• **Back Story**

"ANDROMEDA GIRLS" is part of EarthStar Music's New Age genre ... It is an energetic, yet soothing New Age track born from Jeanne's healing path (broken humerus) & the loving presence & support she experienced ...

During the earlier months of recovery & re-alignment, she felt the arrival of the Andromedan Girls—gentle Galactic allies whose Heartlight & harmonics surrounded her in comfort, strength & wholeness ... "Andromeda Girls" carries that resonance -- calming, uplifting, & tuned for your own harmony & wellness practices ... The Andromedan Girls first appeared to Jeanne one afternoon when she was meditating/praying while listening to a "Healing Forest Ambiance" video on YouTube:

When she woke from her nap, she shared with Dale (her husband) what she had experienced ... Up to that point, neither Jeanne nor Dale had consciously worked with Andromedan energies ... Other Galactic presences had been part of their spiritual awareness, but the Andromeda Girls were a new—& exciting—addition to the family. Jeanne worked with her Andromeda Girls for many months ... During her healing meditation & prayer time, she often listened to the same (or similar) "Healing Forest" YouTube tracks ...

About six months into her healing, Dale was "asked" to go into the living room while Jeanne was meditating/praying/healing ... As he entered, he "saw" many of the images reflected in the video—

floating young women, clothed in pastel colors, radiating Heart Lights with multi-colored light flowing from their palms in healing rays toward Jeanne's body ... He also saw the rose quartz table mentioned in the song ... It was quite awesome to witness the vision of healing, love & wholeness with the Andromeda Girls. As you watch the video—or simply listen—invite the Andromeda Girls into your own alignment, harmony & wellness time ... You may discover a gentle source of Galactic support that feels uniquely right for you ... Wishing you continuing wellness; & remember, "Calm is Healing ... Healing is Calm."

Thank you for supporting this musical endeavor ... Song is available on major streaming platforms ... Aloha, Dale, Jeanne & the Andromeda Girls"

"Andromeda Girls" Lyrics

(Verse 1)

A time of healing, an inner call was made
My heart reached out, asked & prayed
To heal my body, to calm my mind
Healing is wholeness, being aligned
Vibrations & rhythms, from another world
Light & Love given ... Andromeda Girls

(Chorus)

A mystical forest, a magical stream
A portal to a realm, real & a dream
Star Sisters appear, in multi-colored gowns
Aligning my body, from root to crown
Travelers from afar, a 5th dimensional world
Hearts of Radiant Light ... Andromeda Girls

(Verse 2)

Circling my body, as their auras heal
Opening my heart, to sense & feel
A table of rose quartz, floating in air
Rhythms to soothe, & lay the soul bare
They speak in silence, yet my heart hears
Weavers of Light, from the tomorrow years

(Chorus)

A mystical forest, a magical stream
A portal to a realm, real & a dream
Star Sisters appear, in multi-colored gowns
Aligning my body, from root to crown
Travelers from afar, a 5th dimensional world
Hearts of Radiant Light ... Andromeda Girls

(Verse 3)

Beautiful & loving, translucent & bright
Cosmic Sisters of time, clothed in Light
Supreme elegance, pristine & pure
Healing with wholeness, the eternal cure
Ascended Beings, fully present in our world
Illuminated love ... Andromeda Girls

(Chorus)

A mystical forest, a magical stream
A portal to a realm, real & a dream
Star Sisters appear, in multi-colored gowns
Aligning my body, from root to crown
Travelers from afar, a 5th dimensional world
Hearts of Radiant Light ... Andromeda Girls

(Outro)

Ethereal mystery, magic & soul
Sacred connection & reflection ... timeless & whole
A prayer for healing, a call beyond our world
Hearts of Radiant Light... Hearts of Radiant Light ... Hearts of Radiant Light
Andromeda Girls
