  
8 allegation that they met. I -- I think -- I think I  
9 remember that I went to Richard Branson's island with  
10 Mr. Epstein, and maybe he went another time, but I  
11 don't -- I wouldn't characterize Richard Branson and  
12 him as friends, but he did go and I think I went with  
13 him.

14                  TODD BLANCHE: Do you know whether  
15 Mr. Branson ever came to Mr. Epstein's island?

16                  GHISLAINE MAXWELL: If he did, I was not  
17 there.

18                  TODD BLANCHE: Okay. Okay.

19                  GHISLAINE MAXWELL: So -- but it's  
20 possible, so --

21                  TODD BLANCHE: Understood.

22                  GHISLAINE MAXWELL: -- I wanted to ...

23                  TODD BLANCHE: Who else?

24                  GHISLAINE MAXWELL: Marvin Minsky. He had  
25 a group of scientists that he was very, very friendly

1 with, all centered around Harvard. So I remember  
2 him.

3 Martin Nowak, who's a mathematician.  
4 Stephen Jay Gould. I don't know if Stephen Jay Gould  
5 was -- came through the Harvard angle, but I know  
6 that there was a -- he would -- excuse me, Epstein  
7 would have dinners at the house that I was tasked to  
8 organize and the scientists were a very major  
9 component of that.

10 They weren't social dinners as much as  
11 they were scientific. He would discuss whatever he  
12 would discuss. But if you were in the area of brain  
13 cognition or -- he would invite them to the house and  
14 they would come, all of them. All -- any name you  
15 can name, they would be there.

16 TODD BLANCHE: So let's talk about that  
17 top -- that relation -- those -- those associations  
18 or relationships he had with the mathematicians or --  
19 and with Harvard, and I think with MIT, to some  
20 extent as well.

21 GHISLAINE MAXWELL: Official  
22 (indiscernible) MIT too, yeah.

23 TODD BLANCHE: What -- from what you  
24 observed, what's the reason behind him having --  
25 developing those ties with Harvard, with MIT, and

1 with certain professors and others associated with  
2 those institutions?

3 GHISLAINE MAXWELL: He really was  
4 profoundly interested in that area of science and in  
5 the brain, and in -- I mean, if you were in --  
6 Stephen Jay Gould or the major scientist on  
7 happiness, I mean, it -- it came, I believe, from a  
8 genuine area of interest, not from anything ...

9 TODD BLANCHE: And how did he -- how did  
10 he become friends with them? How -- how was he able  
11 to spend time with them? Meaning, did he donate to  
12 the university and then they were kind of --

13 GHISLAINE MAXWELL: Certain --

14 TODD BLANCHE: -- it was mandatory fun for  
15 them or did he have relations with them where he  
16 would, you know --

17 GHISLAINE MAXWELL: I don't know the  
18 chicken --

19 TODD BLANCHE: -- host them or --

20 GHISLAINE MAXWELL: I don't if the chicken  
21 or the egg came first.

22 TODD BLANCHE: Okay.

23 GHISLAINE MAXWELL: But -- but when I met  
24 him first, I mean, he was already doing a lot of this  
25 stuff. This is not -- I -- I've read, so this is why

1 I'm saying this. I was not responsible for these --  
2 for this area of interest. I mean, I certainly --  
3 sorry, just to bounce a second before it slips my  
4 mind and I leave something out.

5 There was an institute in New Mexico  
6 called -- anyone? The institute of -- it's very  
7 famous. We're not talking to the Alamos.

8 Anyway, all right. There's a very famous  
9 institute in New Mexico, so you can look it up.  
10 You'll -- it'll come to you at the minute you put it  
11 in your computer.

12 TODD BLANCHE: Okay.

13 GHISLAINE MAXWELL: And there had some of  
14 the biggest brains ever. Those -- that relationship  
15 came through me, so I -- that's me. And that is  
16 because my father was -- one of the major scientific  
17 hit up my family fortune, when I had one, came from  
18 scientific publishing.

19 And when it started from the thing that  
20 you were asking me yesterday, my father was in the  
21 Second World War, I told you, and he won the military  
22 cross, and then he actually did become what was part  
23 of intelligence back in the war. And his job was to  
24 interrogate German scientists and prisoners of war.

25 And then that parleyed into business with

1 Springer-Verlag and then into Pergamon Press, which  
2 was the scientific journals business. And he had an  
3 interest -- he believed that it's -- knowledge is  
4 what would prevent war.

5 And the biggest scientific discoveries --  
6 well, not all of them, but many of them are coming  
7 from the Eastern block and that's how we have the  
8 relationship with Santa Fe Institute.

9 And Murray Gell-Mann, specifically. And I  
10 introduced Epstein to Murray Gell-Mann. Sorry, to go  
11 off on a tangent.

12 TODD BLANCHE: This is at the Santa Fe  
13 Institute?

14 GHISLAINE MAXWELL: Yes, thank you. And  
15 Murray Gell-Mann was there, and Murray Gell-Mann and  
16 Epstein got along very, very well.

17 TODD BLANCHE: Okay.

18 GHISLAINE MAXWELL: And he was the man of  
19 the (unintelligible). Sorry.

20 TODD BLANCHE: So do you know whether --  
21 so while you -- when you meet Mr. Epstein in the  
22 early '90s continuing on, so not what he had done  
23 before, did he -- why do you think, from what you saw  
24 or what you heard, he had the relationship or wanted  
25 to have the relationships that he had with Harvard

1 and with -- and with MIT?

2 GHISLAINE MAXWELL: So I think that that  
3 may have come with Wexner. I'm not sure, but that's  
4 something that I think that Wexner maybe had a  
5 relationship with Harvard, and that he used that  
6 relationship to, I believe, he funded a lot.

7 And if he didn't, that his clients of  
8 which Wexner obviously was one, would fund. And he  
9 would -- he would then make -- he would arrange the  
10 fund or --

11 TODD BLANCHE: Did --

12 GHISLAINE MAXWELL: -- organize the fund,  
13 or I don't know.

14 TODD BLANCHE: I'm going to take -- we'll  
15 take a break in a -- in a minute, but just to kind of  
16 set us up for what we're going to talk about next.

17 Mr. Ep- -- we talked yesterday morning  
18 about Mr. Epstein's kind of business and how he had  
19 money. Did he seem to live beyond his means, as far  
20 as what he was making?

21 So did you ever get the sense while you  
22 were with him, that it was suspicious or curious how  
23 he was able to have the funds to, you know, buy, you  
24 know, two planes, you know, an island, and  
25 New Mexico, you know, the ranch, almost -- almost

1 unlimited funds?

2 GHISLAINE MAXWELL: You said it perfectly.  
3 I thought it was astonishing, but I didn't have any  
4 reason to believe that it came from anything  
5 nefarious.

6 I saw him work. I never saw him really do  
7 anything, other than be on the phone, there's that,  
8 and he had a lot of meetings, but he had a lot of  
9 accounts.

10 And he dealt with pretty much every  
11 financier that you could care to mention. And if I  
12 could have access to the names, I'd be able to tell  
13 you which ones you -- I just don't remember them all.

14 But in every bank, Goldman, Lehman, all of  
15 them, to my mind anyway. And most of the major  
16 businessmen at that time, he was in the Council of  
17 Foreign Relations, so you had access. That's an  
18 extraordinary list of people. It just is.

19 And then he -- you asked me about his, but  
20 I -- so I thought about it last night, how to try and  
21 explain what it was and I think the best thing is to  
22 focus only on Wexner's business.

23 So I was present for some of their  
24 meetings in some of their business, and I listened.  
25 And so things that I personally recollect, and I know

1 I heard, was that he would -- when I told you  
2 yesterday, I think, that he would, no detail was too  
3 small, so he would do the contracts with the staff, I  
4 think, and I saw that myself.

5 And he also organized all the trusts for  
6 all the children, so if Wexner had kids -- and  
7 Wexner -- I don't know if he did, he did have  
8 children. So every time there was a child, he would  
9 create a trust for that child.

10 And I don't -- these were complex  
11 financial structures that would contain stocks of the  
12 various businesses. He restructured, when I was  
13 there, Wexner's business in its entirety, as I  
14 recollect.

15 And then not only that, but there were  
16 business interests, so Wexner owned or build, or  
17 designed, or I don't quite know how to characterize  
18 it, but New Albany, which is a center outside of  
19 Ohio, Columbus, Ohio, specifically.

20 And he built -- I remember this  
21 conversation, he built himself a very large house,  
22 like truly enormous and it's one of the biggest  
23 private homes I've ever been to.

