## Tata Punch

### Basics

The Tata Punch is a Micro SUV that fits in between Altroz and the Nexon in Tata Motors line-up. It is also the second car to built upon the Alfa-Arc Architecture of Tata Motors. The electric version of Tata Punch is expected sometime in 2023. The Tata punch like all other Tata cars is a safe car that scored a full 5 star crash test rating in the Global NCAP. The Punch reached the milestone of 1,00,000 units in just 9 months of launch which is the fastest for any car ever in the Indian automotive industry.
