

# Alturas G4 **Discontinued**

**Mahindra**

## **Mahindra Alturas G4**

The Mahindra Alturas G4 is essentially a rebadged version of the 2nd generation Ssangyong Rexton which is sold in South Korea. It was available in 1 variants, a 2157 cc, BS6 and a single Automatic transmission. Mahindra & Mahindra discontinued the Alturas G4 in December 2022 due to poor sales and the addition of Scorpio-N and XUV 700 to the portfolio of SUV's
