- **"OTHER THINGS TO THINK ABOUT" Lyrics**

(Intro)

Life's too short for all the thoughts that fill the mind
Let your man do his thing, being strong & kind

(Verse 1)

My man opens the door when I get in the car
He does all the driving, whether near or far
I look around, & think about things
Listen to his songs & sometimes sing
He says, why drive, when you can be driven
I love how he thinks, & the life we're living

(Chorus)

I've got other things to think about
My man will take care of me, I have no doubt
He keeps me safe & he'll get me home
And he'll even feed me, wherever we roam
I don't need to know, how we got there & here
My man drives, holds my hand & loves me dear

(Verse 2)

When I'm hot or cold, he makes it right
When I'm cool he makes it warm, day or night
When I'm hot, he moves the dial
Turns on the A/C, as I sit & smile
When I start to get hungry, & want a snack
My man stops at a store, & fills a sack

(Chorus)

I've got other things to think about
My man will take care of me, I have no doubt
He keeps me safe & he'll get me home
And he'll even feed me, wherever we roam
I don't need to know, how we got there & here
My man drives, holds my hand & loves me dear

(Bridge)

I'm living a life, I love to live

Thank God for a man, who knows how to give

(Verse 3)

Whether going to town or driving to the beach

My man watches over me, always within arm's reach

Taking care of my needs, always knowing what they are

He treats me like a Queen, & a Hollywood Star

I love the quiet times too, riding without a word

Just being together, holding hands ... hearts heard

(Outro)

I love our time on the road, just me & my man

He drives & I ride, quite a simple plan

He says, why drive, when you can be driven

I love how he thinks, & the life we're living

He'll feed me & keep me safe, without a doubt

No worries for me ... I've got other things to think about
