• Back Story

"ANGELS OF THE PLEIADES" is part of EarthStar Music's New Age Collection to celebrate Dale's connection with his Pleiadean Angels — not angels in the traditional religious sense, but loving, healing teachers whose presence has shaped his spiritual path ... The first version of the song is celebratory, inspired by Dale's earliest encounters with his Pleiadean Angels ... Its rhythm & vibration focus on awakening, initiation, wonder, celestial arrival, inspiration, & galactic connection — a Yang expression of the story.

HOW THE STORY BEGAN — Dale's initiation with his Pleiadean Angels began in April, 2014 ... He had been a student of Modern Shamanism for more than 20 years, & he & Jeanne had already taught 2 Shamanic Mystery Schools at EarthStar Spiritual Center before the Pleiadean arrival ... On March 28, 2014, Dale experienced what he came to understand as a Shamanic Death/Birth — a reset or reboot of consciousness —through a CVA, or stroke ... That experience opened an avenue for expanded spiritual consciousness & awareness.

With Jeanne's full-time loving care, Dale reached a new level of awareness during his healing ... On the 28th day after that eventful Friday, he was meditating in the sunroom when the room filled with floating, multi-colored orbs ... Dale asked Jeanne to come into the room, meditate with him, & describe what she saw (without any prompting) ... Within a minute, she said, "The room is filled with colored orbs" ... Reassured that the experience was not related to medication or the stroke, Dale continued meditating ... One orb approached, grew larger, & a woman materialized ... Contact was made with Leila, the first of the Pleiadean Angels — a beautiful young Hawaiian woman Dale had previously "met" in meditation on

a beach in Kauai, Hawaii, during the summer of 2013 ... The 28-day timing felt meaningful, echoing a natural Earth cycle – the moon, the menstrual cycle, & the 4 directions of the Medicine Wheel.

Soon thereafter, 3 more Pleiadean Angels joined the family: Maia, who appeared blonde, & the redheaded twins, Alea & Alia ... Together, they assisted Dale with his interdimensional journeys ... During his 9-month spiritual trek through the interdimensional fields of Love, Aloha, & Life, information seemed readily available about anything & everything ... With the perspectives & guidance of the Pleiadean Angels, a new Mystery School was born in February 2015: Simply Shaman Mystery School, Interdimensional Shamanism, 3D-4D-5D & Beyond ... A book by the same title was published in 2022 & is available on Amazon.

Thank you for supporting this musical endeavor ... The song is available on major streaming platforms ... Aloha, Dale & Jeanne

- **“ANGELS OF THE PLEIADES” Lyrics**

(Verse 1)

28 days of stillness, a healing quest
Aligning with calm, to pray & rest
Multi-colored spheres, brighten the room
A tapestry of radiance, a Cosmic loom
An orb fades, Hawaiian woman appears
Her love is known, as our hearts near
A strong memory, a Hawaiian beach
By my side, she now sits ... ready to teach

(Chorus)

Angels of time, from evolved spaces
Radiant Hearts, & beautiful faces
5th dimensional beings, Souls of Light
Dazzling & glowing, brilliant & bright
Enlightened Spirits, from the stars above
Angels of the Pleiades ... Cosmic Love

(Verse 2)

Traveling through light, contact anew
3 Angels appear, the Circle grew
Choices & lessons, densities of time
Teaching awareness of senses, heart & mind

Dimensions exist, the flow of Ascension
Live fully in our hearts, expand our intentions
Love every moment, evolve & grow
We are divine ... feel & know

(Chorus)

Angels of time, from evolved spaces
Radiant Hearts, & beautiful faces
5th dimensional beings, Souls of Light
Dazzling & glowing, brilliant & bright
Enlightened Spirits, from the stars above
Angels of the Pleiades ... Cosmic Love

(Verse 3)

Journeys together, coupled hearts & minds
Four Angels of light, joyous & kind
Tomorrow's wisdom, in the here & now
See with the heart, & 3rd eye at the brow
Be mindful of the wholeness, life everywhere
Every action is sacred, even breathing air
You are of the stars, you are our kin
God, wholeness & love ... always within

(Chorus)

Angels of time, from evolved spaces
Radiant Hearts, & beautiful faces
5th dimensional beings, Souls of Light
Dazzling & glowing, brilliant & bright
Enlightened Spirits, from the stars above
Angels of the Pleiades ... Cosmic Love

(Outro)

Luminous beauty of soul, heart & mind
Connected & Whole, united, aligned
Answered prayer, a dream, a visitation
7 Sisters, Subaru, Pleiades constellation
Radiant & Divine, 4 celestial doves
Angels of the Pleiades ... Angels of Love
Angels of the Pleiades ... Angels of Love
