## Ministry Reboot—Tapestry

A tapestry is a piece of sturdy fabric formed by weaving individual threads together to create a beautiful design. God designed the Church in a similar manner. Individually, we are pieces of thread: different colors, different textures, and different ages. But when God weaves us together, he creates an incredible masterpiece that no one thread could have ever dreamed up.

Tapestry is Tusculum's revitalized Life Group Ministry. Our goal is to weave together intergenerational groups at Tusculum to create community with one another.

More information about Tapestry will be shared with you in the coming weeks.
