- "SHAMAN OF LIGHT " Lyrics

(Intro)
In the hush of dawn, where shadows softly fade
A Shaman of Light whispers, dreams to be made

(Verse 1)
A seer of the heart, searching patterns in the Now
With 3rd eye open, the chakra at the brow
Knowing the heart, where silence speaks in tones
He listens to the stories, hidden deep in our bones
Gliding hands of heat & flowing with light
He heals with a touch ... renewing the body, bold & bright

(Pre-Chorus)
Influences of healing with love's soft embrace
Creating calm & peace ... holy & sacred space

(Chorus)
An emissary from tomorrow, to dance with life & death
Here on Earth to share wisdom, & love in every breath
Master of Time, phasing & shifting
Shaman of Light ... hearts & souls uplifting

(Verse 2)
She knows the depths of ages, in the eternal Now
Dreaming this wisdom to honor all ... who, where & how
Intuition & insight, a healer of the heart
Clearing hidden shadows, in every lifetime & every part

(Bridge)
Shifting between dimensions, in the mind, body & soul
Gathering all the stories, living within the Whole
A ceremonial master, a guardian of the flame
Reminding us in every whisper ... You & God are the same

(Chorus)
An emissary from tomorrow, to dance with life & death
Here on Earth to share wisdom, & love in every breath
Master of Time, phasing & shifting
Shaman of Light ... hearts & souls uplifting

(Verse 3)
With eyes that see beyond, what the surface may reveal
Walking the threads of time, between illusion & truth real
With a heart that knows the future & a mind that knows the past
A Shaman of Light calls to the soul, listening with prayers cast

(Outro)
Be bold in your journey, let the rhythms flow
With every breath & heartbeat, let your spirit grow
Embrace the mystic whispers, & let your heart align
Believe you are the Shaman of Light ... Destiny Divine
Shaman of Light ... Destiny Divine
