

HEBRON BUSINESS GROUP

APRIL 1, 2026

8:30 - 9:30 a.m.

Networking starts at 8:15

Please join us for our April business meeting! Brittany Misner has more exciting news and updates to share as we have many remarkable things happening in our village and beyond!

Also, Quinn Schaller is our guest presenter and he will be sharing his expertise on getting our yards and business fronts looking their best with all things plants and flowers.

The Lakewood DECA team will also share their Ohio State Competition presentation with us so this is going to be a fun meeting!

We look forward to seeing everyone to catch up with one another. As always share our group info and invite others!