24 And he built all the houses around him,  
25 and I'm like, this is so random, why would you do

1 that? And he said to me, well, because I want to  
2 make sure that the people around me are my friends --  
3 I want my friends around me and my neighbors. And I  
4 was like, well, whatever. Okay, you know. I've been  
5 around enormous wealth my whole life, and I've like  
6 -- at some point I just say, okay, whatever. I get  
7 it, and I don't. And so that's what he did.

8 But Epstein ran New Albany, which included  
9 a country club and a golf club and a -- I mean, gosh,  
10 your boss is one of the all-time great, you know,  
11 businessmen in this area. You know what that is.  
12 And he certainly does.

13 So there'd be that, and there was a  
14 business business that Epstein -- well, he told me he  
15 owned it, but of course, I can't say that for sure,  
16 because I don't know, but it's a sports thing.  
17 Riddell, is that a business? Riddell's? I thought  
18 about it last night. It's red and had hats, helmets.  
19 Riddell's?

20 LEAH SAFFIAN: Riddell.

21 GHISLAINE MAXWELL: Riddell. Yeah,  
22 Riddell's.

23 TODD BLANCHE: Okay.

24 GHISLAINE MAXWELL: Now, how he owned  
25 that -- well, he told me he owned it, but how he

1 owned that, I -- but that was before I think I came  
2 in and he had it, or he said he did.

3 TODD BLANCHE: Got it.

4 GHISLAINE MAXWELL: And he had other  
5 businesses. He had -- I know this notion that he did  
6 nothing and he just was a grifter and whatnot.

7 Okay. I'm not going to say that's not  
8 true, but it's not what I saw and it's not what I  
9 believe is true. Not because it couldn't have been  
10 that he didn't grift or whatever the word is off --  
11 off people, but I saw where I thought looked like  
12 real work.

13 TODD BLANCHE: Well, why don't we take  
14 a -- take a break. Okay.

15 DAVID MARKUS: Yeah. Thank you.

16 SPENCER HORN: All right. The time is now  
17 10:35 and we'll take a break.

18 (Off the record at 10:35 a.m.)

19 SPENCER HORN: We are resuming from break.  
20 The time is 10:49 on Friday, July 25th.

21 TODD BLANCHE: Okay. All right. So we've  
22 talked around this issue, but -- talked about it a  
23 little bit. I want to spend the next hour or so or  
24 however long it takes.

25 When you -- when we -- I want to talk,

1 focus kind of exclusively on Epstein and like his  
2 criminal conduct with respect to women.

3 Do you -- you said yesterday a couple  
4 times that, like, you now kind of recognize or think  
5 that there was things that he did that you didn't  
6 know about, and that he kept from you or that you  
7 didn't see.

8 What did you see? So you said yesterday,  
9 and I'm not -- I'm not trying to put words in your  
10 mouth, but at some point he was getting massages  
11 seven days a week, sometimes multiple massages a day.  
12 Women have said that -- that were there -- that say  
13 they were there giving him massages, said that those  
14 included some sort of sexual conduct, however, you  
15 define that in the broadest sense, not just a  
16 traditional massage, regularly.

17 So what do you -- what did you see and  
18 hear at the time? And then I think, aside from what  
19 you saw and heard at the time, now that you've been  
20 through what you've been through and heard people say  
21 what they've said, and read what they read, what do  
22 you -- where does that leave you in your mind with  
23 what happened?

24 GHISLAINE MAXWELL: Okay. So I saw  
25 Epstein with women. I mean, what I mean by that is

1 he would have women around him, or women on the  
2 plane, or women in his house, or -- that's how I'm  
3 explaining that.

4 Those women were very interested. What --  
5 my characterization of the interest -- the  
6 relationships between all women that I saw with him  
7 and him, was characterized by -- excuse me, their  
8 interest in him as I would see it.

9 And by that, I mean, I never saw anybody  
10 who didn't want to be with him and be with him, maybe  
11 socially or whatever. I never saw anybody, not under  
12 any form of duress in any type of situation where  
13 they were, as I would characterize it, looking  
14 uncomfortable or in any way distressed.

15 In the entire time I was with him or  
16 traveled with him, I never saw that. So any time I  
17 saw anybody with him, they were happy to be with him.  
18 He would ask people all the time, whoever you were,  
19 to massage his feet.

20 It just was -- he'd be sitting there, and  
21 he'd have somebody massage his feet, or squeeze his  
22 shoulders, or -- I saw that a lot. It was an  
23 ubiquitous interaction, if you will.

24 So I did see that. I saw physicality, but  
25 not anything that was -- I don't know how to

1 characterize it, anything that looked aggressive, I  
2 suppose, to define that. So I never saw an  
3 aggressive move.

4 TODD BLANCHE: Well --

5 GHISLAINE MAXWELL: I never saw anything  
6 that was --

7 TODD BLANCHE: Non-consensual.

8 GHISLAINE MAXWELL: Thank you. Okay. I  
9 never saw anything that was non-consensual. So if  
10 he -- well, maybe they didn't -- I never saw anything  
11 that looked like they didn't like the hug, or I never  
12 saw what I would characterize as anything that was  
13 unconsensual.

14 TODD BLANCHE: Did you see -- did you see  
15 him either receiving or participating in sexual  
16 conduct during massages? Understanding you never saw  
17 something nonconsensual.

18 Did you see him engage in sexual conduct  
19 during massages?

20 GHISLAINE MAXWELL: Well, you could define  
21 sexual conduct as in, I did see women who could have  
22 been, you know, less than normally clad for massage,  
23 but especially on the island where they would be in a  
24 bikini or possibly even topless, yeah, I did see  
25 that. So you would --

1                   TODD BLANCHE: But what about in -- so --  
2   yes, I agree, that's one area. Like -- so women who  
3   were either not clothed or topless with just a bottom  
4   on. But beyond that, did you see as part of that him  
5   touching them?

6                   And again, I'm not talking about consent  
7   or not consent or age or -- you know, I'm saying like  
8   there's multiple, multiple, you know, dozens and  
9   dozens of women who have said that they were -- that  
10   they engaged in sexual contact. And I agree, there's  
11   a broad range of what that can -- how that can be  
12   defined, but defining it in the broadest of terms.

13                  GHISLAINE MAXWELL: So him being physical  
14   with women? I did see that, but nothing that was not  
15   consensual. And to address the issue of the large  
16   number of women who today say that he was  
17   non-consensual coercive with them. I'm not sure.  
18   I -- in my mind I sort of have to characterize the  
19   two distinct areas. There's one where is the women  
20   who are not of age. Therefore, anything with them is  
21   immediately unconsensual.

22                  TODD BLANCHE: Correct, yeah.

23                  GHISLAINE MAXWELL: So let's start -- I  
24   want to define anyone who's underage versus anybody  
25   who's over age, because I do think that there's a

1 very significant differential between the two.

2 TODD BLANCHE: So does the law.

3 GHISLAINE MAXWELL: Yes. Okay. So --

4 TODD BLANCHE: Yeah.

5 GHISLAINE MAXWELL: I don't mean that.

6 TODD BLANCHE: No, no.

7 GHISLAINE MAXWELL: I'm not trying to be  
8 smart.

9 TODD BLANCHE: I agree with you. Yes, I  
10 agree with you. Yeah, yeah. Yeah.

11 GHISLAINE MAXWELL: Okay. So I want to  
12 deal with the thing, which is really why we're here.  
13 I mean, not that I'm not going to deal with the  
14 other, but I just --

15 TODD BLANCHE: Yeah.

16 GHISLAINE MAXWELL: -- want to make a  
17 distinction with underage situation, because there's  
18 nothing about that that's right.

19 I never saw anything with anybody who was  
20 certainly to be categorical in my -- from my trial.

21 Let's deal with that, because that's  
22 something that I can say in -- I never saw that with  
23 them at all. And I would say that as -- as  
24 described, anyway, in my trial did not happen as  
25 described.

1 I'm not saying that Mr. Epstein did not do  
2 those things. I'm not casting those -- I'm not going  
3 to say -- I don't feel comfortable saying that today,  
4 given what I now know to be true. So I am not here  
5 to defend him.

6 But what I can say is that I did not  
7 participate in that activity. And --

8 TODD BLANCHE: So let's divide this into  
9 two areas. Maybe there's more, but we'll start with  
10 two areas. One is there was testimony and there's  
11 certainly been depositions and public statements,  
12 that some of these young women had conversations with  
13 you about their age.

14 So, for example, conversations about the  
15 fact that they were in high school or conversations  
16 about the fact that they wanted to go to college one  
17 day, which would necessarily mean -- well, not  
18 necessarily, but would be more likely to mean that  
19 they were in high school when they talked to you  
20 about that.

