Circuit Awards in All AQHA classes

- Circuit awards in all classes! To qualify for Circuit Awards, you must show to all judges.
- AQHA divisions may not be combined for awards. You may show in all divisions for which you are eligible. Points for circuit awards will be figured on a 9-8-7-6-basis with 9 being the most points earned under 1 judge. AQHA points are not added. If less than 9 horses show in a class, points will decrease accordingly.
- Highest Score awards for Trail, Working Cowhorse, Roping, Reining and Ranch Riding will be based on single highest score. Ties will be awarded based on highest cumulative score.
- Again in 2021! Buckles for circuit awards in all cutting divisions! Thank you to our generous sponsors!

Awards will be announced at the horse show.

Please claim your awards as soon as possible after your class. Awards not claimed at the show will be forfeited. Show office staff cannot keep track of your points; please be sure to do that yourself. The office will track points for All Around & Circuit awards at this show only.
