- **Back Story**

"BODY MADE FOR SIN" was written for my wife Jeanne on our 5th Anniversary (2002) when we looked younger, better & were staving off the physics of gravity ... I had to wait for technology to be developed (Songer) to produce the song, since I don't sing or play an instrument ... Hope the vibe energizes you & brings a smile or laughter to your day with its country-rock rhythm ... Thank you for dancing/singing along ... And for those of you who have a Body Made for Sin, don't apologize for being beautiful, empowered, sexy & confident ... God Bless You!!! ... Aloha, Dale & Jeanne ♥

### **"Body Made for Sin" Lyrics**

#### **(Verse 1)**

My baby is a woman, as real as can be  
beautiful and sexy, a pure lady  
She's never won a pageant, 'cause she's never entered one  
her face is like a goddess, & the warm shinin' sun

#### **(Chorus)**

My baby is a looker, with the shiny hair  
long sexy legs, & a shapely derriere  
She turns every head of, all the boys & men  
my baby has a body, a body made for sin  
My baby is a looker, with the shiny hair  
long sexy legs, & a shapely derriere  
She turns every head of, all the boys & men  
my baby has a body, a body made for sin

**(Verse 2)**

My baby's not famous, or a movie star  
but watch all the guys, when she walks into a bar  
They all begin to stare, & check her head to toe  
just who is this woman, they'd all like to know  
She has a pretty smile, & ruby red lips  
her tight fittin' clothes, show her well rounded hips  
There's one part better, than her bright sparklin' eyes  
& that's my baby's legs, those gorgeous thighs

**(Chorus)**

My baby is a looker, with the shiny hair  
long sexy legs, & a shapely derriere  
She turns every head of, all the boys & men  
my baby has a body, a body made for sin

**(Verse 3)**

You oughta see my baby in a one piece bathin' suit  
or a short denim skirt, & fancy cowboy boot  
or a lacy cotton dress, on a hot summer night  
no matter what she wears, she's a wonderful sight  
It's no doubt to me, that she broke the mold  
& besides lookin' good, she's got a heart of gold  
'cause she talks to every guy, when they talk to her  
and everybody loves her, & her sexy purr

**(Chorus)**

My baby is a looker, with the shiny hair  
long sexy legs, & a shapely derriere  
She turns every head of, all the boys and men  
my baby has a body, a body made for sin

**(Outro)**

My baby is a looker, with the shiny hair  
long sexy legs, & a shapely derriere  
She turns every head of, all the boys & men  
my baby has a body, a body made for sin  
My baby has a body ... a body made for sin