21 And so, were there times -- were there  
22 women that you knew were underage? And I say that  
23 because that's different than whether they were  
24 sexually abused in any way by Mr. Epstein, just  
25 merely their age and going to give him a massage?

1                   GHISLAINE MAXWELL: No, I never knew that  
2 and I can categorically state that had any child said  
3 to me that they were 14, 15, 16, maybe not 17,  
4 because 17 in England, I mean, if someone had said  
5 they were 17, I don't -- but I've read so much that  
6 that did happen.

7                   I mean, I just -- I had no -- I would  
8 never have permitted such a thing, I would not -- I  
9 don't even know what I would have done.

10                  TODD BLANCHE: So some of the -- I think  
11 even someone who testified at trial, but certainly  
12 have publicly talked about, was as young as 14 when  
13 she was introduced to Mr. Epstein.

14                  In -- in your mind today, you don't -- you  
15 kind of reject that that happened, that you saw that,  
16 meaning you don't recall any obviously under 18 woman  
17 coming to give him a massage?

18                  GHISLAINE MAXWELL: Well, I believe you're  
19 talking about Jane, and I'm --

20                  TODD BLANCHE: Yeah.

21                  GHISLAINE MAXWELL: -- very happy to  
22 address that. I actually don't think that the  
23 testimony is correct. I don't believe --

24                  TODD BLANCHE: Yeah, look, I don't --

25                  GHISLAINE MAXWELL: No. No, no, I'm

1 not -- I just wanted to tell you how --

2 TODD BLANCHE: Yeah, yeah, I don't want to  
3 get into --

4 GHISLAINE MAXWELL: No, no, no, I'm not --

5 TODD BLANCHE: -- he said, she said.

6 GHISLAINE MAXWELL: -- no, no. Absolutely  
7 not. I'm not -- I don't want to go there either.

8 TODD BLANCHE: Yeah, yeah.

9 GHISLAINE MAXWELL: I'm not going to do  
10 that. But I believe that what took place, with a lot  
11 of these people, is that there was a slide, right?

12 So there was a zone and I -- he did meet  
13 her and I did meet her, and I knew that she was a  
14 young child and I knew that she was not an adult,  
15 because -- but I don't believe he met her 'til she  
16 was 16.

17 So I'm not -- I'm not doing a he said, she  
18 said, I'm not doing that, because nobody will.  
19 That's not what we're here for.

20 TODD BLANCHE: Okay.

21 GHISLAINE MAXWELL: But he didn't meet her  
22 'til she was 16, and the entire testimony of the 14,  
23 15, and 16-year-old is, therefore, not accurate.

24 Did I meet her when she was 16 with her  
25 mother? I absolutely did. And did I know that she

1 was young? I absolutely did.

2 But everything that took place that was  
3 alleged at trial at the 14, and 15, and 16, is not  
4 accurate. And -- I don't --

5 TODD BLANCHE: There's testimony or  
6 there's -- and again, I'm using testimony in the  
7 broadest sense. Some of this is just public  
8 statements or something that's come out in civil  
9 lawsuits about you and Mr. Epstein giving, like an  
10 18 -- you're turning 18 birthday card to somebody,  
11 which again, if true would, by definition mean you  
12 knew that she was under 18.

13 Do you recall doing that?

14 GHISLAINE MAXWELL: I do not. I mean, no  
15 memory of that at all. And I believe that would be  
16 the person that called herself Kate has now announced  
17 herself in her own podcast for who she really is.

18 Her name is **DOJ REDACTION**. So I did not meet  
19 **DOJ REDACTION** until actually, she was either 20 or 21. So  
20 it would be very hard for me to have given her an 18  
21 birthday card. And the testimony -- there's also --

22 TODD BLANCHE: Do you accept --

23 GHISLAINE MAXWELL: -- that slid back.

24 TODD BLANCHE: -- do you accept that at  
25 some point, and we talked about this yesterday about

1    how Mr. Epstein changed, but at some point,  
2    Mr. Epstein definitely preferred younger women?

3                   GHISLAINE MAXWELL:   I accept.

4                   TODD BLANCHE:   And I think you said  
5    yesterday, but say it again since we're talking about  
6    it.  Is that something that you, in your mind, one of  
7    the areas where he changed from when you first met  
8    him until later?

9                   GHISLAINE MAXWELL:   So I -- when -- I just  
10   also want it to be clear, I never understood that  
11   change to encompass children.  I did see from when I  
12   met him, he was involved or -- involved or friends  
13   with or whatever, however you want to characterize  
14   it, with women who were in their 20s.  And then the  
15   slide to, you know, 18 or younger looking women.  But  
16   I never considered that this would encompass criminal  
17   behavior.  It never ...

18                  TODD BLANCHE:   And so when you read, I  
19   guess, two different times, right?  One was during  
20   the Florida investigation, when --

21                  GHISLAINE MAXWELL:   Yes.

22                  TODD BLANCHE:   -- there were eventually  
23   public statements from some of these now women who  
24   testified about what they did with Mr. Epstein when  
25   they were under 18.

1           At that point, did you realize or did you  
2   think to yourself, this happened or this could have  
3   happened, I missed it, or were you at that point  
4   still in the mindset that they were either not  
5   telling the truth or were not remembering what  
6   happened the way that -- accurately?

7           GHISLAINE MAXWELL: That's a very fair  
8   question. So I think that my view of this at that  
9   time, to call it as contemporaneously as it did,  
10   because I don't think that stuff came out in public,  
11   right? I mean, I may have read things, but I  
12   don't -- my first real ---

13          TODD BLANCHE: Yeah, that's fair.

14          GHISLAINE MAXWELL: -- memory of that is  
15   at the trial. But my viewpoint, if you will, was set  
16   from the minute that DOJ REDACTION lied in her civil  
17   deposition. And I could never recover from that,  
18   because --

19          TODD BLANCHE: What are you -- what are  
20   you -- which lie, what are you referring to?

21          GHISLAINE MAXWELL: Her entire  
22   characterization --

23          TODD BLANCHE: Okay.

24          GHISLAINE MAXWELL: -- of -- no, I don't  
25   remember how she came and whether I did, --

1 TODD BLANCHE: I see.

2 GHISLAINE MAXWELL: -- but I'm talking  
3 about the first time she came to Epstein's house,  
4 which I knew --

5 TODD BLANCHE: Okay.

6 GHISLAINE MAXWELL: -- to be false. So  
7 from that first lie of that description, I could  
8 never recover from that.

9 TODD BLANCHE: I understand. Okay. So --

10 GHISLAINE MAXWELL: And that tainted --  
11 sorry. Just so that we clear it, tainted, then, the  
12 testimony of everybody else that I saw that came post  
13 that, because I had my own personal experience, which  
14 I knew to be false.

15 TODD BLANCHE: Yeah. And the reason why I  
16 think -- and I said to Mr. Markus that -- this  
17 morning that we were going to talk about this,  
18 because when I think about you and the public's  
19 perception of Mr. Epstein, the public is left with  
20 the view that nobody in the world knows what really  
21 happened except for you, okay?

22 And now you've explained, the last day and  
23 a half, how some of that's just a misperception,  
24 because you weren't -- you didn't have a key to his  
25 house, you weren't around as much as maybe everybody

1 claims you were, okay?

2 But there still is this perception out  
3 there that, oh my gosh, if -- if we could talk to  
4 Ms. Maxwell, we would know how horrible Mr. Epstein  
5 was or how misperceived he was. Whatever the truth  
6 is about Mr. Epstein.

7 And the challenge in my mind, just to  
8 be -- I told you I would tell you when I had  
9 issues -- and the challenge in my mind is that so  
10 many women have -- have said that Mr. Epstein  
11 sexually assaulted them, whether juveniles or adults,  
12 that I don't find it -- you know, at some -- that's  
13 persuasive, right, that that happened.

14 GHISLAINE MAXWELL: Okay. So --

15 TODD BLANCHE: And so if that's persuasive  
16 then -- and I think it's without -- beyond  
17 contestation that he preferred younger women --

18 GHISLAINE MAXWELL: I --

19 TODD BLANCHE: -- and it's also beyond,  
20 I think at this point, there were certainly  
21 circumstances that underage women -- well, I don't  
22 want to say that you agree with me on that.

23 I certainly believe that there were  
24 younger age women that were abused by him, okay? And  
25 so -- and then so the layer that I want you to --

1 that I really want to have a frank discussion about,  
2 is some of these women have said, oh, yes, you know,  
3 Ms. Maxwell was there, you know, to varying degrees.  
4 She saw me there, she -- the door was open when I was  
5 there. And then much more egregious, right? That  
6 you participated and that you were part of it.

