SUNDAY 10:30AM

Conversations about Scripture and Women

Mark Adams

Chapel

Where would the church be if it weren't for the innumerable women, both today and throughout history, who have been people of strong faith and a tireless devotion to serving God's purposes? This quarter, we wanted to pull back and take an in-depth look at women in Scripture and in history. Mark Adams will facilitate as we explore key women featured in both Old and New Testament passages, as well as the prominent traditions of how some of these passages have been interpreted. If you've never done a deep dive into this important topic, we hope you'll consider this class option.
