

## WEDDINGS

Congratulations on your special day ... We are here to make this celebration as stress-free as possible ... EarthStar Ministers have officiated over 500 weddings ... We are ready to make your incredible journey a day to remember.

Make your Wedding a unique celebration, tailored to your own beliefs, desires, fantasies & wishes.

We can officiate your ceremony from many perspectives: casual to formal or traditional to fantasy.

We encourage you to design this special day to reflect your love & personal spirituality.

After receiving a Marriage License from any Register of Deeds in North Carolina, the ceremony can take place in any NC county within 60 days.

For the ceremony, there are two legal requirements to address:

1. Both parties must voluntarily be present.
2. The Officiant pronounces the couple husband/wife or spouse.

Any other customs, rituals or traditions may be used in the ceremony, ex., communion, dancing, drumming, hand-fasting, sand ceremony, smudging, etc.

Songs, music, readings, poems, prayers or scriptures may be used at any time during the wedding ... Consult with your minister for special requests, protocols or family customs.