7 And so what I really want you to have an  
8 opportunity to say to us, is where on the spectrum  
9 the truth is. Whether it's somewhere in the middle,  
10 whether it's one extreme or another extreme,  
11 understanding. In my mind, I'm talking about 1994 or  
12 '5, to whenever, late '90s or early 2000s.

13 DAVID MARKUS: And let me just interrupt.  
14 All I would say is, we're not here to say anything  
15 one way or the other about Epstein.

16 I agree with you that the evidence is  
17 overwhelming against him, and he -- he is his own  
18 person and has to deal with that. But Ghislaine can  
19 speak about what she knows --

20 TODD BLANCHE: Yes.

21 DAVID MARKUS: -- and from her point of  
22 view and what she did.

23 And that's what you can talk about,  
24 Ghislaine.

25 TODD BLANCHE: Okay.

1 GHISLAINE MAXWELL: So I think it's  
2 helpful to put this on -- the time on the calendar,  
3 because I think without that we, we're lost. So I  
4 would say we'll go from the beginning '91? No. '2?  
5 No. '3? No. '4? No. '5? No. '6? No.

6 In that time frame, you have the  
7 allegations of Jane, who I dispute. I don't think he  
8 met her until she was --

9 TODD BLANCHE: Let's not talk about  
10 individuals.

11 GHISLAINE MAXWELL: No, no, no, I'm just  
12 saying.

13 TODD BLANCHE: Yeah, yeah. I'm with you.

14 GHISLAINE MAXWELL: But there's only --  
15 but there's only -- so in that time period, I am only  
16 aware of her.

17 TODD BLANCHE: Okay.

18 GHISLAINE MAXWELL: I'm aware of a girl,  
19 DOJ REDACTION, who said, but -- and DOJ REDACTION and DOJ REDACTION,  
20 those -- I don't know of any others.

21 And if there are other people who are  
22 making allegations about, I don't -- I'm not even --  
23 I'm not actually aware of them. I may have read them  
24 in the -- but I don't know.

25 So I think in the early '90s period, I

1 think I'm fairly confident, and I can say that at  
2 least as characterized, it's just -- it's just false.  
3 It's just -- it didn't happen as said.

4 Now, did it -- did it happen -- did he --  
5 did he involve himself? I knew about Jane, because I  
6 saw her come to the house. But I saw her with her  
7 mother. I know that her allegations are that there  
8 were orgies, for instance. But the people that she  
9 suggests were in her orgies, didn't even work for  
10 Epstein until '98 or '99.

11 Did he do orgies with those people? I  
12 don't know anybody who was there who said that they  
13 did. I certainly didn't see it. I can't say that  
14 that happened. Did she do it with someone else? I  
15 don't know.

16 The stories really start -- the  
17 allegations really begin with **DOJ REDACTION**. And I think  
18 that you have to shift his behavior, such as it was  
19 bar, there was one in California who made an  
20 allegation.

21 There was a woman who said that she -- and  
22 she's -- I didn't know about. So I think I would  
23 call her the first person. I'd be aware of him using  
24 his position to --

25 TODD BLANCHE: But -- and sorry to

1 interrupt you. But I just want to -- I don't want --  
2 I don't want to have you -- I don't think it's  
3 helpful for us --

4 GHISLAINE MAXWELL: Okay.

5 TODD BLANCHE: -- have you kind of address  
6 each allegation.

7 GHISLAINE MAXWELL: Okay.

8 TODD BLANCHE: I want you to clear your  
9 mind and just tell the truth about it. So I'm not  
10 saying you're not telling the truth.

11 I'm saying just putting aside what other  
12 people have said, or what their lawyers have said, or  
13 what they testified to or, you know, the rumors in  
14 the press, push those aside, you were there.

15 And so when you go back to that time  
16 period, '92, '93, '99, 2000, 2001, during that time  
17 period, what did you see when it comes to young women  
18 and massages?

19 GHISLAINE MAXWELL: All right. Sorry.

20 All right. So I saw him receive massages.  
21 He had regular masseuses in the '90s, people who were  
22 standard and who traveled with him, and I saw that.

23 He was living in the Iranian house, and  
24 now that I look back, he had -- I didn't stay there,  
25 but I would go to manage the house. I would see

1 women, models, or people that he would have come to  
2 the house.

3 I -- I know that I thought that he was  
4 with Eva still at that time. That's what I believed.

5 And then subsequently believed that even  
6 though she married him, I actually subsequently  
7 believed that the baby that she had was his.

8 DAVID MARKUS: Can I interrupt for one  
9 second?

10 TODD BLANCHE: Yeah. Of course.

11 DAVID MARKUS: Can I just ask some basic  
12 top line questions?

13 GHISLAINE MAXWELL: Yes.

14 DAVID MARKUS: Were you ever in a massage  
15 room with him and a masseuse?

16 GHISLAINE MAXWELL: Yes.

17 DAVID MARKUS: Okay. Who -- when was  
18 that?

19 GHISLAINE MAXWELL: Well, he would come in  
20 sometimes, and he would say, like, give her a massage  
21 here, or he would grab my -- you know, but not often.  
22 I mean, he did come in from time to time.

23 DAVID MARKUS: Were you ever in a massage  
24 room with him with a masseuse that was naked or  
25 giving him any sexual favors?

1 GHISLAINE MAXWELL: I never saw that.

2 DAVID MARKUS: Okay.

3 GHISLAINE MAXWELL: That I remember.

4 DAVID MARKUS: Okay. Did you -- did you  
5 ever -- did any of the masseuses ever discuss with  
6 you giving -- that they gave sexual favors to  
7 Epstein?

8 GHISLAINE MAXWELL: No.

9 DAVID MARKUS: Okay. Did you ever see an  
10 underage girl go into a massage room with  
11 Mr. Epstein?

12 GHISLAINE MAXWELL: No.

13 DAVID MARKUS: If you had seen that, what  
14 would you have done? Would you have left?

15 GHISLAINE MAXWELL: I can't even conceive.  
16 I can't even conceive of -- I can't imagine what I  
17 would have done.

18 DAVID MARKUS: All right. I'm sorry.

19 TODD BLANCHE: No. That's okay.

20 DAVID MARKUS: Okay.

21 TODD BLANCHE: Did you ever observe  
22 Mr. Epstein masturbating during a massage?

23 GHISLAINE MAXWELL: Yes. I mean, when I'd  
24 seen him on a massage table, I had seen him  
25 masturbate. I don't know if there was a masseuse

1 present, but I've seen him on a massage --

2 TODD BLANCHE: Okay. Okay.

3 GHISLAINE MAXWELL: Sorry, I just --

4 TODD BLANCHE: Did you ever see him  
5 masturbate with a masseuse -- you know, with a naked  
6 woman, either giving him a massage or reporting to  
7 give him a massage?

8 GHISLAINE MAXWELL: I don't remember  
9 seeing that.

10 TODD BLANCHE: Did you give him massages  
11 by the way? I mean, there's a photo of you rubbing  
12 his feet, and I think, but --

13 GHISLAINE MAXWELL: I never -- I certainly  
14 have been in the massage room with him, and I have  
15 certainly rubbed his feet when he was -- we're  
16 talking, but I was not a masseuse and I didn't  
17 perform massage on him.

18 TODD BLANCHE: Did you -- along -- during  
19 the -- over the years, did you pay the masseuses?

20 GHISLAINE MAXWELL: It was typically not  
21 my job, but if there was nobody else, normally -- so  
22 in Palm Beach, the houseman would give the money.

23 And in New York, he would do that, because  
24 I wouldn't be in New York when he -- I mean, I don't  
25 remember ever paying a masseuse in New York.

1 TODD BLANCHE: So it wasn't --

2 GHISLAINE MAXWELL: But maybe --

3 TODD BLANCHE: -- your -- it wasn't your  
4 job --

5 GHISLAINE MAXWELL: No.

6 TODD BLANCHE: -- on a regular math --  
7 basis to pay the masseuse. So if there was a  
8 masseuse seven days a week, it wasn't expected that  
9 seven days a week you would be the one handing them  
10 money?

11 GHISLAINE MAXWELL: I -- mostly I would  
12 not. I'm not saying I never did it, because that  
13 wouldn't be true. But it was not my job to pay them.  
14 I mostly recall he would either pay them himself, he  
15 would have money or the houseman, and I think some of  
16 them would have probably received checks.

17 TODD BLANCHE: And so just picking up on  
18 what Mr. Markus was just asking you, did you  
19 participate in sexual activity with him with a  
20 masseuse, like at the same time?

21 GHISLAINE MAXWELL: No.

22 TODD BLANCHE: And so the testi- -- I  
23 don't know if there's testimony, but the women who  
24 have said that that happened, categorically, that's  
25 not true?

