- **Back Story**

"REDHEADED HULA GIRL" is our first Hawaiian Music genre song ... Hawaiian Hula is performed with modest clothing, slow rhythmic movements of hands, arms, hips, legs & feet ... Hula is Sacred Dance, & the Hula Dancers are telling a story with their magical motions, weaving a story of light & Aloha with every movement.

"REDHEADED HULA GIRL" is inspired by our Redheaded Hula Teacher friend ... Enjoy the rhythmic beat & soothing vibrations ... As you listen, imagine dancing barefoot on a Hawaiian beach beneath a beautiful, multi-colored sunset with a Redheaded Hula Girl.

Thank you for supporting this musical endeavor ... Song is available on major streaming platforms ...
Aloha, Dale & Jeanne

"Redheaded Hula Girl" Lyrics

(Verse 1)

Hula is ceremony, a sacred dance
Flowing spirit, personas enhanced
Heels are lifted, hips circle & glide
Beautiful women, smiles are wide
Hawaiian Hula, & sharing with the world
Aloha in motion ... Redheaded Hula Girl

(Chorus)

Modest grass skirt, & a dress with flowers
A girl of ginger, dancing her powers
Sun kissed spots of freckly brown,
Man, she swishes, those hips around
Gentle movements, sacred & true
Redheaded Hula Girl ... eyes ocean blue

(Verse 2)

When the music starts, the rhythms flow
Enter the hula dancer, moving head to toe
Smooth & calming sways, left & right
Hands telling a story, weaving air & light
Hips & thighs, flexing with every part
Redheaded Hula Girl ... Aloha in her heart

(Chorus)

Modest grass skirt, & a dress with flowers
A girl of ginger, dancing her powers
Sun kissed spots of freckly brown,
Man, she swishes, those hips around
Gentle movements, sacred & true
Redheaded Hula Girl ... eyes ocean blue

(Verse 3)

Redhead full of flowers, & braided hair
Who is this Hula girl, with skin so fair
Most dancers are crested, black or brown
But not the Scottish lass, doing Hula all around
From another island, on the far side of the world
No kilts for her, she's the Redheaded Hula Girl

(Chorus)

Modest grass skirt, & a dress with flowers
A girl of ginger, dancing her powers
Sun kissed spots of freckly brown,
Man, she swishes, those hips around
Gentle movements, sacred & true
Redheaded Hula Girl ... eyes ocean blue

(Outro)

Graceful & elegant, fluid in every sway
Sacred Hula, gentle hips, the island way
She carries a message, for all to know
Feel your power ... Live happy, & flow
Redheaded Hula Girl ... mountains to sea
Redheaded Hula Girl ... Live Aloha, & be
