#### • **Back Story**

"BOURBON KISSES & WHISKEY BUZZ" is part of EarthStar Music's Country Collection, bringing the party straight to the Honky Tonk ... A feel-good, toe-tapping song that is packed with bourbon, beer, cigars, cheese fries, beef stew, dancing & a whole lot of country attitude ... At the heart of the story is a tall, beautiful blonde bar owner who is equal parts gritty, classy, sassy, & strong – a business woman who can run the room, pour the drinks, serve the crowd & still keep the dance floor buzzing ... She makes her Roadhouse a place where hardworking folks can cut loose, laugh loud, grab their favorite partner & kick up some high-energy heels under the lights ... It's good friends, good food, good times & one unforgettable night full of "Bourbon Kisses & Whiskey Buzz."

Thank you for supporting this musical endeavor ... The song is available on major streaming platforms ... Aloha, Dale & Jeanne

#### • **"BOURBON KISSES & WHISKEY BUZZ" Lyrics**

##### **(Verse 1)**

I love watching my lady, working the crowd  
Bouncing from booths to tables, on a Saturday night loud  
Takin' tickets, & servin' drinks, bartendin', too  
Pullin' orders of chili cheese fries & hearty beef stew  
I'm amazed how she moves, flowing as she does  
Stunning smiles included ... Bourbon Kisses & Whiskey Buzz

**(Chorus)**

Honky-Tonks, roadhouses, & smokey saloons  
Stiff drinks & cigars, & country tunes  
People sittin' & drinkin', lettin' go of a hard day  
Liquor & beer only, ain't no chardonnay  
My girl's workin' hard, doing the things she does  
Passing out Bourbon Kisses ... & a lotta Whiskey Buzz

**(Verse 2)**

She's the cutest thing, stylish, & sassy blonde hair  
Guys know not to touch her, they wouldn't dare  
She can take care of herself, as newcomers find out  
Curious ones just ask, what's she all about  
The answer is, she's a Southern Girl, head to toe  
Kind & courteous, with a black belt, in Tae Kwon Do

**(Chorus)**

Honky-Tonks, roadhouses, & smokey saloons  
Stiff drinks & cigars, & country tunes  
People sittin' & drinkin', lettin' go of a hard day  
Liquor & beer only, ain't no chardonnay  
My girl's workin' hard, doing the things she does  
Passing out Bourbon Kisses ... & a lotta Whiskey Buzz

**(Verse 3)**

She owns the place, but still works the floor  
People love her, there's a line out the door  
She knows everyone, their families, their names  
Where they shop & eat, every divorce & who's to blame  
She listens & cares, sharing Southern love in every drink  
With Bourbon Kisses & Whiskey Buzz ... better than a shrink

### (Chorus)

Honky-Tonks, roadhouses, & smokey saloons  
Stiff drinks & cigars, & country tunes  
People sittin' & drinkin', lettin' go of a hard day  
Liquor & beer only, ain't no chardonnay  
My girl's workin' hard, doing the things she does  
Passing out Bourbon Kisses ... & a lotta Whiskey Buzz

### (Outro)

The best reputations are usually spread by mouth  
Gentle words & a sweet smile, hospitality of the South  
Keeping things simple, a shot, or a bottled beer  
A place to unwind, & if needed, a listening ear  
My lady's place is just the spot, doing the things she does  
Serving more than Bourbon Kisses ... & that Whiskey Buzz  
Bourbon Kisses & Whiskey Buzz
