• "HAPPY ANNIVERSARY, MY LOVE" Lyrics

(Verse 1)

How many lifetimes, have we fallen in love
Our hearts gliding & soaring, into the skies above
How many lifetimes, have we tightly held hands
Here at home side-by-side, or strolling in distant lands
How many lifetimes, have we pressed our lips, into a kiss
Passion embodied, a snug squeeze, spiritual bliss
How many lifetimes, have we gazed, into each other's eyes

Seeing love become real, earthly depths & heavenly highs
How many lifetimes, can our Souls fit, like a hand & glove
You & me always & forever ... Happy Anniversary, My Love

(Chorus)

Another year, another chance to fall in love again
Discover new meanings, with a partner & friend
Another year, another chance to see with new eyes
To live life fully, hand in hand by each other's sides
Another year, another chance to hear with new ears
The sound of our hearts, voiced in laughter & tears
Another year, another chance to touch with a new feel
Our hearts, Our Souls ... Happy Anniversary, My Love
Our Love is eternal ... Our Love is real

(Verse 2)

Life is wonderful, when the heart is full of love
Everyone & everything is beautiful, below & above
Life is wonderful, when Soulmates finally meet
Time slows down, the universe is complete
Life is wonderful when our minds & hearts are One
Every moment is alive, every game won
Life is wonderful, when mystery coats, our every kiss
Passing Soul Codes, with every breathy mist
A yearly reminder to be in love, every day
Happy Anniversary, My Love ... I Love You in every way

(Chorus)

Another year, another chance to fall in love again
Discover new meanings, with a partner & friend
Another year, another chance to see with new eyes
To live life fully, hand in hand by each other's sides
Another year, another chance to hear with new ears
The sound of our hearts, voiced in laughter & tears
Another year, another chance to touch with a new feel
Our hearts, Our Souls ... Happy Anniversary, My Love
Our Love is eternal ... Our Love is real

(Outro)

Another dance around the Sun, in the coming year
Finding love unimagined, in every breath, so dear
Love is the food that feeds our Souls
Carrying us forward as Heartmates, true & whole
Let's plan to live long together, just you & me
Happy Anniversary, My Love ... Happy Anniversary, My Love
Happy Anniversary, My Love ... Happy Anniversary
