ABOUT LIMITLESS

Limitless Land Services is a consulting company specializing in surface related functions throughout the US within the oil, gas, and renewable energy industries. Our background in rural and agricultural development gives us a unique ability to quickly and efficiently establish strong, trustworthy relationships with landowners. We understand the value of land and what it means to own it. We understand the value of crops, cattle and timber. And we understand the effort that goes into making it all work. Surface is what we do, and we do it well. So if you are looking for an expert approach to help make your next project a success, contact Limitless Land Services.

WHY US

- ◆ **EXPERIENCE** - Managed thousands of miles of successful right of way and surface acquisition for pipeline and electric transmission. Active in oil, gas and renewable energy.
- ◆ **COMMUNICATION** - Our extensive company background and understanding of rural and agricultural cultures has consistently provided higher acquisition success rates.
- ◆ **VERSATILITY** - We have the ability to adapt and design new client specific processes at any time during the duration of the project. If the direction changes, so do we!
- ◆ **CLIENT RELATIONS** - Our focus on successful project management and positive client satisfaction has built a wide variety of long standing relationships.
