

Kicks Discontinued

Nissan

Nissan Kicks

Nissan Kicks though a very slow seller for Nissan India survived to be 1 of the 2 cars in the sales charts of Nissan India till 2023. It was offered in 2 engine options a naturally aspirate done and a turbo petrol engine. It faced strong competition from the Japanese, koreans, Chinese and also the Germans. Due to poor sales and high cost in upgrading the engine for RDE norms resulted in the death of Nissan Kicks.
