

# AROUND THE LAKE BUSINESS GATHERING

BUSINESSES BUILDING A STRONGER LAKE ECONOMY

**JUNE 3, 2026**

**9:00 - 10:00 a.m.**

**Networking begins at 8:30**

Please join us as we bring our lake area business groups together quarterly to promote business, network, and share business news from each community. We will meet for an hour with extended networking opportunities before and after, allowing time for everyone to meet and collaborate with each other. This is a grassroots effort where every business, no matter how big or small, and residents are welcome and encouraged to join in.

Additionally, we will have a guest presenter to talk about the thriving travel and tourism economy around the lake and how your business may benefit from their promotions!
