

Colonoscopy Preparation with CLENPIQ

Prescribed:

Purchase over the counter:

Magnesium Citrate 10oz bottle

To open the CLENPIQ bottle: Place the bottle on a flat surface. Push down on the cap while twisting to the left (counterclockwise). Twist the cap until you see the white plastic ring under the cap is broken.

NIGHT BEFORE COLONOSCOPY

2PM: Drink 10oz bottle of Magnesium Citrate

4PM: Open 1 bottle of Clenpiq and Drink Completely. Follow that with **At least** five 8 oz cups (40 oz) of clear liquid over the next 5 hours

Between 10 PM-12AM: Open the 2nd bottle of Clenpiq and Drink Completely. Follow that with **At least** three 8 oz cups. of clear liquid.

DO NOT DRINK ANY FLUIDS 3 HOURS PRIOR TO YOUR PROCEDURE.
