• Back Story

"HAPPY BIRTHDAY, MY BELLE" is part of EarthStar Music's Indie/Pop Collection & was written as a heartfelt tribute to my wife, Jeanne, in honor of her birthday on August 3rd ... While deeply personal in its inspiration, the song can also be dedicated to anyone celebrating a birthday at any time of year ... Performed by a male vocalist, "Happy Birthday, My Belle" is the first song in a trilogy, blending uplifting Indie/Pop rhythms with a message of love, gratitude & shared celebration ... It invites listeners to feel the warmth of devotion to their own Belle & to cherish the many memorable experiences they have shared together ... As the outro tenderly says, *"Let's plan to live long together, loving & well"* – a beautiful wish for any loving partnership with your Belle.

Thank you for supporting this musical endeavor ... The song is available on major streaming platforms ... Aloha, Dale & Jeanne

• "HAPPY BIRTHDAY, MY BELLE" Lyrics

(Verse 1)

How many lifetimes, have we fallen in love
Our hearts gliding & soaring, into the skies above
How many lifetimes, have we tightly held hands
Here at home side-by-side, or strolling in distant lands
How many lifetimes, have we pressed our lips, into a kiss
Passion embodied, a snug squeeze, spiritual bliss

How many lifetimes, have we gazed, into each other's eyes
Seeing love become real, earthly depths & heavenly highs
How many lifetimes, can a Soul proclaim, to shout & tell
You & me always & forever ... Happy Birthday, My Belle

(Chorus)

Another year, another chance to fall in love again
Discover new meanings, with a partner & friend
Another year, another chance to see with new eyes
To watch you move with beauty, a gift, a prize
Another year, another chance to hear with new ears
The sound of your heart, voiced in laughter & tears
Another year, another chance to feel with a new touch
Your heart, your soul ... Happy Birthday, Belle
I love you so much ... I love you so much

(Verse 2)

Life is wonderful, when the heart is full of love
Everyone & everything is beautiful, below & above
Life is wonderful, when soulmates finally meet
Time slows down, the universe is complete
Life is wonderful when your mind & heart are one
Every moment is alive, every game won
Life is wonderful, when mystery coats, every loving kiss
Soul Codes are passed, in every breathy mist
Birthdays remind us to be love in every way
To my Belle of Amour ... Happy Birthday

(Chorus)

Another year, another chance to fall in love again
Discover new meanings, with a partner & friend
Another year, another chance to see with new eyes
To watch you move with beauty, a gift, a prize
Another year, another chance to hear with new ears
The sound of your heart, voiced in laughter & tears
Another year, another chance to feel with a new touch
Your heart, your soul ... Happy Birthday, Belle
I love you so much ... I love you so much

(Outro)

Another dance around the Sun, in the coming days
Finding love unimagined, every breath, many ways
Love is the spark that ignites our Soul
Carrying us forward to be Heartmates, & be Whole
Happy Birthday, My Amour ... My Belle
Let's plan to live long together, loving & well
Happy Birthday, My Belle ... Happy Birthday, My Belle
