

Kiger

Renault

Renault Kiger

Basics

Renault Kiger shares most of its mechanicals with the sister car Nissan Magnite including the suspension, gear-box and also the engine. The design of Kiger is very controversial due to the similarities in design with the cheaper Renault Kwid. Renault launches kiger in 2021 and shocked the Indian car industry with what they can offer at that price point sub 10 lakhs.

1

PRICE

Rs. 5.99-10.62 lakhs
