SUNDAY 10:30AM

Lessons from 2 Samuel

PR Anderson & Richard Thompson

Adult 3

Come read and discuss 2 Samuel with fellow believers to discover how the Spirit of the Lord developed the youngest son of Jesse into Israel's greatest leader and King, not because he was perfect from a human perspective, but because David found favor in God's sight.

The Reign of King David

Jim Stubblefield, Gary Pollock & Greg Petree

Adult 6

2 Samuel continues the story of the reign of King David. In this class we will look at David's triumphs and failures, and how even with David's shortcomings God used David in a powerful way. His story reminds us of God's faithfulness and grace, and how our past mistakes do not necessarily determine our future. We will look at David's story and how it can be applied to our lives today.

A Study of David's Life

Laura McEachern

Adult 4/5 (Ladies)

A study of David's Life from his awareness of the death of Saul to God's acceptance of David's atonement offering after he numbered Judah and Israel.

Samuel warned Israel as he was instructed to do by God, concerning their desire to have a king. Still, they persisted. After the tumultuous reign of King Saul, God chose David, the "man after God's own heart" (1 Samuel 13:14). Through a prayerful search of the scriptures of 2 Samuel, we are blessed by God with a greater understanding of the strength given to us by Him when we put on His full armor as David did, when we remain faithful, and when we strive with Him to fulfill the purpose that He has for each of us to accomplish for Him.

Lessons from 2 Samuel

Harvey Hearn

Adult 7

Second Samuel tells the story of the rise of David and his kingdom; the fall of David and his family. A study of warfare, political intrigue, grievous sin, and God's blessings on a very special king whose legacy blesses us even today.

Putting Our Trust in God's Plan: A Study of 2 Samuel

Will Tidwell & Ben Olafsen

Portable L (Kenekt)

God wants to fix what is broken—be it broken relationships, hurting families, and even divided churches. Remarkably, God chooses broken individuals to help with broken situations. In this study, we will witness King David, a righteous figure struggle with the consequences of his tragic decisions, working to unite a nation torn apart.

Lessons from 2 Samuel

Adam Agee & John Goode

Room 127* (Homebuilders)

David was Israel's greatest king, but he struggled to establish his throne, committed murder and adultery, and brought disaster on his family. Yet, he was considered a man after God's own heart. This class will combine textual study with a thoughtful exploration of the heart of David.

Jesus' Encounters: "Christians & Culture"

Various Speakers

Chapel

This summer, we'll put ourselves in the shoes of different people who encountered Jesus. We'll see real people like us: people from different backgrounds, heritages, and family dynamics; people with real issues, real struggles, real questions, real hopes, and real dreams. And we hope you will be as captivated by the way Jesus meets them right where they are, the way he loves them, encourages them, challenges them; and hopefully, each week you will walk away changed, as they were.
