- **Back Story**

"COSMIC CHRIST" is part of EarthStar Music's Christian/New Age Collection ... a song about discovering the living presence of Christ not only in the heavens, but within the Heart, within one another & throughout all of Creation.

From the vastness of the stars to the quiet space within us, *Cosmic Christ* explores Wholeness, Oneness & the sacred connection of Mind-Body-Spirit – reminding us to see Christ within, feel Him in our hearts & recognize His presence reflected in the people we meet along the journey ... Through darkness & light, laughter & tears, challenges & moments of grace, love continues to guide us toward greater understanding, compassion & purpose.

The song reflects our Aloha Consciousness belief that Divine Love is woven through everything – the mountains & valleys, the stars above, the Earth beneath our feet & every connection we share ... As we learn to care, share, forgive, grow & walk together, we begin to recognize that the sacred mission is not somewhere far away – it is unfolding within our own lives.

May "Cosmic Christ" be a musical reminder to embrace the Divine in this sacred life, trust the Love within every heartbeat & remember that we are never separate from the greater Spirit that connects us all.

Thank you for supporting this musical endeavor ... The song is available on major streaming platforms ... Aloha, Dale & Jeanne

- **"COSMIC CHRIST" Lyrics**

(Verse 1)

In the vastness of the night, a whisper calls
Wholeness & Oneness, in the cosmic halls
Mind-Body-Spirit, we're woven as one
Eternal love shines as bright as the sun

(Chorus)

See Christ within, feel Him in your heart
Salvation's a journey, it's your sacred art
On earth as it is in heaven, love prevails
In every breath, His truth never fails

(Verse 2)

Every star above holds a story unseen
Universal love flows in each & every dream
A mirror reflects the essence of grace
See Christ looking back, a divine embrace

(Bridge)

The journey continues, through darkness & light
Learning about love, in every day & night
In everyone we meet, His presence we find
Reflecting our soul, the eternal kind

(Chorus)

See Christ within, feel Him in your heart
Salvation's a journey, it's your sacred art
On earth as it is in heaven, love prevails
In every breath, His truth never fails

(Verse 3)

In the depths of creation, His mission unfolds
In the laughter & tears, His story is told
We rise together through the trials we face
Awaking the love, finding holy space

(Hook)

Cosmic Christ, in everything we seek
In the silence of hearts, we hear Him speak
In the threads of existence, we dance & we sing
In the union of spirit, all souls take wing

(Verse 4)

From the mountains so high to the valleys so deep
In every connection, our spirits will leap
Learning to share, learning to care
In His cosmic mission, we find ourselves there

(Outro)

So embrace the divine in this sacred life
With love as our guide, we shall conquer strife
In every heartbeat, His essence we trust
Cosmic Christ unites us, in His love, believe we must
Cosmic Christ unites us, in His love, believe we must
