SPECIAL ORDER CANCELLATION POLICY

Due to supply issues beyond our control, special orders through Counter Pro, Inc® **cannot** be cancelled at any time. Therefore, the customer is solely liable for the full cost of the product. While we understand obstacles may arise during your project, it is imperative to ensure all selections including color name, finish code and measurements are accurate when placing your order.

Please note: When placing a special order, it is important to remember that manufacturers have a longer lead time. Color samples are **not** a full representation of the pattern. Please refer to the manufacturer's website to view the pattern in a full size laminate sheet.

By signing this form, you are acknowledging the above policy.