1 GHISLAINE MAXWELL: That is categorically  
2 not true.

3 TODD BLANCHE: Did you -- moving past  
4 the -- and moving into the 2000s --

5 GHISLAINE MAXWELL: I mean, I just want to  
6 say that I have been -- I mean, I remember there'd be  
7 times when he'd be getting a massage and I would be  
8 in the room, I could be on his feet, and somebody  
9 else could be on his feet, and we could be talking.  
10 So there is that.

11 TODD BLANCHE: But that's not -- you're --

12 GHISLAINE MAXWELL: Yeah.

13 TODD BLANCHE: -- not talking about  
14 something that's sexual, you're talking about  
15 literally just rubbing his feet?

16 GHISLAINE MAXWELL: Yes.

17 TODD BLANCHE: Okay.

18 GHISLAINE MAXWELL: But I mean --

19 TODD BLANCHE: But that's not what I'm  
20 talking about, I'm saying --

21 GHISLAINE MAXWELL: Okay. Well, they  
22 could be -- the -- sometimes the women might be  
23 topless who were giving that. So you could say that  
24 was sexual in that context.

25 TODD BLANCHE: No, I'm talking about the

1 repeated reports of certain sex acts happening with  
2 you present and even participating?

3 GHISLAINE MAXWELL: No.

4 TODD BLANCHE: Did you -- did -- in the  
5 2000s time period, so moving a little more recently  
6 when you talked about it yesterday, about how your  
7 relationship with Mr. Epstein changed and was  
8 changing and you ultimately met somebody else.

9 Did you observe any, you know, massages or  
10 young women giving him massages later on? So after  
11 2000, 2001 time period?

12 GHISLAINE MAXWELL: I'm sure I did.

13 TODD BLANCHE: And was there anything  
14 different about what you observed during that period  
15 and the '90s, as far as the frequency, his conduct  
16 towards them?

17 GHISLAINE MAXWELL: I think the frequency  
18 increased. I think he went from one to two in that  
19 time period. And -- but I did not see -- I have no  
20 recollection of ever seeing a child entering the  
21 house and giving him a massage. I -- at that time,  
22 he had moved me out of the main house.

23 I had moved into an office with John  
24 Alessi, the former butler, under the stairs. So I  
25 had an office where I would be that was not part of

1 that -- part of the house.

2 If I saw people, and I'm not saying I  
3 didn't see people come to give him a massage, that  
4 wouldn't be true either. But if I saw someone, let's  
5 say, I wouldn't -- I don't remember ever seeing  
6 anybody that I would characterize as a child, no.  
7 Specifically someone who accused me of seeing her at  
8 the time when she came.

9 If I did see her, and I don't believe I  
10 did see her or meet her at all, but if she did, she  
11 was as her -- she's described herself now, was very  
12 mature and looked in her 20s.

13 So could somebody have come that was more  
14 mature looking than the allegation of what she did  
15 look like, with a photograph that was produced as  
16 evidence? Yes. But I never recall at any time  
17 seeing what I would characterize as a child coming to  
18 give him a massage and going upstairs. Did I see  
19 people come? I absolutely did.

20 Did I -- I just didn't see children. I  
21 didn't see anybody I would think of as a child. And  
22 if I had seen a child, I wouldn't -- I'm not sure  
23 what I would have done.

24 TODD BLANCHE: Well, did you -- just  
25 talking, like coming out a little bit of just bigger

1 picture, do you -- at the time that you were in his  
2 life, did -- do you -- was he a -- did he seem to you  
3 to be a sexual deviant or, I don't know what the  
4 right way to describe it.

5 But when you say to me, he was getting  
6 massages every single day, right? So young women  
7 were everywhere. Multiple massages on some days.  
8 Flew with the women to the island, to New York,  
9 Paris. There's always women, they're always rubbing  
10 him, giving him massages. I think it's -- it would  
11 be an understatement to say that that's not normal?

12 GHISLAINE MAXWELL: I agree.

13 TODD BLANCHE: We've all kind of been part  
14 of the Epstein story over the past several years, but  
15 you were there at the time. Okay?

16 What was it like at the time? I mean, was  
17 he a creepy guy when it came to that sort of thing?  
18 Was he protective of how he looked publicly, image  
19 wise? Like at the time, what was it like?

20 GHISLAINE MAXWELL: I think if he had been  
21 creepy, like, as you would define, and you would  
22 expect someone who was living that lifestyle to be  
23 creepy, I don't think the women would have been  
24 there.

25 I don't think that they thought of him as

1   creepy. And if they did, I never saw them behave  
2   like he was being weird. Was it a lot? Yes, it was  
3   for sure. I found it overwhelming, and I couldn't  
4   understand why it was interesting, because to me,  
5   it's not interesting.

6                   But he, as he defined it, he found it  
7   invigorating. He liked being with younger people and  
8   not just younger people. I'm just saying because  
9   they gave him ideas, and they were up to date on  
10  music and --

11                  TODD BLANCHE: Yeah, but that's different,  
12  like, a masseuse coming every day.

13                  GHISLAINE MAXWELL: I'm just telling you  
14  what he was saying to me.

15                  TODD BLANCHE: Yeah.

16                  GHISLAINE MAXWELL: I mean, to me, I just  
17  found it a drag and difficult and annoying.

18                  TODD BLANCHE: Did you --

19                  GHISLAINE MAXWELL: But understand I  
20  wasn't the only person present. So this time in the  
21  2000s, you're talking about other people, like Sarah  
22  Kellen, who was around, who interfaced with him.

23                  I didn't have to -- she was really  
24  interfacing with Epstein at this point in time in his  
25  life. She was running his -- she was his assistant.

1 And so I didn't have to --

2 TODD BLANCHE: That's a fair point. But  
3 move beyond the -- his assistants or the folks that  
4 work with him. What about his friends and the people  
5 that were associated with him?

6 It couldn't be -- it doesn't -- I don't  
7 understand how that -- how this is an after fact of  
8 Mr. Epstein. So once he's arrested in Florida, it  
9 becomes part of his story. And then later on he's  
10 charged in Southern District, and then here we are  
11 now in 2025.

12 But he was a very successful, hardworking  
13 guy, and he had a lot of clients, and he flew with  
14 them on vacations and went to the island. It  
15 doesn't -- I don't understand how he was able to hide  
16 this, what seems to me to be some sort of sexual  
17 fixation or issue --

18 GHISLAINE MAXWELL: I don't --

19 TODD BLANCHE: -- from -- from others?

20 GHISLAINE MAXWELL: I don't think he did  
21 hide it. I -- that's the answer. And I think that  
22 the people around him, I think, myself included --

23 TODD BLANCHE: Yeah.

24 GHISLAINE MAXWELL: -- obviously,  
25 normalized his behavior on a number of fronts. One,

1 I think it -- because it was a self -- because so  
2 many people saw it of so many -- of such a high  
3 caliber down that never seemed to think it would --  
4 well, if they thought it was strange probably, they  
5 never said it at the time. So it became sort of like  
6 it was his thing, right? He was always around with  
7 women.

8 Now, you don't -- I understand that it's  
9 very unattractive, especially in light of everything  
10 that we know today. But at the time, the only way I  
11 can sort of try and describe it is through Sex and  
12 the City, the movie, the show on telly, where the --  
13 this is -- that lifestyle is described on the TV show  
14 constantly.

15 There are always these women around and  
16 men who like it. And a lot of the men that I know  
17 like women, and so maybe not as overtly as Epstein,  
18 but he was overt, not covert, except obviously in the  
19 context of the criminal behavior.

20 So what we're discussing now, there's a  
21 difference between the criminal behavior and the  
22 non-criminal. But you don't like the lifestyle, I  
23 concur.

24 I agree. Especially now. And I -- I own  
25 my side of that fence that I was there and that I saw

1 his behavior with women and didn't challenge him or  
2 do something.

3 But I don't -- I don't think back in the  
4 '90s or the 2000s, we've had a cultural shift. And  
5 the cultural shift, I think is a very important part  
6 of the analysis here. Not because I'm trying to  
7 justify this, because I'm not, and I'm not trying to,  
8 and I absolutely am not here to do the poor me  
9 program. So please, don't misunderstand this.

10 However, in the 19- -- 2000s, when this  
11 behavior was going down, in the initial blush of the  
12 Palm Beach investigation, the women who brought the  
13 women who were underage 17, 16, I believe if I'm --  
14 my memory serves, were actually targets of the  
15 investigation and could have been charged with  
16 prostitution and trafficking, I would -- if  
17 trafficking was even a law.

