

## Hello, Friends!

2018 was the most productive and active year in the history of the Kyle Wood Foundation and we hope 2019 will bring further growth.

You all can help by continuing or upping your donations from last year. All donations are appreciated and you will forever be a friend of the Kyle Wood Foundation.

There are many exciting events in the upcoming year and we hope you all can participate and be a part of the Kyle Wood Foundation's continued growth and service to the community.

## **Friend of the Month - Matt Iseman**

Click the twitter link below to see comedian and American Ninja Warrior commentator, Matt Iseman, give the foundation a shout-out following a stand-up set at Comedy Works Denver.

Iseman grew up in Denver before moving to Los Angeles in 1999 to pursue a comedy and acting career, which has bloomed into a very successful venture. He's performed stand-up for the troops throughout the middle east and in the athletes village during the 2002 Olympics. Matt won the Celebrity Apprentice and

has been in countless sitcoms and other works, including Transformers 2.

Iseman has rheumatoid arthritis and partners closely with the Arthritis Foundation. He also beat cancer and had a tumor removed from his kidney in 2007, it was malignant and he's been cancer free since.

He graduated from Princeton, and got his MD at Columbia. The man knows the human body and how cancer can affect families and we're so glad he supports the KWF.

What a great show tonight @mattiseman and thank you for your support! We highly recommend seeing his hilarious stand-up comedy and supporting the @ArthritisFdn, as well as the @KyleWoodOrg.

## Calendar, Contact and the KWF Connection

We plan on 2019 being our biggest year so far, so keep an eye out at the KWF website as it's updated with a list of upcoming events. The next planned outing is the World Cancer Day run/walk in Denver on February 3rd.

Also, be sure to keep up with the the KWF Connection, the foundation's blog, which recaps all the fantastic events we are lucky enough to be a part of.

Hope is stronger than fear.
