

reward someone special in our community

Do you know someone in our wonderful Lane Cove community who you consider a local hero? Someone who really deserves a break, a treat and some 'me' time, but wouldn't take that time for themselves. They are selfless, generous and kind, resilient and courageous, and they just deserve a really nice night out!

We are giving away a special dinner for two, which includes our brand new long degustation dining experience, plus matching wines, to someone who really deserves it!

To nominate your local hero, please email us:
hello@littleredrobin.net.au

Tell us why you believe this special someone really deserves to be rewarded with a special night out!

The team from LRR will choose a winner from the entries we receive. Entries close 31 August. Winner will be announced by 15 September 2020 and the winner will have six months to come in and enjoy their special treat at a date & time that suits.
