### **There is More to Italy than just Pinot Grig-ee-o 250**

We have all been there, sitting at a restaurant with a wine list that is as long as a bible.

The safe bet; Italian dry white, you turn to the waiter or sommelier and order the one wine you recognize “the Pinot Grig-EE-O,” only to see the face of the Sommelier drop with a slight expression of disappointment. It’s ok we know who you are, you like what you like, but there is more to Italy than just Pinot Grig-ee-o

Let us show you.

### **WTF What the Flor 450**

WTF.... WHAT THE FLOR is going on here?

Have you got the taste buds for this tasting? Are you game enough? Because this one will FLOR you!

Flor wines are something a little different, when we say different, we mean exciting,

To understand this style, you need to be open minded, these wines ancestral in their making, rough around the edges and a little bit nutty. But hey, aren't we all?

Explore the wines of the Savoy in France and Jura, as well as Spain, Sardinia and the Czech Republic.

*2018 Envinata 'Benje Blanco' Ycoden-Deute-Isora D.O. Tenerife, Canary Islands*

### **You can cheat on Pinot, we won't tell 300**

We all love Pinot Noir for its personality and attributes: its gentle touch, its perfume, its elegance, and vitality. But there are times that we lust for something different but still yearn the same character that made us fall head over heels for Pinot Noir.

We have put together a selection of Pinot (esque) varietals that will jump out of the glass and into your hearts.

Say goodbye to the Monogamy of just the one varietal in your life Its time some speed dating and let a different wine sweep you off your feet.

One of the oldest varieties in the world and one of the most versatile, Grenache holds a special place in the hearts and minds of wine makers and wine lovers around the world.

It's for this reason we have selected a dynamic range of expressive Grenache based wines from different wine regions, climates and wine makers to showcase the true versatility of this variety, we love Grenache and we know you will too.
