

Ascend Global Support, LLC

Corporate Overview

Ascend Global Support (AGS) provides mission-critical logistic solutions to international operations. AGS specializes in solving complex requirements across Africa, the Middle East, and Southwest Asia. Supporting OCONUS efforts in military installations across active warzones for almost three decades, our trusted network of suppliers, innovative procurement solutions, and reliable global delivery partners have delivered millions of pounds of products overseas.

Why Ascend Global Support?

- ✓ Almost 30 years of international logistics expertise
- ✓ Over 95% on-time delivery
- ✓ 100% delivery accuracy
- ✓ National and International Sourcing Solutions

We serve commercial, local, state, and federal contracts.

Our Approach

At AGS, our experience in international logistics ensures we can navigate the intricacies involved with sourcing and delivering to the most dangerous parts of the world. We prioritize efficient and timely delivery, understanding time is of the essence in government operations. Our commitment extends beyond transactions, as we focus on building lasting relationships, tailoring our services to each client's unique needs.