18 So you're taking -- you're taking  
19 behavior. And I did introduce him to women, I did,  
20 but not underage women. I understand that there are  
21 allegations. I have read them about myself going to  
22 schools. I can categorically tell you that I have  
23 never, in my life, gone to a school to pick up a  
24 child. Well, not for this purpose. I mean, like my  
25 stepchildren, and all, but okay. Sorry, just --

1 TODD BLANCHE: No, I understand.

2 GHISLAINE MAXWELL: Okay. Thank you. I  
3 just want to be clear that I'm not trying to be cute  
4 or anything.

5 But -- and I did look for masseuses, I --  
6 I did. I went to spas and if I met somebody who said  
7 she was a masseuse, I did not check their  
8 credentials. And of course, if she was attractive, I  
9 did introduce her, yes.

10 If I met friends who were interested, he  
11 was constantly asking me for -- to meet new and  
12 interesting people. I did -- I did do that.

13 At the time, I viewed it as -- well, first  
14 of all, part of my job, I think, or part of my  
15 responsibility, if you were, to introduce -- because  
16 it wasn't just women. If I met somebody who was  
17 interesting, like Murray Gell-Mann or who I thought  
18 he would like, I did that. So it's not exclusively,  
19 but he did. And I did do that.

20 TODD BLANCHE: So -- but then -- so I want  
21 to layer on top of what you just said, what we talked  
22 about yesterday more, but a little bit today already,  
23 which is everybody that was around him besides you,  
24 like his friends.

25 GHISLAINE MAXWELL: Right.

1                   TODD BLANCHE: So I accept the lifestyle.  
2 I've seen the photos, the fact that everybody is --  
3 we're all going to go to the island for a couple of  
4 days, or we're flying on a private plane and there's  
5 beautiful women everywhere.

6                   Is there any -- I mean, do you, as you sit  
7 here today, think that the people around him didn't  
8 also -- weren't also of the same place where they  
9 were also getting massages where there was sex going  
10 on during them, or things like that? And I'm  
11 obviously asking this because that's what the --

12                  GHISLAINE MAXWELL: Yeah.

13                  TODD BLANCHE: -- that's what everybody  
14 has said. And when you just described what it was  
15 like, the very next step from that is everybody's  
16 going to Vegas for the weekend, you know. And so --  
17 and so you -- it seems kind of far-fetched to say  
18 that, yes, that was his lifestyle.

19                  But then when he's taking groups of folks  
20 to the island or groups of folks to New Mexico or  
21 whatever, that they're all, you know, going to church  
22 in the morning while he's getting a massage.

23                  GHISLAINE MAXWELL: I hear you. I was  
24 there, though. And --

25                  TODD BLANCHE: Yeah.

1                   GHISLAINE MAXWELL:  -- and you're talking  
2   about very substantial people.  And you are  
3   extrapolating because the narrative that started  
4   in -- by the way, not until 2009, is when it really  
5   started.

6                   So that narrative that was created and  
7   then built upon, and it just mushroomed into what --  
8   basically this is like a Salem witch trial.  People  
9   have gone and lost their minds for this thing.  I  
10  understand that.

11                  But the issue is, how do you satisfy a mob  
12  who can't understand the lifestyle because it's like  
13  P. Diddy in Redux on TV with Clintons and Trump.  I  
14  mean, it's -- it's bananas.  And while some of it is  
15  real, he did do those things.  I'm definitely not  
16  disputing that.

17                  But this was a man, they didn't even  
18  believe he had a real business.  I happen to believe  
19  he did.  Did he grift?  I don't -- I don't know,  
20  because I wasn't really in his business.  But this is  
21  -- this is one man.

22                  He's not some -- they've made him into  
23  this -- he's not that interesting.  He's a disgusting  
24  guy who did terrible things to young kids.  You're  
25  not going to hear me say what he did to people who

1 are over the age 18. I'm sorry. I'm not going to go  
2 there. That's just not what I'm here to -- I mean, I  
3 -- okay?

4 But to suggest that Larry Summers or  
5 Clinton would certainly go, oh my gosh, this is like  
6 a guy I'm going to get my body rubbed and have some  
7 sex. They're men that went and had a massage and  
8 maybe did something sexual, they're men, I wasn't in  
9 the room. I cannot tell you if that happened.

10 And if it did, not -- I never paid for  
11 that. Just so that we're clear. Nobody ever said to  
12 me, oh, you know, we had sexual intercourse and that  
13 was a three, uh-uh (negative). I'd be like, okay.  
14 TMI, no, not my business. You want to -- it's just  
15 not. And I didn't want to know. Maybe there's that.

16 But did I, like, think these guys were  
17 coming for that? I really don't. If you met  
18 Epstein, there is no way that this cast of  
19 characters, of which it's extraordinary, and some are  
20 in your cabinet, who you value as your coworkers, and  
21 you know, would be with him if he was a creep or  
22 because they wanted sexual favors. A man wants  
23 sexual favors, he will find that. They didn't have  
24 to come to Epstein for that.

25 Now did some? Okay. I don't know. I

1 wasn't there. I didn't see it.

2 TODD BLANCHE: So when's the last time you  
3 think you were with Mr. Epstein when he got a  
4 massage?

5 GHISLAINE MAXWELL: I want to say 2007.

6 TODD BLANCHE: 2007?

7 GHISLAINE MAXWELL: Yes.

8 TODD BLANCHE: And the frequency at that  
9 point, so 2007, is that when it was at its peak,  
10 would you say? Meaning the number of interactions he  
11 was having daily with women and masseuses?

12 GHISLAINE MAXWELL: I wasn't really in his  
13 life. I happened to be in the Caribbean in 2007. I  
14 was with Ted.

15 TODD BLANCHE: Okay.

16 GHISLAINE MAXWELL: And we -- I was still  
17 speaking with Epstein, because I was still involved  
18 in his -- you know, loosely with his -- the houses  
19 and the staff and some of the billing. And he -- and  
20 I was going back from being with Ted in the Caribbean  
21 to New York, and Epstein offered me a ride. And so  
22 Ted dropped me off in Saint Thomas, and I was on the  
23 island, I believe, for one day and one night only.

24 On that visit, I believe -- well, I know  
25 he would have gotten a massage, but I have -- there

1    were people there, but I did -- that were women.    And  
2    I was --

3                    TODD BLANCHE:    Okay.

4                    GHISLAINE MAXWELL:    -- just relieved not  
5    to --

6                    TODD BLANCHE:    Okay.

7                    GHISLAINE MAXWELL:    -- be leaving the next  
8    day.

9                    TODD BLANCHE:    Let's take a break.

10                   SPENCER HORN:    Well, we're going to take a  
11   break.    The time is 11:31.

12                   (Break at 11:31 a.m. to 11:49 a.m.)

13                   SPENCER HORN:    We are resuming the audio  
14   recorded proffer agreement with Ms. Maxwell, and the  
15   time is 11:49 a.m.

16                   TODD BLANCHE:    All right.    I wanted to  
17   follow up about former President Clinton's  
18   relationship with Mr. Epstein, not you.

19                   Can you -- we touched on it, but can you  
20   just to set the -- I have a couple questions about  
21   it, but what's your understanding of their  
22   relationship from what you observed?    Meaning former  
23   President Clinton and Mr. Epstein.

24                   GHISLAINE MAXWELL:    I saw them talk.    I  
25   saw them sit down and have chats about, I don't know,

1 because I wasn't either a party or didn't listen and  
2 I know -- I would characterize, originally anyway,  
3 Mr. Epstein's interest in him because obviously he's  
4 the former president.

5 But I never saw him -- other than that, I  
6 saw them be friendly on the plane, but I never -- I  
7 don't believe -- I don't recollect, anyway, ever  
8 seeing them in any other context.

9 I don't remember him at his house in New  
10 York. Like I said, I don't believe he ever went to  
11 that island. I think that was just a -- that was a  
12 story that **DOJ REDACTION** did.

13 TODD BLANCHE: Do you know one way or the  
14 other, whether their relationship continued without  
15 you, like, when you kind of moved on past  
16 Mr. Epstein?

17 GHISLAINE MAXWELL: I don't believe so.

18 TODD BLANCHE: Why do you say that you  
19 don't believe so?

20 GHISLAINE MAXWELL: Because I don't think  
21 they had a relationship even when I was there. I was  
22 -- I -- President Clinton liked me, and we got along  
23 terribly well. But I never saw that warmth or that  
24 -- that warmth or however you want to characterize  
25 it, with Mr. Epstein and cert- -- so I didn't see

1 that. I didn't see any interest in -- I didn't see  
2 President Clinton being interested in Epstein. He  
3 was just a rich guy with a plane.

