Cabezo **GORDO**

Ever wondered about the beautiful mountain you can see from your terrace or as you drive past on the way to Murcia? Cabezo Gordo was created over 250 million years ago and is one of the most important paleoanthropological sites in the Spanish Mediterranean.

It is well worth a visit, not just for the spectacular views of the Mar Menor, but also to learn all about the amazing history and the wildlife around it.

Guided tours are available throughout the year at only 3€ but also watch out for special events such as Escape Room (5€) in the mountain, beer & wine tasting evenings which we can highly recommend.
