"Spin the Wheel or Roll the Dice" Lyrics

(Verse 1)

Up in the mountains, a place called Cherokee
A casino of excitement, & hopes to be
Dreams come true, on a lucky night
A jackpot of red sevens, a welcome sight
Slot attendants runnin', paperwork to do
It's always a great time, signing a W2

(Chorus)

Spin the wheel, or roll the dice
Bet what you will, but here's some advice
Not every spin is a win, with games of chance
Some leave sad, while others dance
Magic happens, when jackpots come alive
Sometimes it pays 10, sometimes only 5

(Verse 2)

Video poker & keno, blackjack too
Slot machines galore, about a thousand or two
Comfortable chairs, & cocktail girls
Wheel of Fortune, some expensive twirls
Many spins of hope, a dollar at a time
All are welcome, quarters, nickels & dimes

(Chorus)

Spin the wheel, or roll the dice
Bet what you will, but here's some advice
Not every spin is a win, with games of chance
Some leave sad, while others dance
Magic happens, when jackpots come alive
Sometimes it pays 10, sometimes only 5

(Verse 3)

The Cherokee casino, a place to have fun
Sometimes all night, till the morning sun
High limits or not, the odds are the same
Some are lucky, but all love the game
Calling Lady Luck, with every spin
Taking a chance, bet big & big win

(Chorus)

Spin the wheel, or roll the dice
Bet what you will, but here's some advice
Not every spin is a win, with games of chance
Some leave sad, while others dance
Magic happens, when jackpots come alive
Sometimes it pays 10, sometimes only 5

(Outro)

Many people are happy, faces with grins
Handpays will do that, big jackpot wins
So be of good cheer, ignore my advice
Pull out a hundred, spin the wheel, or roll the dice
Pull out a hundred, spin the wheel, or roll the dice