4 TODD BLANCHE: When -- when the Southern  
5 District of New York case kind of became public and  
6 there was a search warrant of Mr. Epstein's house,  
7 there was like a -- there was some sort of painting  
8 or picture with Mr. Clinton in like a blue dress that  
9 had been signed.

10 Did you know -- do you know where he got  
11 that picture or that painting?

12 GHISLAINE MAXWELL: The first I saw it was  
13 in the press.

14 TODD BLANCHE: So you never observed that  
15 in his --

16 GHISLAINE MAXWELL: No.

17 TODD BLANCHE: -- brownstone?

18 GHISLAINE MAXWELL: No. I thought it was  
19 hideous.

20 TODD BLANCHE: What's that again?

21 GHISLAINE MAXWELL: I thought it was  
22 hideous.

23 TODD BLANCHE: And -- but you had never --  
24 so you don't know, sitting here today, where  
25 Mr. Epstein got it?

1 GHISLAINE MAXWELL: No.

2 TODD BLANCHE: The circumstances in which  
3 he got it?

4 GHISLAINE MAXWELL: No.

5 TODD BLANCHE: Do you know of any other  
6 gifts or paraphernalia or art or pictures that former  
7 President Clinton gave to Mr. Epstein?

8 GHISLAINE MAXWELL: No. I mean, did he  
9 maybe get him a gift? I don't know. I have no  
10 knowledge of that.

11 TODD BLANCHE: And then going back to the  
12 topic we were talking about before our last break.

13 Well, when you said something yesterday at  
14 the very beginning of our conversation that when you  
15 first met Mr. Epstein and you ultimately have sex  
16 with him, that he had -- I'll use the word erectile  
17 dysfunction, but he had issues having sex?

18 GHISLAINE MAXWELL: That's what he told  
19 me.

20 TODD BLANCHE: That's what he told you?

21 GHISLAINE MAXWELL: Yes.

22 TODD BLANCHE: Okay. And then over the  
23 years, you said sometime in the '90s he started  
24 taking testosterone?

25 GHISLAINE MAXWELL: Yes. But I don't know

1 if it was in the '90s. I don't remember when he  
2 started, but it wasn't -- he had patches --  
3 testosterone patches --

4 TODD BLANCHE: Okay.

5 GHISLAINE MAXWELL: -- dermal.

6 TODD BLANCHE: Like on his arm?

7 GHISLAINE MAXWELL: Yes.

8 TODD BLANCHE: Okay.

9 GHISLAINE MAXWELL: And then he was  
10 ridiculous, because you shouldn't take more than one.  
11 But sometimes he had, like -- I'm like, what are you  
12 doing? It's like unhealthy.

13 TODD BLANCHE: Okay. From what you  
14 observed or saw or heard, did he continue to have  
15 challenges sexually over the years or do you think  
16 that whatever he told you -- whatever issue he told  
17 you he had was fixed?

18 GHISLAINE MAXWELL: I think it was a lie.

19 TODD BLANCHE: You think he was lying  
20 about what?

21 GHISLAINE MAXWELL: About his erectile  
22 dysfunction.

23 TODD BLANCHE: Oh, you mean you never --  
24 you don't think he ever had any issues? You think he  
25 just told you that?

1                   GHISLAINE MAXWELL: Right. That is what I  
2 believe today, yes. But given -- if any of the  
3 stories are true, even if he had erectile  
4 dysfunction, the thing had a priapism, for Christ's  
5 sake.

6                   TODD BLANCHE: Well, that's -- that's one  
7 of the reasons for my questions. I mean, you're  
8 right. I mean -- and again, we're -- we've talked  
9 about this a fair amount, but what did -- like the  
10 stories of what masseuses, underage and overage have  
11 said about him is, are, you know, and what he liked,  
12 what he demanded that they do. Whether it's watching  
13 him masturbate or pinching his nipples, you know,  
14 kind of things that are unusual.

15                   Do you believe that? Like, do you -- from  
16 what you saw, from what you observed, from what you  
17 did when you were in a relationship with him, is that  
18 true?

19                   GHISLAINE MAXWELL: I -- well, the bulk of  
20 what I read, he did not have sex. So that is  
21 consistent with what he told me, actually.

22                   And his masturbating, that is also  
23 consistent with what I knew myself. And I'm going to  
24 use a bad word for --

25                   TODD BLANCHE: Please, you can use

1     whatever words you need.    Yes.

2                   GHISLAINE MAXWELL:   Blowjob.

3                   TODD BLANCHE:    Okay.

4                   GHISLAINE MAXWELL:   He liked blowjobs.

5                   TODD BLANCHE:    Okay.

6                   GHISLAINE MAXWELL:   That I did observe.

7     And he didn't seem to have any erectile dysfunction  
8     for blowjobs, but sex, he didn't have.   So when I  
9     read the stories about all the allegations of sexual  
10    rape, I find that challenging, because that was not  
11    his modus operandi, from my perspective.

12                  TODD BLANCHE:    But when you read about  
13    blowjobs, that -- does that -- that would be  
14    consistent with kind of --

15                  GHISLAINE MAXWELL:   That would be  
16    consistent, as would masturbation, yes.

17                  TODD BLANCHE:    Did you talk to masseuses  
18    or women that either he was in a relationship with or  
19    who asked you about working with him?   Did you tell  
20    them, yes, he likes blowjobs, yes, he'll masturbate  
21    in front of you?

22                  Like, did you have conversations with any  
23    of those -- with women about what Mr. Epstein liked  
24    or what would make him happy, or things like that?

25                  GHISLAINE MAXWELL:   I don't have any

1 memory of telling anybody about that. I think I may  
2 have joked like saying, oh my God, you know, like  
3 from a Sex and the City scene that, you know, he's --  
4 but not -- I never instruct -- the question you're  
5 asking me, sorry, let's just be clear.

6 Did I ever instruct anyone how to  
7 pleasure, Mr. Epstein, your question? No.

8 TODD BLANCHE: And you said this earlier,  
9 but I want to just -- you kind of said it on your  
10 own. I want to ask the question, just so I'll make  
11 sure that there's no confusion.

12 When -- when you over the years --

13 GHISLAINE MAXWELL: Sorry, can I just --

14 TODD BLANCHE: -- yeah. Of course. Yeah,  
15 yeah, please.

16 GHISLAINE MAXWELL: Okay. Right. I just  
17 want to say, the idea that I would have to explain to  
18 a woman how to satisfy Mr. Epstein is patently  
19 absurd, because he clearly was able to explain  
20 himself.

21 He didn't need an interlocutor to explain  
22 what he liked. He's been doing this obviously or  
23 this -- some version of this story his whole life and  
24 did not require any help from me.

25 TODD BLANCHE: Then -- so did you ever

1 observe him having sex with a masseuse? Regular  
2 intercourse, not a blowjob, nothing else, where you  
3 either walked in or you were in the room?

4 GHISLAINE MAXWELL: I never saw him have  
5 sex with any person.

6 TODD BLANCHE: And so how about oral sex?  
7 Did you ever observe a woman giving him oral sex,  
8 whether you were in the room or walked in, or --

9 GHISLAINE MAXWELL: I never saw  
10 anyone give Epstein a blowjob. No.

11 TODD BLANCHE: But you said earlier you  
12 did see him masturbating in front of masseuses.

13 GHISLAINE MAXWELL: I don't know if I said  
14 that. I don't know --

15 TODD BLANCHE: Okay. Sorry. I don't  
16 want --

17 GHISLAINE MAXWELL: -- if I said that.

18 TODD BLANCHE: Let me ask you a question.  
19 Sorry.

20 GHISLAINE MAXWELL: I don't know for sure  
21 I said that.

22 TODD BLANCHE: No, that's fair. That's  
23 fair.

24 GHISLAINE MAXWELL: I said I saw him --  
25 I'm sure I saw him in a -- what some people could

1 define as sexual contact. Because if somebody could  
2 not have their clothes or topless, I would say maybe,  
3 I could say that.

4 If I saw him having -- masturbating when  
5 someone was there, I don't recall that, I don't have  
6 a specific memory of it. I'm sorry.

7 TODD BLANCHE: Okay.

8 GHISLAINE MAXWELL: But no, I'm not --

9 TODD BLANCHE: Okay.

10 GHISLAINE MAXWELL: -- I didn't say that.

11 TODD BLANCHE: Okay. I understand, that's  
12 fair. Sorry. I'm not ---

13 GHISLAINE MAXWELL: That's okay.

14 TODD BLANCHE: -- certainly not trying to  
15 put words in your mouth.

16 GHISLAINE MAXWELL: No, no. That's --  
17 absolutely no. That's fine.

18 TODD BLANCHE: So -- and you said, I think  
19 in passing -- maybe not in passing. I'm sorry.

20 About -- about, you know, whether other  
21 people who travel with him would get massages or --  
22 so that would -- when I say that I'm referring mostly  
23 to the island or, potentially, New Mexico. But also  
24 his Palm Beach residence or even in New York.

