

As we start the home stretch, I ask that parents continue to monitor grades, assignments, and remind students to take advantage of retesting for grade improvement. On Monday, we will distribute Elective Course selection cards to 6th and 7th graders for next year. These must be returned before next Friday when they will put their Elective choices into a Google form here at school. They have already been shown the options, which are still posted in their Thunder Time Canvas page if you want to review options with them.

1. **FBLA State Competition** - HUGE CONGRATS to the FBLA students listed in the section below for placing in the State Competition. 1st and 2nd place finishers qualify for Nationals in June. Thanks to Dr. Lester for leading this group.

2. **Dress Code Reminder** – Earlier this week we began issuing detention for students who are out of compliance with our dress code. Students have had all year to receive warnings and to understand what is appropriate for school and what is not. Please assist us with monitoring what your Bronco wears to school and use their agenda as a reference for what is included in the dress code at Bailey.

3. **Shark Tank** - The Exploring Business Opportunities' students (Gr. 8) at Bailey are working hard to build business plans for their new business ideas in advance of the **May 21 & 22, 2024 Shark Tank** events at the school. You may be familiar with the popular TV show called Shark Tank where entrepreneurs pitch their ideas to potential investors; that is the format we will be using. Mrs. O'Neil is now in the process of finding Sharks (e.g., people with business

experience – parents, grandparents, community members). Ideally, she would like to have 3-4 each day. The events will run from about 8:30am until 11am each day. The role of the shark is to listen to the pitch of each team and ask the tough questions that a potential investor might ask. Sharks do not have to commit to both days. Please email maurenv.oneil@cms.k12.nc.us if you are interested in serving as a Shark for this event.

4. **Social Media & Chat Streams** – **PLEASE, PLEASE, PLEASE** monitor what your student is doing and saying on social media and in these awful chat rooms. I think you would be surprised at what is being shared (videos & pics), the vulgar language, and the ridiculously mean comments that lack empathy or care for others. It may not be your student posting, but if they are joining these hateful chat streams, they are guilty of passively approving of what is being said and done to others. Thanks to those who actively monitor your Bronco! You would understand why mental health issues have exploded with our teens if you took a few minutes a day to look through your student's phone...don't forget to look in the deleted files.

5. **MAP, Report Cards, and Honor Roll** – Report Cards were sent home on Thursday this week so please ask your Bronco to show their Report card to you if they have not already done so. Students will take their final MAP Assessments next week on Tuesday and Wednesday so please encourage them to do their best as this is a good indication of how they will do on their EOG. Finally, we will host our 3rd Quarter Straight A Honor Roll Breakfast on Friday, April 19. 6th grade will be held at 8:00 am and 7th/8th at 8:30 am. Individual invitations were sent to parents this week.

Create a Great Weekend,

Chad Thomas

Yay!Day is about more than just spreading positivity.

Yay!DAY is about using positivity as a vehicle to educate, inspire, and

provide support to those committed to improving people's lives. The best part is, there's lots of **ways to yay!**

Our in-school programs are crafted by students, teachers, and administrators with participants developing specific objectives and activities based around their interests. We know that positivity comes in many forms and we want our participants to contribute to the Yay!DAY mission in their own unique way. I'd love for you to help us radiate positivity!

Help Support Broncos Athletics

CMS does not fund middle school sports, therefore our athletic booster club has to raise money to help support our athletic programs at Bailey Middle School.

- New uniforms
- Safety equipment
- Travel expenses
- Field maintenance
- Essential sports equipment
- Support items (storage lockers, ice machine, washer/dryer)
- Player Awards/Team banquets

Please click the “DONATE” button and text or email the fundraiser page to share with family, friends, coworkers, neighbors, etc. who can help support BMS athletics.
