### **"Earth Super Powers" Lyrics**

#### **(Verse 1)**

Earth Super Powers, abilities & goals  
Magical energies, your sacred roles  
Skills & talents, in serving others  
Your divine sisters, & fellow brothers  
Be a Super Hero, every minute & hour  
Natural gifts ... your Earth Super Powers

**(Chorus)**

Divine Purpose, & special skills  
Are all within you, listen & feel  
Your purpose is Love, a mission since birth  
You're a Super Hero, serving on Earth  
Open your heart, like budding flowers  
Your Destiny awaits ... Earth Super Powers

**(Verse 2)**

Keep your body strong, firm & fit  
Sturdy & focused, never to quit  
Make your mind sharp, witty & keen  
Discerning Reality, seen & unseen  
Trust your spirit, & cosmic goal  
Earth Super Powers ... keys of your soul

**(Chorus)**

Divine Purpose, & special skills  
Are all within you, listen & feel  
Your purpose is Love, a mission since birth  
You're a Super Hero, serving on Earth  
Open your heart, like budding flowers  
Your Destiny awaits ... Earth Super Powers

**(Verse 3)**

Destined to serve, whether work or play  
Super Powers, what you do, what you say  
Your magic is the bridge, for humankind  
Cosmic Heart & Spirit, & Cosmic Mind  
Be your best self, live it, everyday  
Earth Super Powers ... will light the way

**(Chorus)**

Divine Purpose, & special skills  
Are all within you, listen & feel  
Your purpose is Love, a mission since birth  
You're a Super Hero, serving on Earth  
Open your heart, like budding flowers  
Your Destiny awaits ... Earth Super Powers

**(Outro)**

Facets of God & unique expressions  
Destiny & Soul, divine reflections  
Know your power, & be who you are  
Earth Super Powers ... Super Star  
Earth Super Powers ... Super Star
