• Back Story

"SIMPLY WE" is part of EarthStar Music's New Age Collection & invites you to pause, listen within & recognize ourselves in one another ... A Cosmic Love Story born from a deep longing to understand who we are & to remember the Love & Wholeness that have always connected us ... Take this uplifting journey from 3D ego uncertainty & isolation to the Wisdom of the Heart & recognize the deeper truth reflected in our Collective Oneness/Unity.

Through every glance, word, action, heartbeat & shared moment, "SIMPLY WE" celebrates the Wholeness of Life – the figurative eternal ocean in which our individual waves meet ... Its message is simple & timely – live from the heart, believe in what is possible & remember we are another expression of the same beautiful Whole – as the Maya say, "I am another you, & you are another me."

May this song meet you wherever you are in understanding the greater Cosmos of Humanity/Universe ... Please listen, reflect & share it with someone who may need this reminder today ... **WE ARE WHOLE ... FOREVER ... SIMPLY WE.**

Thank you for supporting this musical endeavor ... The song is available on major streaming platforms ... Aloha, Dale & Jeanne

- **"SIMPLY WE" Lyrics**

(Verse 1)

Who am I & who are we ... Who are you & where do you go
 Sometimes I feel alone & unsure, & don't really know
 I thought I was living life, by settling in & doing my best
 but a yearning keeps guiding me, to this thump in my chest

(Chorus)

I look into your eyes, & what do I see
 the Wholeness of Life ... Simply WE
 I hear your voice, & what do I hear
 the resonance of Forever, that is always near
 I feel your essence, & what do I feel
 the Wholeness of Eternity, complete & real

(Verse 2)

I know the heart is necessary, a valid path & how to be
 another way to learn ... to feel, hear & see
 I think there is more to know, more to conceive
 In Wholeness, all is possible ... believe & achieve

(Chorus)

I look into your eyes, & what do I see
 the Wholeness of Life ... Simply WE
 I hear your voice, & what do I hear
 the resonance of Forever, that is always near
 I feel your essence, & what do I feel
 the Wholeness of Eternity, complete & real

(Bridge)

When we look into our eyes ... What will we see
Oneness, Wholeness, Love ... Simply WE

(Verse 3)

The Wholeness is our ocean, where we are & have always been
Wholeness is Love ... an echo from deep within
Our waves will always meet in this Eternal Sea
for I am another You, & You are another Me

(Outro)

Live in your heart, it is the way
Be in your heart, every moment, everyday
The heart is the journey, the place to be
We are Whole, forever ... Simply WE
We are Whole, forever ... Simply WE
