"Cowboy Code" Lyrics

(Verse 1)

Each day, live with courage, brave in some way
From sunup to sundown, in work & play
Have respect for everyone, all those you meet
Some had rough patches, while others are sweet
Be confident in your dreams, be a success
Achieve your goals, be your Cowboy best

(Chorus)

A world where a handshake, seals every deal
Your word is your bond, honest & real
Reliable & true, timeless traits in any ode
American values ... the Cowboy Code

(Verse 2)

Always do what's right, for others & you
Live life, be strong, always be true
Take pride in your work, do work you love
Love what you do, & thank God, above
Talk less & say more, measure each word
Let your actions speak, your power heard

(Chorus)

A world where a handshake, seals every deal
Your word is your bond, honest & real
Reliable & true, timeless traits in any ode
American values ... the Cowboy Code

(Verse 3)

Know where to draw the line, & compromise
Stick to your standards, straight & wise
Always finish what you start, the task at hand
Perseverance has merit, achievement, the plan
Be tough but always fair, resolute & bold
Standards of integrity, caliber untold

(Chorus)

A world where a handshake, seals every deal
Your word is your bond, honest & real
Reliable & true, timeless traits in any ode
American values ... the Cowboy Code

(Outro)

Cowboys live a life, with hard work & grit
Punching cattle, roping horses & weathered wit
Campfires & bedrolls, riding day & night
Measuring the day's work, a job done right

A world where a handshake, seals every deal
Your word is your bond, honest & real
Reliable & true, timeless traits in any ode
American values ... the Cowboy Code
