**Michigan State Aerie
Worthy President
Philip Satterla
Madison Heights # 3206
September 2025**

State Brothers,

It has been a very busy October. It Started with my testimonial hosted by Motor City. It was a great event and thank you to them. Next went on a Northern Michigan trip with stops in Marion, Traverse City, Boyne Falls and Cheboygan what a great visit we had with all the Aeries and thank you to them for all the hospitality. We are continuing to upgrade the State Aerie computer system to better serve you. Check out MIFOE.com is a great improvement that will allow us to continue to grow and get information to membership.

It will be a busy November starting with East Central Regional Conference in Ypsilanti on the 7th and 8th of the month. I also have veterans' events scheduled for the 1st part of the month. I would like to thank all veterans for their service on this special day.

If you are looking for a charity, please keep in mind that my charity for the year is the Michigan Veterans Foundation. This fine organization works with homeless veterans in the State of Michigan. They ensure that the veterans are in a safe, structured environment designed to lead them back into society through professional guidance and veteran-to-veteran reinforcement. The DVC works in collaboration with a multitude of human service providers, non-profit organizations and governmental agencies to meet the veterans medical, psychological and educational needs. Here are some of their programs:

- | | |
|---------------------------------------|--------------------------------|
| - Transitional Housing | - Substance Abuse Intervention |
| - Veteran Rescue Program | - Legal Assistance |
| - Life Skills and Employment Training | - Housing Placement. |
| - Transportation/Meals/Clothing | |

If you want me or my representatives to attend your events please email Dave Ross to see if we are available. His new email is mifoeseccdr@gmail.com.

I look forward to making this our best year yet. Hope to see you in my travels.

Fraternally Yours,
Philip Satterla
