• **Back Story**

"Heart Full of Love" is Jeanne's portrayal of our love story (29 years) to coalesce a soul-filled union with a woman's insight about the heart, love & relationships ... The song & video are framed with Jeanne's reflections of music during her teenage/college years, living in the Coastal Plains of North Carolina -- 1960s, Beach, Heartfelt, Motown/Rhythm & Blues, Oldies ... Hope you enjoy the bridging of the rhythms of 1960 with the marvels of an AI arrangement in 2026 (Jeanne's love story about Dale) ... Also this song invites you to the dance floor, bop/beach/shag ... Thank you for supporting this musical endeavor ... Song is available on major streaming platforms ...

Aloha, Dale & Jeanne

"Heart Full of Love" Lyrics

(1st Verse)

Choices are many, in a fast-paced life
To settle down, have kids & be a wife
My mind seems busy, going here & there
To many places, & sometimes nowhere
Then one day, the stars aligned
Dark haired & handsome, sweet & kind
We talked, & laughed, held hands on a stroll
He stared into my eyes, & kissed my soul

(Chorus)

My heart comes alive, when he's with me
Primal love, fate, & destiny
He searches my eyes, whispers in my ear
He stirs my heart, & pulls me near
Our lips sizzle, like fireworks above
My soul, afire, a Heart Full of Love

(2nd Verse)

Being in love, was new to me
I never imagined, I would feel so free
I ache for his touch, his head on my chest
The warmth of our bodies, our souls at rest
We laugh & lock eyes, which I adore
Our hearts are lifted, our spirits soar

(Chorus)

My heart comes alive, when he's with me
Primal love, fate, & destiny
He searches my eyes, whispers in my ear
He stirs my heart, & pulls me near
Our lips sizzle, like fireworks above
My soul, afire, a Heart Full of Love

(3rd Verse)

Love seems fleeting, but it can be found
Listen with your heart, it's all around
Give it all & more, 'til it's all you can give
Passion feeds the soul, the only way to live
Make memories now, 2 lives, one heart
Love remembers all, every kiss, every part

(Chorus)

My heart comes alive, when he's with me
Primal love, fate, & destiny
He searches my eyes, whispers in my ear
He stirs my heart, & pulls me near
Our lips sizzle, like fireworks above
My soul, afire, a Heart Full of Love

(Outro)

My heart comes alive, when he's with me
Primal love, fate, & destiny
He searches my eyes, whispers in my ear
He stirs my heart, & pulls me near
Our lips sizzle, like fireworks above
My soul ... afire ... a Heart Full of Love