25 Do you know of -- do you have a list of

1 names in your head or names that come to mind of  
2 people that you know did get massages when they were  
3 with Mr. Epstein?

4 GHISLAINE MAXWELL: No, there's no list.  
5 There's no list of people getting massages. I don't  
6 have -- I can barely recall all the people. I can  
7 barely recall. I struggle to recall actual people  
8 that I met. And I may have met a long time that I  
9 had even forgotten that -- about Mr. Kennedy, or I  
10 probably brought it up yesterday. It just came to my  
11 mind now.

12 So I don't have, and there's no list.  
13 There was never a list. There was no -- or certainly  
14 none that I ever saw. None I ever heard of, none  
15 that I ever witnessed, none that I -- there's no  
16 list. Has never been a list.

17 TODD BLANCHE: And you never heard  
18 Mr. Epstein talk about such a list?

19 GHISLAINE MAXWELL: Never.

20 TODD BLANCHE: And you never heard  
21 Mr. Epstein suggest that he had some sort of control  
22 over somebody because of what he knew about what they  
23 had done or had photos of him or anything?

24 GHISLAINE MAXWELL: I never heard him --  
25 no, I never heard him ask questions about that. I

1 never heard him. So I've been present many times  
2 with masseuses. I never -- who presumably could or  
3 maybe did massage somebody, I'm not saying whether  
4 they did or not just (indiscernible).

5 I never heard him ask any question of any  
6 masseuse who may have given a massage to a friend  
7 that was on the island, or in Palm Beach or anywhere  
8 else for that, any details about that massage. Like,  
9 does he have a funky foot? No, I never heard that  
10 because it -- weird.

11 TODD BLANCHE: And I think at one of the  
12 breaks today, your lawyer may have showed you  
13 something that just came out in the paper, I think  
14 this morning or last night. A letter that you --  
15 that is attributed to you, associated with this  
16 birthday book from 2003 that we talked about  
17 yesterday.

18 Is -- did you see that letter.

19 GHISLAINE MAXWELL: I did see the letter.

20 TODD BLANCHE: Is that, in fact -- look  
21 like your handwriting or something you wrote?

22 GHISLAINE MAXWELL: So, I don't remember  
23 the letter.

24 TODD BLANCHE: Okay.

25 GHISLAINE MAXWELL: But it does look like

1 my handwriting. And it does look like my name. And  
2 it looks like it could be real, but I have no memory  
3 of writing that, and I don't remember it at all.

4 TODD BLANCHE: Do you remember what the  
5 birthday book, as they're calling it, what it, like,  
6 looked like? Like how it was put together?

7 GHISLAINE MAXWELL: I do.

8 TODD BLANCHE: What do you remember about  
9 it?

10 GHISLAINE MAXWELL: I remember it. It was  
11 leather-bound, and I remember it being about yea big.  
12 It was big. Right like --

13 TODD BLANCHE: So you're saying it looks  
14 like -- it's like over 12 inches, 14, 15 inches?

15 GHISLAINE MAXWELL: Yes. It was like sort  
16 of like a folio size, I guess, or something like  
17 that. And like this. And it was brown and thick,  
18 about this thick.

19 TODD BLANCHE: Okay.

20 GHISLAINE MAXWELL: And --

21 TODD BLANCHE: So just -- so you -- so I  
22 understand --

23 GHISLAINE MAXWELL: On heavy stock paper.

24 TODD BLANCHE: Heavy stock paper, like 14  
25 inches high?

1 GHISLAINE MAXWELL: That's about right.

2 TODD BLANCHE: And then around like --

3 GHISLAINE MAXWELL: A4. A4. We had A4,  
4 because it was done on heavy stock paper, but I can't  
5 remember if it was folio size paper, or it could have  
6 just been A4.

7 TODD BLANCHE: Oh I see. So it could have  
8 just been letter size, or it might have been legal  
9 size --

10 GHISLAINE MAXWELL: Yes.

11 TODD BLANCHE: -- heavy stock paper.

12 GHISLAINE MAXWELL: Yes.

13 TODD BLANCHE: And the -- so the folks  
14 that submitted letters were given the stock paper or  
15 how were the letters -- or did you, like, glue or  
16 something the letters to the stock paper?

17 GHISLAINE MAXWELL: Every which way. Some  
18 were given the paper and they did their own thing.  
19 Some would send me some scrap of paper and I would  
20 put it on the thing. Some I didn't get because they  
21 went straight to Epstein, and I was just told to put  
22 them in, like I said.

23 TODD BLANCHE: And how was it bound?

24 GHISLAINE MAXWELL: It went to a  
25 professional binder, who did it like a book that

1     you'd see in the library.

2                   TODD BLANCHE:   So like the glue that keeps  
3     a regular book, a novel that you would read together,  
4     it was bound that way?

5                   GHISLAINE MAXWELL:   Like a -- I believe  
6     so.   I don't think it was stitched, but I don't  
7     remember.   I mean, it was professionally done by a  
8     professional bookbinder.

9                   TODD BLANCHE:   And then after you  
10    presented it, or after it was presented to him when  
11    he turned 50, did you see the leather-bound book, did  
12    he keep it somewhere in particular?

13                  GHISLAINE MAXWELL:   It was in his bookcase  
14    in 71st Street.

15                  TODD BLANCHE:   In Manhattan?

16                  GHISLAINE MAXWELL:   In Manhattan.

17                  TODD BLANCHE:   And did you see it over the  
18    years until you stopped going to the brownstone?

19                  GHISLAINE MAXWELL:   I saw it -- I know I  
20    did see it, because it was right behind his desk.  
21    And after I stopped going, I don't know what happened  
22    to it.

23                  TODD BLANCHE:   Do you know -- do you  
24    remember being told or knowing where the book is now?

25                  GHISLAINE MAXWELL:   No.   But I -- when I

1 received in discovery those pages, I assumed that it  
2 had been found when either New York or the island was  
3 searched, and I assumed that the Southern District of  
4 New York had it.

5 TODD BLANCHE: But I think you said  
6 yesterday. But just to go over it again, in case you  
7 remember anything differently. You recall seeing  
8 some of the letters in discovery.

9 GHISLAINE MAXWELL: I do.

10 TODD BLANCHE: But you don't recall kind  
11 of seeing the leather book, start to finish?

12 GHISLAINE MAXWELL: No, but remember, I  
13 didn't see all discovery because they were very  
14 clever about, you know, I didn't receive all  
15 discovery, period. And in fact, very important items  
16 were not given to me at all, including witness  
17 testimony from grand jury.

18 TODD BLANCHE: So whether -- so you don't  
19 know one way or the other, whether it was part of  
20 discovery, you just know that you didn't get it. It  
21 wasn't part of the discovery that was given to you?

22 GHISLAINE MAXWELL: Correct. But there's  
23 a -- I am absolutely sure that the Southern District  
24 of New York hid very important pieces of evidence  
25 from me.

1 TODD BLANCHE: Okay.

2 GHISLAINE MAXWELL: And I assumed that  
3 they leaked it because where else would it be, if  
4 that's what it is. If it's true.

5 TODD BLANCHE: Okay. So I've -- just so I  
6 put -- I'll say it to you as I've talked a little bit  
7 to your lawyer about it. I said to you yesterday  
8 that the purpose of what we did yesterday and today  
9 was -- was exactly what we did, which is to have a  
10 conversation about Mr. Epstein and about you.

11 And I think it's very challenging to talk  
12 about everything we talked about. And, you know, in  
13 one and a half days or in just a period of hours. So  
14 I'll talk to Mr. Markus about kind of what we're  
15 going to do next, if anything.

16 There's no -- and I don't -- I'm not being  
17 coy or -- I just -- I don't know yet. I don't know.  
18 So we -- I have a lot of -- we have some work to do.  
19 We'll do it with your lawyers to the extent we have  
20 questions or follow-up.

21 And this has been very helpful. I think  
22 it's -- it was you, you know, who kind of said you  
23 wanted to talk, but we gladly accepted it. So I do  
24 appreciate you being willing to meet with us. And I  
25 expect that we'll be in touch soon. All right.

1     Yeah.

2                    SPENCER HORN:    This concludes the recorded  
3   proffer interview of Ms. Maxwell.    The time is  
4   12:05 p.m., on Friday, July 25th.
