Are You Ready?

James encourages the reader of his letter to *“be doers of the word not hearers only.”* Too many times we find ourselves hearing and not doing. It reminds me of a story that I read about a fisherman.

He knew how to fish. He had everything you need to be a good fisherman. He had poles, nets, bait, and even a really nice boat, but this fisherman had a problem. For all his preparation, he never caught anything. Not one fish. Not one, not ever. And you know why he never caught a fish? What do you think? The answer is easy: He never went fishing. He had all the knowledge and all the equipment, but he never got into the boat; he never left the dock.

This fisherman was ready. He was prepared, but he never went to work. We have the Bible, we have read it, we know what to do, but have we “left the dock”? Are you prepared? If so, are you ready to get to work?

Walk4Water

In developing countries, women and children walk an average of 4 miles every day to collect water for their families.

Not only is this chore keeping children from attending school, but also the dirty water they are bringing home is killing them at an alarming rate! On average, 842,000 people die a year from water-related illnesses. More children die every day from dirty water than from malaria, aids, and measles COMBINED! Walk4Water is a fundraising program within Healing Hands International that helps support its water ministry. On **Sunday, April 11**, we will have an opportunity to raise money to provide a clean-water well for people in dire need of clean water. After Bible class, you can change clothes and shoes into comfortable walking attire, head to the Pavilion at Tusculum, eat some free lunch, walk 4 miles (not required; walk as much as desired), and bring a donation (make checks payable to Healing Hands International) to help us reach our goal of \$7,500 for a clean-water well. If you plan on being there, please register online at <https://www.hhi.org/walk4water/nashville-tn-2021>. By the way, on April 11, not only will you help provide clean water and receive a free lunch, you will receive a free T-shirt (register online to guarantee your size).
